Pizza City Peter Genovese,2013-05-13 Pizza is a \$35 billion a year business, and nowhere is it taken more seriously than New York City. Journalist Peter Genovese surveys the city's pizza scene—the food, the business, the culture—by profiling pizza landmarks and personalities and rating pizzerias in all five boroughs. In this funny, fascinating book, Genovese explores the bloggers who write about New York pizza, the obsessive city dwellers who collect and analyze the delivery boxes, Mark Bello's school where students spend a day making pies from scratch, and Scott Wiener's pizza bus tours. Along the way, readers learn the history of legendary Totunno's on Coney Island (Zagat's number-one pizzeria for 2012), along with behind-the-scenes stories about John's on Bleecker Street, Joe's on Carmine, Lombardi's, Paulie Gee's, Motorino, and more than a dozen other favorite spots and their owners. Throughout these profiles, Genovese presents a brief history of how pizza came to the city in 1905 and developed into a major attraction in Little Italy, a neighborhood that became a training ground for many of the city's best-loved pizzerias. Enjoyable facts and figures abound. Did you know that Americans put 250 million pounds of pepperoni on their pies every year? Or that Domino's has more outlets per capita in Iceland than in any other country? Beyond the stories and tidbits, Genovese provides detailed, borough-by-borough reviews of 250 pizzerias, from simple "slice shops" with scant atmosphere to gourmet pizzerias, including shops that use organic ingredients and experiment with new variations of crusts and toppings. Complemented by hundreds of current and never-before-seen archival photos, the book gives the humble slice its proper due and will leave readers overwhelmed by a sudden desire for New York pizza.

I will sit there for hours, talking to customers, telling jokes, and waiting for children to come by. Any child passing me will be rewarded with a wooden nickel, good for a scoop of ice cream or bowl of frozen 'Joegurt, ' and that child will walk away standing a little taller, a little more confident in himself, and know, without a doubt, that they are a pretty special kid. Because Happy Joe said so. I am not only living proof of the American dream but proof that the American dream can become a reality for any one of us. This is my story. And yours. Happy Joe loves people, and it shows. He loves to have a good time and make people laugh, and that's just what his book does. Into The Cross-Walk Mark Chauvin,2011-12-05 In these pages you will find the story of my life, an average shmuck who's looking for that special formula to make life meaningful. In a very haphazard way, I explored the different avenues to fulfillment, or perhaps more exactly, I willingly responded to the blow of the wind. It cost me several years of my life, my only chance at education, my relationship with my parents and my formerly acute senses, but it is my belief that God himself had a plan for my life, and I was just thick-sculled enough to need those times to learn how wrong my choices could be. In the end, He directed me to Himself, and I've never been the same since...

The components of each pie-crust, sauce, spices, and much more-are dissected and celebrated, and recipes from top pizzerias provide readers with the opportunity to make and sample the pies themselves.
