My Unique Books

International Perspectives on Early Childhood Research J. Gillen,C. Cameron,2010-03-31 Presenting an innovative take on researching early childhood, this book provides an international comparison of the cultural and familial influences that shape the growth of young children. The book presents a unique methodology, and includes chapters on musicality, security, humour and eating.

All Together Singing in the Kitchen Nerissa Nields,Katryna Nields,2011 A guide to make music a part of the family offers thirty songs, musical games, and advice on playing musical instruments.

Grammar Works 1 Teacher's Book Michael Gammidge,Mick Gammidge,1998-09-10 Grammar Works 2 provides upper-elementary grammar practice for young students. For students from 10-12 years upwards, Grammar Works is a series of three lively, colourful workbooks designed to supplement and consolidate the grammar content of a course book. This book is ideal for teachers' teaching at Level 1.

The College Hook Pam Proctor,2009-10-31 A comprehensive guide to the powerful packaging tool called the Hook--a special talent or achievement that leaps off the page of a college application and catches the eye of admissions officers. Competition for entry to the nation's top colleges is at an all-time high--and intensifying every year. Now nationally recognized college consultant and writer Pam Proctor reveals the packaging secrets that can help any student maximize the odds of admission to the college of his or her choice. Using real life anecdotes and examples from winning applications, Proctor provides students with a step-by-step program that will enable them to determine and develop their unique Hook, and then package and market themselves at every stage of the admissions process.

American Hardcore (Second Edition) Steven Blush,George Petros,2010-10-19 American Hardcore sets the record straight about the last great American subculture—Paper magazine Steven Blush's definitive treatment of Hardcore Punk (Los Angeles Times) changed the way we look at Punk Rock. The Sony Picture Classics--distributed documentary American Hardcore premiered at the 2006 Sundance Film Festival. This revised and expanded second edition contains hundreds of new bands, thirty new interviews, flyers, a new chapter (Destroy Babylon), and a new art gallery with over 125 rare photos and images.

Social Commerce Efraim Turban,Judy Strauss,Linda Lai,2015-11-17 This is a multidisciplinary textbook on social commerce by leading authors of e-commerce and e-marketing textbooks, with contributions by several industry experts. It is effectively the first true textbook on this topic and can be used in one of the following ways: Textbook for a standalone elective course at the undergraduate or graduate levels (including MBA and executive MBA programs) Supplementary text in marketing, management or Information Systems disciplines Training courses in industry Support resources for researchers and practitioners in the fields of marketing, management and information management The book examines the latest trends in e-commerce, including social businesses, social networking, social collaboration, innovations and mobility. Individual chapters cover tools and platforms for social commerce; supporting theories and concepts; marketing communications; customer engagement and metrics; social shopping; social customer service and CRM contents; the social enterprise; innovative applications; strategy and performance management; and implementing social commerce systems. Each chapter also includes a real-world example as an opening case; application cases and examples; exhibits; a chapter

summary; review questions and end-of-chapter exercises. The book also includes a glossary and key terms, as well as supplementary materials that include PowerPoint lecture notes, an Instructor's Manual, a test bank and five online tutorials.

The Instrumentalist, 1997

The Billboard Book of Top 40 Hits, 9th Edition Joel Whitburn, 2012-07-18 The Essential Reference Guide to America's Most Popular Songs and Artists Spanning More than Fifty Years of Music Beginning with Bill Haley & His Comets' seminal "Rock Around the Clock" all the way up to Lady Gaga and her glammed-out "Poker face," this updated and unparalleled resource contains the most complete chart information on every artist and song to hit Billboard's Top 40 pop singles chart all the way back to 1955. Inside, you'll find all of the biggest-selling, most-played hits for the past six decades. Each alphabetized artist entry includes biographical info, the date their single reached the Top 40, the song's highest position, and the number of weeks on the charts, as well as the original record label and catalog number. Other sections—such as "Record Holders," "Top Artists by Decade," and "#1 Singles 1955-2009"—make The Billboard Book of Top 40 Hits the handiest and most indispensable music reference for record collectors, trivia enthusiasts, industry professionals and pop music fans alike. Did you know? • Beyoncé's 2003 hit "Crazy in Love" spent 24 weeks in the Top 40 and eight of them in the #1 spot. • Billy Idol has had a total of nine Top 40 hits over his career, the last being "Cradle of Love" in 1990. • Of Madonna's twelve #1 hits, her 1994 single "Take a Bow" held the spot the longest, for seven weeks—one week longer than her 1984 smash "Like a Virgin." • Marvin Gaye's song "Sexual Healing" spent 15 weeks at #3 in 1982, while the same song was #1 on the R&B chart for 10 weeks. • Male vocal group Boyz II Men had three of the biggest chart hits of all time during the 1990s. • The Grateful Dead finally enjoyed a Top 10 single in 1987 after 20 years of touring. • Janet Jackson has scored an impressive 39 Top 40 hits—one more than her megastar brother Michael!

