Happy Place Emily Henry, 2024-03-05 INSTANT #1 NEW YORK TIMES BESTSELLER! “The beach-read master hooks us again.—People Named a Most Anticipated Book of 2023 by BuzzFeed • Paste

Magazine • Elle • Southern Living • SheReads • Culturess • Medium • Her Campus • Readers Digest • Zibby Mag and more! A couple who broke up months ago pretend to still be together for their annual weeklong vacation with their best friends in this glittering and wise new novel from #1 New York Times bestselling author Emily Henry. Harriet and Wyn have been the perfect couple since they met in college—they go together like salt and pepper, honey and tea, lobster and rolls. Except, now—for reasons they're still not discussing—they don't. They broke up five months ago. And still haven't told their best friends. Which is how they find themselves sharing a bedroom at the Maine cottage that has been their friend group's yearly getaway for the last decade. Their annual respite from the world, where for one vibrant, blissful week they leave behind their daily lives; have copious amounts of cheese, wine, and seafood; and soak up the salty coastal air with the people who understand them most. Only this year, Harriet and Wyn are lying through their teeth while trying not to notice how desperately they still want each other. Because the cottage is for sale and this is the last week they'll all have together in this place. They can't stand to break their friends' hearts, and so they'll play their parts. Harriet will be the driven surgical resident who never starts a fight, and Wyn will be the laid-back charmer who never lets the cracks show. It's a flawless plan (if you look at it from a great distance and through a pair of sunscreen-smearing sunglasses). After years of being in love, how hard can it be to fake it for one week...in front of those who know you best?

Wind and Water Carole J. Hyder, 2011-05-01 Wind and Water: Your Personal Feng Shui Journey (with new introduction by author) Feng Shui works with the circulation and flow of the life force (ch'i) in the living and working environment to create balance and harmony. It provides ways to create or select an ideal living or work space to bring prosperity, productivity, and peace. Throughout the centuries, Feng Shui has been extensively used in all Eastern cultures. It has recently found its way to the West where it has gained popularity as people have come to realize its power. Wind and Water: Your Personal Feng Shui Journey presents Feng Shui as simple suggestions that can be done on a daily basis. There are many Feng Shui books that provide the complete didactic approach. In this book, each page will provide information and a corresponding activity. Instead of reading about Feng Shui, this book will provide an immediate experience of Feng Shui.

**Framing the Penal Colony** Sophie Fuggle, Charles Forsdick, Katharina Massing, 2023-02-20 This book examines the representation of penal colonies both historically and in contemporary culture, across an array of media. Exploring a range of geographies and historical instances of the penal colony, it seeks to identify

how the ‘penal colony’ as a widespread phenomenon is as much ‘imagined’ and creatively instrumentalized as it pertains to real sites and populations. It concentrates on the range of ‘media’ produced in and around penal colonies both during their operation and following their closures. This approach emphasizes the role of cross-disciplinary methods and approaches to examining the history and legacy of convict transportation, prison islands and other sites of exile. It develops a range of methodological tools for engaging with cultures and representations of incarceration, detention and transportation. The chapters draw on media discourse analysis, critical cartography, museum and heritage studies, ethnography, architectural history, visual culture including film and comics studies and gaming studies. It aims to disrupt the idea of adopting linear histories or isolated geographies in order to understand the impact and legacy of penal colonies. The overall claim made by the collection is that understanding the cultural production associated with this global phenomenon is a necessary part of a wider examination of carceral imaginaries or ‘penal spectatorship’ (Brown, 2009) past, present and future. It brings together historiography, criminology, media and cultural studies.
