*Post-Communist Mafia State* B lint Magyar,2016-03-01 Having won a two-third majority in Parliament at the 2010 elections, the Hungarian political party Fidesz removed many of the institutional obstacles of exerting power. Just like the party, the state itself was placed under the control of a single individual, who since then has applied the techniques used within his party to enforce submission and obedience onto society as a whole. In a new approach the author characterizes the system as the 'organized over-world', the 'state employing mafia methods' and the 'adopted political family', applying these categories not as metaphors but elements of a coherent conceptual framework. The actions of the post-communist mafia state model are closely aligned with the interests of power and wealth concentrated in the hands of a small group of insiders. While the traditional mafia channeled wealth and economic players into its spheres of influence by means of direct coercion, the mafia state does the same by means of parliamentary legislation, legal prosecution, tax authority, police forces and secret service. The innovative conceptual framework of the book is important and timely not only for Hungary, but also for other post-communist countries subjected to autocratic rules. ȳ

**Treat Your Poker Like a Business**, 2009-12 Poker star Dusty Schmidt presents his first book [■] one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at

age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book *☐Raise: The Impossibly True Tale of Dusty Schmidt*, ☐? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

**The Labyrinth Index** Charles Stross,2018-10-30 “A bizarre yet effective yoking of the spy and horror genres.” —The Washington Post Book World The Lovecraftian Singularity has descended upon the world in *The Labyrinth Index*, beginning an exciting new story arc in Charles Stross' Hugo Award-winning Laundry Files series! Since she was promoted to the head of the Lords Select Committee on Sanguinary Affairs, every workday for Mhari Murphy has been a nightmare. It doesn't help that her boss, the new Prime Minister of Britain, is a manipulative and deceptive pain in the butt. But what else can she expect when working under the thumb of none other than the elder god N'yar Lat-Hotep a.k.a the Creeping Chaos? Mhari's most recent assignment takes her and a ragtag team of former Laundry agents across the pond into the depths of North America. The United States president has gone missing. Not that Americans are alarmed. For some mysterious reason, most of the country has forgotten the executive branch even exists. Perhaps it has to do with the Nazgûl currently occupying the government and attempting to summon Cthulhu. It's now up to Mhari and her team to race against the Nazgûl's vampire-manned dragnet to find and, for his own protection, kidnap the president. Who knew an egomaniacal, malevolent deity would have a soft spot for international relations?
