Dudley Bromley

The Queen of the Pirate Isle Harte Bret,2016-06-21 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Queen of the Pirate Isle Bret Harte,2020-07-17 Reproduction of the original: *The Queen of the Pirate Isle* by Bret Harte

A first family of Tasajara. The queen of the pirate isle. [Index Bret Harte,1886

The Pirate Island Harry Collingwood,2015-10-19 Set sail for adventure! A swash buckling tale of the high seas full of courage and danger. The barometer had been slowly but persistently falling during the two previous days; the dawn had been red and threatening, with a strong breeze from S.E.; and as the short dreary November day waxed and waned this strong breeze had steadily increased in strength until by nightfall it had become a regular November gale, with frequent squalls of arrowy rain and sleet, which, impelled by the furious gusts, smote and stung like hail, and cleared the streets almost as effectually as a volley of musketry would have done. It was not fit for a dog to be out of doors. So said Ned Anger as he entered the snug bar-parlour of the Anchor at Brightlingsea, and drawing a chair close up to the blazing fire of wreck-wood which roared up the ample chimney, flung himself heavily down thereon to await the arrival of the pint which he had ordered as he passed the bar.

The Pirate Island Harry Collingwood,2014-02-08 It was emphatically "a dirty night." The barometer had been slowly but persistently falling during the two previous days; the dawn had been red and threatening, with a strong breeze from S.E.; and as the short dreary November day waxed and waned this strong breeze had steadily increased in strength until by nightfall it had become a regular "November gale," with frequent squalls of arrowy rain and sleet, which, impelled by the furious gusts, smote and stung like hail, and cleared the streets almost as effectually as a volley of musketry would have done. It was not fit for a dog to be out of doors. So said Ned Anger as he entered the snug bar-parlour of the "Anchor" at Brightlingsea, and drawing a chair close up to the blazing fire of wreck-wood which roared up the ample chimney, flung himself heavily down thereon to await the arrival of the "pint" which he had ordered as he passed the bar. "And yet there's a many poor souls as has to be out in it, and as is out in it," returned the buxom hostess, entering at the moment with the aforesaid pint upon a small tray. "It's to be hoped as none of 'em won't meet their deaths out there among the sands this fearful night," she added, as Ned took the glass from her, and deposited his "tuppence" in the tray in payment therefor.

The Queen of the Pirate Isle Francis Bret Harte,1931

The Queen of the Pirate Isle (Classic Reprint) Bret Harte,2015-08-06 Excerpt from *The Queen of the Pirate Isle* I first knew her as the Queen of the Pirate Isle. To the best of my recollection she had no reasonable right to that title. She was only nine years old, inclined to plumpness and good humour, deprecated violence and had never been to sea. Need it be added that

she did not live in an island and that her name was Polly. Perhaps I ought to explain that she had already known other experiences of a purely imaginative character. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Queen of the Pirate Isle Kate Greenaway, 2017-06-22 THE QUEEN OF THE PIRATE ISLE. I first knew her as the Queen of the Pirate Isle. To the best of my recollection she had no reasonable right to that title. She was only nine years old, inclined to plumpness and good humour, deprecated violence and had never been to sea. Need it be added that she did not live in an island and that her name was Polly. Perhaps I ought to explain that she had already known other experiences of a purely imaginative character. Part of her existence had been passed as a Beggar Child-solely indicated by a shawl tightly folded round her shoulders and chills, -as a Schoolmistress, unnecessarily severe; as a Preacher, singularly personal in his remarks, and once, after reading one of Cooper's novels, as an Indian Maiden. This was, I believe, the only instance when she had borrowed from another's fiction. Most of the characters that she assumed for days and sometimes weeks at a time were purely original in conception; some so much so as to be vague to the general understanding. I remember that her personation of a certain Mrs. Smith, whose individuality was supposed to be sufficiently represented by a sun-bonnet worn wrong side before and a weekly addition to her family, was never perfectly appreciated by her own circle although she lived the character for a month. Another creation known as The Proud Lady-a being whose excessive and unreasonable haughtiness was so pronounced as to give her features the expression of extreme nausea, caused her mother so much alarm that it had to be abandoned. This was easily effected. The Proud Lady was understood to have died. Indeed, most of Polly's impersonations were got rid of in this way, although it by no means prevented their subsequent reappearance. I thought Mrs. Smith was dead, remonstrated her mother at the posthumous appearance of that lady with a new infant. She was buried alive and kem to! said Polly with a melancholy air. Fortunately, the representation of a resuscitated person required such extraordinary acting, and was, through some uncertainty of conception, so closely allied in facial expression to the Proud Lady, that Mrs. Smith was resuscitated only for a day. The origin of the title of the Queen of the Pirate Isle, may be briefly stated as follows: - An hour after luncheon, one day, Polly, Hickory Hunt, her cousin, and Wan Lee, a Chinese page, were crossing the nursery floor in a Chinese junk. The sea was calm and the sky cloudless. Any change in the weather was as unexpected as it is in books. Suddenly a West Indian Hurricane, purely local in character and unfelt anywhere else, struck Master Hickory and threw him overboard, whence, wildly swimming for his life and carrying Polly on his back, he eventually reached a Desert Island in the closet. Here the rescued party put up a tent made of a table cloth providentially snatched from the raging billows, and from two o'clock until four, passed six weeks on the

