Beginner's Pluck Liz Forkin Bohannon,2019-10-01 There's no lack of people out there telling you to find your passion and dream big. But why does it seem like when we try, we so often end up more lost and overwhelmed than when we started? Liz Forkin Bohannon wants you to rethink everything you've been told about finding your passion and following your dreams. Why? Hate to break it to you, but you're likely never going to find your passion. Because your passion and purpose are something you build--actively--day by day. In her signature tell-it-like-it-is fashion, Liz shares 14 actionable principles that will teach you how to do just that. With total transparency, Liz shares hilarious and heartbreaking stories of her journey of screwups and successes that illustrate the mindsets and principles that will give you a jolt of energy, inspiration, and direction toward your True North. By embracing your Inner Beginner, dreaming small, choosing curiosity over criticism, and so much more, Liz's story and the principles of Beginner's Pluck will have you on your way to building a life of purpose, passion, and lasting impact. Ready to rise to the occasion? It's time to make this life everything you want it to be. ***** Brave, practical, and true, Liz shares her magical journey for anyone brave enough (and generous enough) to want to go on the journey of a lifetime.--Seth Godin I met Liz more than a decade ago in Gulu, Uganda. Beginner's Pluck is a thoughtful book about what Liz has been strategically doing in the world, not merely optimistically hoping for. Her authentic voice is one I trust because I've seen what she's done. As you flip these pages, you won't want to be more like Liz. Instead, you'll want to figure out what your next steps are to release your passions, hopes, and love into a world which is in desperate need of someone just like you to engage it.--Bob Goff, hon. consul for the Republic of Uganda and author New York Times bestsellers Love Does and Everybody Always I am SO VERY GLAD this book exists. We have long needed Liz's expert voice speaking into the minds of dreamers and doers, the ones who have the ideas and want to execute, and the ones who are exhaustedly executing. We want purpose in our day, and Liz does it with her life and teaches it here.--Annie F. Downs, bestselling author of 100 Days to Brave and Remember God

The Pluck of the Irish Jim Hayden,2018 A unique anthology of 10 individuals who influenced, or were influenced by the University of Notre Dame make up the new, inspirational book, *The Pluck of the Irish: 10 Notre Dame sports figures who made a difference.* But it is not just about athletes. As noted in the second Foreward by former Los Angeles Times sports editor Bill Dwyre: Some of them are famous athletes - a quarterback who broke records, a running back who was a Vietnam war hero, a basketball star who pioneered race relations. There's a story about a hall-of-fame coach, a swimmer whose accident almost left her paralyzed, a broadcaster who wasn't good enough to play sports, but excels at describing them. There are stories about Pulitzer Prize-winning authors, who explained what happened on the playing field and also why. But the first profile is the story of a priest who made sure that everyone at Notre Dame was a good person as well as a good athlete, coach, or teacher; a leader, who made a difference at his university, and all over the world. That would be the Father Theodore Hesburgh, who served as the president at Notre Dame over a period of extraordinary change for 35 years from 1952-87. Written by Notre Dame alum Jim Hayden, it's a fun read for anyone who wants to understand the impact that an institution like Notre Dame can have, and how students, staff and administrators can have a profound impact on the university they attend. Muffet McGraw, the coach of Notre Dame's 2018 NCAA women's basketball championship team, details her journey as a high school point guard from Pottsville, Pennsylvania to being in charge of teaching inning basketball to young women. And how the son of a railroad boilermaker returned to Notre Dame after World War II because it was a place where good things happen to you. Johnny Lujack became the Heisman Trophy winner and a four-sport letterman. It finishes with a dozen facts and anecdotes about Notre Dame, including who wrote the greatest of all fight songs, the Notre Dame Victory March.
