From Scratch Tembi Locke,2020-02-04 Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is “a captivating story of love lost and found” (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro’s traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro’s family just as he faced a formidable cancer that would consume all their dreams. From Scratch chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro’s family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law’s table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro’s romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke’s case, it is both. “Locke’s raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones” (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From Scratch is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

The Other Black Girl Zakiya Dalila Harris, 2021-06-01 A Hulu Original Series Coming Soon "Riveting, fearless, and vividly original" (Emily St. John Mandel, New York Times bestselling author), this instant New York Times bestseller explores the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. Having joined Wagner Books to honor the legacy of *Burning Heart*, a novel written and edited by two Black women, she had thought that this animosity was a relic of the past. Is Nella ready to take on the fight of a new

generation? "Poignant, daring, and darkly funny, *The Other Black Girl* will have you stressed and exhilarated in equal measure through the very last twist" (Vulture). The perfect read for anyone who has ever felt manipulated, threatened, or overlooked in the workplace.

Protecting Traditional Knowledge Daniel F. Robinson,Ahmed Abdel-Latif,Pedro Roffe,2017-07-14 This is the first comprehensive review of the Intergovernmental Committee (IGC) of the World Intellectual Property Organization (WIPO) established in 2000. It provides an in-depth consideration of the key thematic areas within WIPO discussions – genetic resources (GRs), traditional knowledge (TK) and traditional cultural expressions (TCEs) through the perspectives of a broad range of experts and stakeholders, including indigenous peoples and local communities. It also looks at how these areas have been treated in a number of forums and settings (including national systems and experiences, and also in trade agreements) and the interface with WIPO discussions. Furthermore, the book analyses the process and the negotiation dynamics since the IGC received a mandate from WIPO members, in 2009, to undertake formal text-based negotiations towards legal instruments for the protection of GR, TK and TCEs. While there has been some progress in these negotiations, important disagreements persist. If these are to be resolved, the adoption of these legal instruments would be a significant development towards resolving key gaps in the modern intellectual property system. In this regard, the book considers the future of the IGC and suggests options which could contribute towards achieving a consensual outcome.