island supported only by a piece of candle, a box of matches, and two peppermint lozenges. It was at this time that it became necessary to account for Polly's existence among them, and this was only effected by an alarming sacrifice of their morality; Hickory and Wan Lee instantly became Pirates, and at once elected Polly as their Queen. The royal duties, which seemed to be purely maternal, consisted in putting the Pirates to bed after a day of rapine and bloodshed, and in feeding them with liquorice water through a quill in a small bottle....

A First Family of Tasajara Bret Harte,1886

The Queen of the Pirate Isle Bret Harte,2016-04-14 Francis Bret Harte was an American author and poet, best remembered for his short fiction featuring miners, gamblers, and other romantic figures of the California Gold Rush. In a career spanning more than four decades, he wrote poetry, fiction, plays, lectures, book reviews, editorials, and magazine sketches in addition to fiction.

North to Oak Island Dudley Bromley,1997 A story of pirates and the search for gold on an island.

A PIRATE OF THE CARIBBEES & THE PIRATE ISLAND Harry Collingwood,2017-07-15 It was emphatically a dirty night. The barometer had been slowly but persistently falling during the two previous days; the dawn had been red and threatening, with a strong breeze from S.E.; and as the short dreary November day waxed and waned this strong breeze had steadily increased in strength until by nightfall it had become a regular November gale, with frequent squalls of arrowy rain and sleet, which, impelled by the furious gusts... (The Pirate Island) Harold MacGrath was a bestselling American novelist, short story writer, and screenwriter.

The Works of Bret Harte Bret Harte,1914

A First Family of Tasajara, the Queen of the Pirate Isle Bret Harte,2013-01 In partnership with the University of South Carolina Press, the Simms Initiatives at the University of South Carolina Libraries reissue authoritative editions of out of print works by William Gilmore Simms, antebellum South Carolina's preeminent man of letters. Full content from these volumes will also be available online via www.sc.edu/library. As part of the inaugural effort, the six volumes of The Letters of William Gilmore Simms-first published by USC Press between 1952 and 1982-are also being reissued in their first paperback editions. Each volume also includes a new scholarly introduction.

The Pirate Island Harry Collingwood,2015-07-31 The Pirate Island: A Story of the South Pacific by Harry Collingwood and Illustrated by C.J. Staniland and J. R. Wells, first published in 1884. A very exciting story. It starts with a severe gale on the Essex coast of England. A rescue is effected, as a result of which one of the local fishermen generously adopts an orphan boy they find on the sinking ship. Years later a number of young people set out on a return voyage by sea to Australia. On the return voyage there is a disastrous fire on board their ship, the Galatea, as a result of which they and the crew take to the boats. They are rescued by a vessel that turns out to be a pirate ship, the captain of which takes them to his island, where he has a number of ships of various kinds that he has captured. Harry Collingwood (1851-1922). Pseudonym of William Joseph Cosens Lancaster, a civil engineer who specialised in seas and harbours.

Shipwreck on the Pirate Islands Geronimo Stilton,2011-10-01 In this funny

chapter book from the bestselling middle grade adventure series, a world traveling journalist mouse hunts for treasure with his family. My sister had come up with a new way to torment me. She'd combined my two least favorite things—travel and ghosts! Thea had heard rumors of a haunted pirate treasure buried on a desert island. And before I could say “avast ye scurvy rats,” she'd dragged me into her treasure hunt! Praise for Geronimo Stilton's books: “Lightning pace and full-color design will hook kids in a flash.” —Publishers Weekly

Pirates & Privateers from Long Island Sound to Delaware Bay Jamie L. H. Goodall, 2022-05 Illicit commerce was key to the survival of the mid-Atlantic colonies from the Golden Age of piracy to the battles of the American Revolution. Out of this exciting time came beloved villains like Captain William Kidd and Black Sam Bellamy as well as inspiring locals like Captain Shelley and James Forten. Learn of the legend of Sadie the Goat and her Charlton Street Gang as piracy was ending in the region in the 19th century. From the shores of New York to the oceans of the East Indies, from Delaware Bay to the islands of the West Indies, author Jamie L.H. Goodall illuminates the height of piratical depredations in the mid-Atlantic in the 17th and 18th centuries.

Pirate Island Adventure Peggy Parish, 1991-01-01 Summer vacation at Pirate Island! Liza, Bill, and Jed can't believe their grandparents' wonderful surprise. The excitement begins even before they reach the island, as Grandpa gives the first clue to the unsolved mystery of a long-lost family treasure. Whether it's their frightening run-ins with Hermit Dan, a wild and scary romp with a swooping bat, or a midnight trip into the woods, tracking the series of weird picture clues leads the children all over the island and into all sorts of adventures.