The School Musician, 1964

Knowledge Sharing Through Technology Jeanne Lam, Kam Cheong Li, Simon K.S. Cheung, Fu Lee Wang, 2013-12-12 This book constitutes the thoroughly revised selected papers of the 8th International Conference on Information and Communication Technology in Teaching and Learning, ICT 2013, held in Hong Kong, China, in July 2013. The 21 revised papers presented were carefully reviewed and selected from various submissions. The papers are organized in topical sections such as management and application of open education resources, application of ICT in support of knowledge sharing, application of mobile devices and social media to knowledge sharing, knowledge sharing for teaching and learning.

Joel Whitburn Presents Rock Tracks 1981-2008 Joel Whitburn, 2008 (Book). For the first time ever, Rock Tracks lists every artist and song to appear on Billboard 's Modern Rock Tracks (also known as Alternative) and Mainstream Rock Tracks charts all in one combined, comprehensive A-to-Z artist listing! This all-inclusive format gathers all chart data from both charts in one master listing so it's easy for you to instantly compare your favorite artist's achievements on either or both of Billboard 's two premier Rock charts.

Playing with Sound Karen Collins,2013-01-11 An examination of the player's experience of sound in video games and the many ways that players interact with the sonic elements in games. In *Playing with Sound*, Karen Collins examines video game sound from the player's perspective. She explores the many ways that players interact with a game's sonic aspects—which include not only music but also sound effects, ambient sound, dialogue, and interface sounds—both within and outside of the game. She investigates the ways that meaning is found, embodied, created, evoked, hacked, remixed, negotiated, and renegotiated by players in the space of interactive sound in games. Drawing on disciplines that range from film studies and philosophy to psychology and computer science, Collins develops a theory of interactive sound experience that distinguishes between interacting with sound and simply listening without interacting. Her conceptual approach combines practice theory (which focuses on productive and consumptive practices around media) and embodied cognition (which holds that our understanding of the world is shaped by our physical interaction with it). Collins investigates the multimodal experience of sound, image, and touch in games; the role of interactive sound in creating an emotional experience through immersion and identification with the game character; the ways in which sound acts as a mediator for a variety of performative activities; and embodied interactions with sound beyond the game, including machinima, chip-tunes, circuit bending, and other practices that use elements from games in sonic performances.

Hallo Spaceboy Dave Thompson,2006-06-09 By 1987, David Bowie was at a creative, critical, and commercial low. His most recent album was dismissed by the music press, his latest tour written off as a disaster. Fifteen years after becoming the most colourfully controversial superstar in recent rock history, Bowie was seen as a spent force. Almost twenty years later, Bowie has re-established himself at the very peak of his profession in one of the most extraordinary comebacks in rock history. His 1995 release of the critically-astonishing *1:Outside* album has been followed by equally groundbreaking efforts. He is a content family man, married to super-model Iman, and one of the richest musicians in the world. While most biographies on Bowie still focus on his early years, *Hallo Spaceboy: The Rebirth of David Bowie* is the first to chronicle the comeback in detail. Drawing upon exclusive interviews with fans, colleagues and associates, it is also the long-gestating follow-up to Dave Thompson's *Moonage Daydream* (1987), widely hailed among the best David Bowie biographies.

The Beatles as Musicians Walter Everett,1999 Given the phenomenal fame and commercial success that the Beatles knew for the entire course of their familiar career, their music per se has received surprisingly little detailed attention. Not all of their cultural influence can be traced to long hair and flashy clothing; the Beatles had numerous fresh ideas about melody, harmony, counterpoint, rhythm, form, colors, and textures. Or consider how much new ground was broken by their lyrics alone -- both the themes and imagery of the Beatles' poetry are key parts of what made (and still makes) this group so important, so popular, and so imitated. This book is a comprehensive chronological study of every aspect of the Fab Four's musical life -- including full examinations of composition, performance practice, recording, and historical context -- during their transcendent late period (1966-1970). Rich, authoritative interpretations are interwoven through a documentary study of many thousands of audio, print, and other sources.

The Journal of Country Music ,1986

New York Magazine ,1972-09-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
