Horse Diaries #10: Darcy Whitney Sanderson,2013-01-08
Ireland, 1917. Darcy is a light gray Connemara pony with silver dapples. She's fast and tough, whether she's pulling a load of peat from the bog or riding around the rugged countryside with Shannon McKenna, her human family's eldest daughter. But when Mrs. McKenna needs a doctor, Darcy discovers a skill that will change her and her family's life forever. Like *Black Beauty*, this moving novel is told in first person from the horse's point of view and includes an appendix full of photos and facts about Connemara

ponies and Irish history.

Cheyenne Frontier Days Starley Talbott,Linda Graves

Fabian,2013 Cheyenne Frontier Days(tm) originated in 1897 after a few individuals conceived a signature event as a way to revive the thrilling incidents and pictures of life in the Old West. Their vision included a celebration that would bring visitors from all over the world to the capital city of Wyoming. From its beginnings, Cheyenne residents valued a rural lifestyle that inspired them to create a frontier festival. For more than a century, Cheyenne Frontier Days(tm) has been the spirit, heart, and soul of the community and the cowboy way of life. Today, it has evolved into the world's largest outdoor rodeo and celebration of its kind.
