**The Way She Feels: My Life on the Borderline in Pictures and Pieces** Courtney Cook,2021-06-29 Finalist for the 2022 Lammy Award for Bisexual & the 2022 Heartland Booksellers Award A Book Riot Best Book of the Year “Audaciously human and raw. The Way She Feels is a rainbow during the rain.” —Mara Altman A witty and one-of-a-kind debut graphic memoir detailing and drawing the life of a girl with borderline personality disorder finding her way—and herself—one day at a time. What does it feel like to fall in love too hard and too fast, to hate yourself in equal and opposite measure? To live in such fear of rejection that you drive friends and lovers away? Welcome to my world. I’m Courtney, and I have borderline personality disorder (BPD), along with over four million other people in the United States. Though I’ve shown every classic symptom of the disorder since childhood, I wasn’t properly diagnosed until nearly a decade later, because the prevailing theory is that most people simply “grow out of it.” Not me. In my illustrated memoir, The Way She Feels: My Life on the Borderline in Pictures and Pieces, I share what it’s been like to live and love with this disorder. Not just the hospitalizations, treatments, and residential therapy, but the moments I found comfort in cereal, the color pink, or mini corndogs; the days I couldn’t style my hair because I thought the blow-dryer was going to hurt me; the peace I found when someone I love held me. This is a book about vulnerability, honesty, acceptance, and how to speak openly—not only with doctors, co-patients, friends, family, or partners, but also with ourselves.

*Taxpayer Advocate Service is Here to Help* United States. Taxpayer Advocate Service,

*The Women's Army Corps, 1945-1978* Bettie J. Morden,2011-10-07 After years out of print, this new and redesigned book brings back the best and most complete history of the Women's Army Corps. Loaded with history, tables, charts, statistics, photos, personalities, and many useful appendices (including a history of WAC uniforms), The Women's Army Corps, 1945-1978 is must reading for anyone who served those years in the Army as well as for those who want a complete history of the modern-day military. Author Bettie Morden served from 1942-1972 and she used her experience and access to people and records to compile the definitive reference work. Col. Morden is a graduate of the WAC Officers' Advanced Course (1962); Command and General Staff College (1964); and the Army Management School (1965). She has been awarded the Distinguished Service Medal, the Legion of Merit, the Joint Service Commendation Medal, and the Army Commendation Medal with Oak Leaf Cluster.

**Ghosts: A Graphic Novel** Raina Telgemeier,2016-09-13 From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of Smile, Drama, and Sisters! Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bahía de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a secret: There are ghosts in Bahía de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake - and her own. Raina Telgemeier has masterfully created a moving and insightful story about the power of family and friendship, and how it gives us the courage to do what we never thought possible.

*IBM DB2 Recovery Expert for Multiplatforms V2 Usage Guide* Whei-Jen Chen,Hiromichi Shinozaki,Kevin Taylor,Marcia Miskimen,Yasir Warraich,2006 IBM DB2 Recovery Expert for Multiplatforms provides an enhanced data recovery solution that enables more precise recovery operations while reducing disruption during the recovery process. DB2 Recovery Expert creates and maintains additional recovery assets that you can use for intelligent analysis of both DB2 and DB2 Recovery Expert assets to find the most efficient recovery path. DB2 Recovery Expert facilitates the process of rebuilding your database assets, such as tables, indexes, and data, to a specified point-in-time, often without taking the database or the business operations offline. This IBM Redbooks publication shows you how to install and implement DB Recovery Expert and the Fast Backup and Grouper components. It also describes the DB2 Recovery Expert assets and how to manage these assets. In addition, this book explains the summary and detail reports of Log Analysis, including the DPF environment. It shows, in detailed examples, point-in-time recovery and cloning of tables, table spaces, and databases. Please note that the additional material referenced in the text is not available from IBM.

**Database Partitioning, Table Partitioning, and MDC for DB2 9** Whei-Jen Chen,Alain Fisher,Aman Lalla,Andrew D McLauchlan,Doug Agnew,IBM Redbooks,2008-08-27 As organizations strive to do more with less, DB2 Enterprise Server Edition V9 for Linux, Unix, and Windows contains innovative features for delivering information on demand and scaling databases to new levels. The table partitioning, newly introduced in DB2 9, and the database partitioning feature provide scalability, performance, and flexibility for data store. The multi-dimension clustering table enables rows with similar values across multiple dimensions to be physically clustered together on disk. This clustering allows for efficient I/O and provides performance gain for typical analytical queries. How are these features and functions different? How do you decide which technique is best for your database needs? Can you use more than one technique concurrently? This IBM Redbooks publication addresses these questions and more. Learn how to set up and administer database partitioning. Explore the table partitioning function and how you can easily add and remove years of data on your warehouse. Analyze your data to discern how multi-dimensional clustering can drastically improve your query performance.

**Obsessed** Allison Britz,2017-09-19 A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as

loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison’s descent and ultimately hopeful climb out of the depths.

**Cradle My Heart** Kim Ketola,2012 Abortion continues to be a hot topic in politics, women’s rights, and medical practice. But for the eight to ten million American Christian women who have had one, abortion is a spiritual issue as well, raising questions of life and death, heaven and hell, grief and loss. Writing from her own experience, Kim Ketola sheds light on one of the darkest and most neglected personal issues of our time: the widespread need for healing and spiritual recovery after abortion. “After abortion brought the worst trouble into my life I had ever known,” writes Ketola, “I just couldn’t see my way free to believe in God’s love.” With a compassionate heart, Ketola offers ten true stories of healing promise from the Bible to help women answer the most common spiritual torments they face: Is abortion a sin? Does God hate me? Where can I turn in my shame and distress? How could I ever tell anyone the truth? And more. Inspired by Romans 6:4--“just as Christ was raised from the dead through the glory of the Father, we too may live a new life--this is a definitive resource to help women see themselves and God anew and--finally--to find spiritual healing.

**Girl in Need of a Tourniquet** Merri Lisa Johnson,2010-07 An honest and compelling memoir, Girl in Need of a Tourniquetis Merri Lisa Johnsons account of her borderline personality disorder and how it has affected her life and relationships. Johnson describes the feeling of "bleeding out" - unable to tell where she stopped and where her partner began. A self-confessed "psycho girlfriend," she was influenced by many emotional factors from her past. She recalls her path through a dysfunctional, destructive relationship, while recounting the experiences that brought her to her breaking point. In recognizing her struggle with borderline personality disorder, Johnson is ultimately able to seek help, embarking on a soul-searching healing process. It's a path that is painful, difficult, and at times heart-wrenching, but ultimately makes her more able to love and coexist in healthy relationships.
