Sustainable Tools for Precarious Times Natalie Alvarez, Claudette Lauzon, Keren Zaiontz, 2019-10-25 This collection promises to be a cornerstone in the field of performance studies and human rights activism. By mixing scholarly chapters with artists' manifestos or "interruptions" it promotes the idea of the collective work between academia and social movements. Not only is it very timely, theoretically savvy, and well written, it also brings together scholars, activists, artists, and activists in a very fluid, collective approach, something many of us strive to do." – Paola S. Hernández, University of Wisconsin, USA This book charts the changing frontiers of activism in the Americas. Travelling Canada, the US, the US-Mexico border, Chile, Argentina, Brazil, Cuba, Colombia, and Indigenous territories on Turtle Island, it invites readers to identify networks, clusters, and continuities of art-activist tactics designed to exceed the event horizon of the performance protest. Essays feature Indigenous artists engaging in land-based activism and decolonial cyberactivism, grass-roots movements imagining possible futures through cross-sector alliance building, art-activists forwarding tactics of reinvention, and student groups in the throes of theatrical assembly. Artist pages, interspersed throughout the collection, serve as animated, first-person perspectives of those working on the front lines of interventionist art. Taken together, the contributions offer a vibrant picture of emergent tactics and strategies over the past decade that allow art-activists to sustain the energy and press of political resistance in the face of a whole host of rights emergencies across the Americas. **Pimp God** Warren B., 2016-11-30 What if I told you the whole world is based on Pimping..? From Business Owners (of all types) to Employees... Everything in this society is based on PIMPING. Therefore, pimping by definition is all about OWNERSHIP. On the flip side, hoeing is all about SERVITUDE. You don't have to be a brain surgeon to UNDERSTAND this. You just have to use your common sense. Anyone who sets out to OWN instead of SERVE, is setting out to be a PIMP. In all relationships, the same dynamic exists. Someone (he or her) is going to be the BOSS. Any man who says we rule the home together is lying to himself. In fact, whenever you hear a man say this, I can assure you HIS WIFE IS RUNNING SHIT!! Although your momma probably didn't teach you this but, THE WORD MAN LITERALLY MEANS AUTHORITY!!! While, WOMAN, on the other hand means SUPPORT. Most relationships in the west are defined by the proverbial POWER STRUGGLE. That's because in most western homes, the ROLES of men and women have been REVERSED. This is especially true in the black community. MEN today are no longer MEN (AUTHORITATIVE FIGURES). They have become BOYS only masquerading as men. Children being raised in these types of environments ARE NOT USE TO SEEING A MAN DELEGATING AUTHORITY IN HIS HOME. This is what the Black community has become... A BIG DYSFUNCTIONAL LIVING ARRANGEMENT. An arrangement where the WOMEN are trying their best to be MEN and vice-versa. Black women got this BRIGHT IDEA (to try and be a man) from the dominant white society. But, what the white man did not tell them is, NO WOMAN CAN BE A MAN BECAUSE SHE WAS NOT WIRED TO BE ONE. And the harder they try, the more DYSFUNCTIONAL they become. White men can live with the BLACK WOMAN'S DYSFUNCTION so long as she don't get shit twisted. Because we all know he ain't about to deal with any disrespect from her. She know it too. For that reason, black men must no longer tolerate black female disrespect, either. KNOW THIS... The coldest PLAYERS on planet earth are WOMEN. Women have been manipulating men since the beginning of time. That's why men need to learn the GAME. Not to put their lovers on the corner; but to put them on some stricter rules, regulations and guidelines. Love it or hate it, the only men who have MASTERED THE GAME WOMEN CREATED, IS PIMPS. You don't have to be

a PIMP to UNDERSTAND this GAME. But, you do need to PAY CLOSE ATTENTION. People, there is a shift in consciousness taking place in the universe. And there is nothing anyone can do about it. This shift, is a shift towards WHAT IS NATURAL. EITHER YOU GET ON BOARD, OR GET ELIMINATED. THAT'S IT. PIMP GOD, What Yo Momma Shoulda' Told You is not a book about teaching men to be PIMPS. It's about teaching men to TAKE BACK THE AUTHORITY THEY LOST TO WOMEN A LONG, LONG TIME AGO. JOIN THE MOVEMENT!!!

**A Geoinformatics Approach to Water Erosion** Tal Svoray, 2022-02-17

Degradation of agricultural catchments due to water erosion is a major environmental threat at the global scale, with long-lasting destructive consequences valued at tens of billions of dollars per annum. Eroded soils lead to reduced crop yields and deprived agroecosystem's functioning through, for example, decreased water holding capacity, poor aeration, scarce microbial activity, and loose soil structure. This can result in reduced carbon sequestration, limited nutrient cycling, contamination of water bodies due to eutrophication, low protection from floods and poor attention restoration--consequences that go far beyond the commonly modelled soil loss and deposition budgets. This book demonstrates, using data from the Harod catchment in northern Israel, how cutting-edge geoinformatics, data science methodologies and soil health indicators can be used to measure, predict, and regulate these major environmental hazards. It shows how these approaches are used to quantify--in time and space--the effect of water erosion not only on the soil layer, soil minerals, and soil loss, but also on the wide-range of services that agricultural ecosystems might supply for the benefit and well-being of humans. The algorithms described in this book play a major role in this paradigm shift and they include, for example, extraction of photogrammetric DEMs from drone's data, advanced drainage structure calculations, fuzzy process-based modelling and spatial topographic threshold computations, multicriteria analyses and expert-based systems development using analytic hierarchical processes, innovative data-mining and machine learning tools, autocorrelation and interpolation of soil health, physically-based soil evolution models, spatial decision support systems and many more.

