It's planned to improve them and increase their number.You can find more dictionaries in this store.

A Frequency Dictionary of Portuguese Mark Davies,Ana Maria Raposo Preto-Bay,2007-11-29 An invaluable tool for learners of Portuguese, this Frequency Dictionary provides a list of the 5000 most commonly used words in the language. Based on a twenty-million-word collection of Portuguese (taken from both Portuguese and Brazilian sources), which includes both written and spoken material, this dictionary provides detailed information for each of the 5000 entries, including the English equivalent, a sample sentence, and an indication of register and dialect variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are also thirty thematically-organized 'boxed' lists of the top words from a variety of key topics such as sports, weather, clothing and relations. An engaging and highly useful resource, A Frequency Dictionary of Portuguese will enable students of all levels to get the most out of their study of Portuguese vocabulary. Former CD content is now available to access at www.routledge.com/9780415419970 as support material. Designed for use by corpus and computational linguists it provides the full text in a format that researchers can process and turn into suitable lists for their own research work.

Portuguese Vocabulary Book Pinhok Languages,2022-05-01 Portuguese vocabulary book + Portuguese dictionary This Portuguese vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Portuguese-English as well as English-Portuguese dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Portuguese learning resource is a combination of Portuguese vocabulary book and a two-way basic Portuguese dictionary: Part 1 - Topic based Portuguese vocabulary book: This is the main part of the book and represents a list of chapters each containing Portuguese vocabularies for a certain topic. The Portuguese vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Portuguese dictionary: The index in the second half of the book can be used as a basic Portuguese dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Portuguese-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Portuguese words and directly find the English translation How to use this Portuguese vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Portuguese dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Portuguese translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Portuguese dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Portuguese and comes in particularly handy at times when there is no internet to look up words and phrases.

Conversational Portuguese Quick and Easy Yatir Nitzany, 2019-01-07 Have you always wanted to learn how to speak Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Portuguese, this book is not for you. However, if you need to actually hold a conversation while on a trip to Brazil or Portugal, to impress that certain someone, or to be able to speak with your grandfather or grandmother

as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what’s most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This isn’t a pronunciation book. Thus, this book is recommended for those with prior knowledge in pronunciation of the Portuguese language. However, for those who aren’t previously familiar, this book does provide some basic tools to teach pronunciation. The main thing this book offers is the necessary tools to become conversational in a foreign language in record time. As previously stated, though, with regards to grammar and pronunciation, you are on your own! This is one of the several, in a series of instructional language guides, the Nitzany Method’s revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Portuguese Quick and Easy, all you need are fifty-three pages. Learn Portuguese today, not tomorrow, and get started now!
