Pit Bull Michael Francis,2013-08-22 These stories are true. They are for dog lovers of all breeds. Some are reconstructed from conversations with the actual participants, others from my own experience. I love these remarkable dogs and will continue to own them as long as I am able.

The Pitbull Dog Breed Edward Stenson,2015-02-02 Pitbulls have a bad reputation. They rank as the most aggressive dog breed in terms of people's perception, with some states even adopting laws that ban people from owning them. This isn't fair of course, because with proper care and attention from their owners, pitbulls can be the sweetest of companions. While it's true that these dogs were originally bred for more aggressive activities, such as hunting and dog-fighting, they have the capacity to be one of the most docile and loyal dog breeds around. Fully understanding the pitbull breed is the first step in developing a bond with your dog so that he or she will allow you to be the pack leader. This book is designed to debunk harmful preconceived notions about this amazing breed. Along the way, I'll also cover how to teach your dog simple tricks and obedience commands, and how to socialize your pitbull with other dog breeds. We'll also discuss the pitbull's breed-specific traits, including how to tend to your dog's special nutritional and physical needs, since that's the key to a happy and healthy pitbull who's eager to be your best buddy for life.

Pit Bull 101 HowExpert,Catherine Thompson,2020-01-26 Pit Bull 101 traces the loveable Pitbull from its historic ancestry to today. The dog's pedigree, genealogy, and temperament are illustrated. Pitbulls have been the subject of adverse legislation illegal operations, and public disquiet. By learning about the Pitbull, you will find that they are not dangerous, vicious, or difficult to train. Pitbulls have a varied history. They are not fighting dogs but rescue dogs, police dogs, dogs used for care, and support dogs. They will love you, unconditionally and be your most loyal friend. At one time in America's history, Pitbulls were known as America's dog. They were on war posters for WWI and WWII, the face of Buster Brown shoes, and known as nanny dogs. You have seen the Pitbull running with the Little Rascals and as a part of Rachael Ray's dog food commercial. The Pitbulls reputation was horribly damaged by magazine articles, media prejudice, and the story of Michael Vick and his dogfighting project. Yet, these dogs that were horribly abused and tortured became happy and loving family pets and mascots. The Michael Vick tragedy changed the face of dog rescue. Fighting dogs are no longer indiscriminately put down. The care and feeding of a Pitbull are outlined in the book. These same training techniques, feeding, and scheduling tips can be used for any dog, and if you are diligent and consistent, these tips will provide you with a Pitbull who will outlive any other breed. Now there are rescue societies and groups who understand what a Pitbull is, and they are working diligently to repair this breed's reputation. Own a Pitbull, and you will find that they are awesome dogs. About the Expert Catherine Thompson holds a Masters' Degree in Criminal Justice with an emphasis on grant writing.