**Pimp** Iceberg Slim, 2011-05-10 "[In Pimp], Iceberg Slim breaks down some of

the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special *The Bird Revelation* *Pimp* sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, *Pimp* would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.

**Somebody's Daughter** Julian Sher, 2013-04-01 They are America's forgotten children, the hundreds of thousands of child prostitutes who walk the Las Vegas Strip, the casinos of Atlantic City, the truck stops on interstates, and the street corners of our cities. Many people wrongly believe sex trafficking involves young women from foreign lands. In reality, the majority of teens caught in the sex trade are American girls--runaways and throwaways who become victims of ruthless pimps. In *Somebody's Daughter: The Hidden Story of America's Prostituted Children and the Battle to Save Them*, meet the girls who are fighting for their dignity, the cops who are trying to rescue them, and the community activists battling to protect the nation's most forsaken children. Author Julian Sher takes you behind the scenes to expose one of America's most underreported crimes: A girl from New Jersey gets arrested in Las Vegas and, at great risk to her own life, helps the FBI take down a million-dollar pimping empire. An abused teenager in Texas has the courage to take the stand in a grueling trial that sends her pimp away for 75 years. Survivors of the sex trade in New York, Phoenix, and Minneapolis set up shelters and rescue centers that offer young girls a chance to break free from the streets. &"The sex trade is the new drug trade,&" says one FBI special agent, and *Somebody's Daughter* is a call to action, shining a light on America's dirty little secret.

**40 Thieves** Dannell Booker, 2007-02 I done flipped 'em, dropped 'em, pimped 'em, ho'd 'em, fucked 'em, fought 'em, tricked 'em, taught 'em - on this blade here. I done roped 'em, doped 'em, coached 'em, poked 'em and brought out hope en dem - on this blade here. I done tried 'em, pried 'em, coked 'em, smoked 'em, all out loked dem, till there was no work fo dem - on this blade here. So don't confuse the muse, wit dem no good fools, who abuse the tools they done not learned to use. Don't lesser the professor, for skills he injectures, I'n a citizen of choice, who chose to choose, a profession of necessity. This mental soduko was born in me, this tongue tyranny I'm forced to be, this pimp game was blessed to me. Prime Minister Primo Velasquez circa 2001 On the streets; is where good and bad, right and wrong is taught, and truly learned. For Terrell Pow school is in, and his teacher, Primo is one move, one ho, and one hostage, away from bringin' out the best in him. This summer aspirations of fame and stardom will take on a whole new meaning as Hollywood takes a back seat to gettin' money on the streets of L.A. ...This story jabs quick and punches hard. I would call the author crazy if it wasn't that it's based on a true story! The fact that there's a pimp as insane as

Primo out there turning corners somewhere in L.A. is enough to lock up your wife, your mother, your grandmother and your daughters, until they're old and gray! Except for the fact that Primo proves not even that would stop him from trying to ho them out!...

**The Black Box** Marquett Burton, 2020-08-09 The Black Box is not a tale of a great man. This story is about someone like you: a human being endeavoring to make tomorrow better than today. Each chapter recounts a formative experience and concludes with a 'Black Box': an explanation of how a given situation helped me develop the mindset required to thrive in that type of environment. An airplane's black box records all circumstantial things occurring around and within the aircraft, as well as the voices (and radio transmissions) in the head of the airliner. When an airplane crashes engineers look into the black box to study what went wrong. However, black boxes also have stories of success, but we rarely look to them for those narratives. Memories, like a black box, are nearly permanent records. Black boxes are stored in reinforced shells designed to survive 30 minutes in 2000-degree Fahrenheit heat as well as submersion in 20,000 feet deep water. Your black box is filled with helpful memories, but so often you fail to look into your black box to pull wisdom from it. Sometimes we do not want to open the black box and look in because it means seeing our hardships replayed, seeing things that cause us fear and pain. As you peer into my black box, it will inspire you to look into your own. Our black boxes are filled with explanations of why we crash as well as stories of how we have soared above turbulence. Most of these chapters have been developed as self encapsulated stories from which a moral can be drawn without reference to previous chapters. I share the story of my life knowing that my achievements outstrip those of the average person by only a modest margin. The validity of this work lies in the distance between my starting point and where I stand today. This book is about you. It should drive you to consult your black box as you adventure through life, and to use the experience, strength and resolve that you already have to make your journey easier and more enjoyable.
