Order of the Centurion Jason Anspach, Nick Cole, 2018-09-21 A PRICE PAID IN BLOOD The Order of the Centurion is the highest award that can be bestowed upon an individual serving in, or with, the Legion. When such an individual displays exceptional valor in action against an enemy force, and uncommon loyalty and devotion to the Legion and its legionnaires, refusing to abandon post, mission, or brothers, even unto death, the Legion dutifully recognizes such courage with this award. Tired of sitting out the war on Psydon in a mobile office hab, Legion Lieutenant Washam agrees to undertake a covert and unsanctioned mission with a band of Republic Recon Marines. Inserted deep behind enemy lines, the strike force uncovers a surprise key to ending a bitter war. Now they must navigate a hostile jungle teeming with murderous alien rebels, pushing themselves to the limits of their abilities, to get this vital intel to Legion Command--if they can survive that long. THE ORDER OF THE CENTURION is an all-new series of stand-alone military science fiction thrillers set in the GALAXY'S EDGE universe, ranging from the Savage Wars to the arrival of the Black Fleet. Each book features the legendary heroes of the Legion who forgot nothing in their earning of the Legion's highest honor.

Discount Armageddon Seanan McGuire, 2012-03-06 First book in New York Times-bestselling Seanan McGuire's witty urban fantasy InCryptid series about a family of cryptozoologists who act as a buffer between humans and the magical creatures living in secret around us. The only thing more fun than an October Daye book is an InCryptid book. -Charlaine Harris, #1 New York Times-bestselling author of Sookie Stackhouse series Cryptid, noun: Any creature whose existence has not yet been proven by science. See also Monster. Cryptozoologist, noun: Any person who thinks hunting for cryptids is a good idea. See also idiot. Ghoulies. Ghosties. Long-legged beasties. Things that go bump in the night... The Price family has spent generations studying the monsters of the world, working to protect them from humanity-and humanity from them. Enter Verity Price. Despite being trained from birth as a cryptozoologist, she'd rather dance a tango than tangle with a demon, and is spending a year in Manhattan while she pursues her career in professional ballroom dance. Sounds pretty simple, right? It would be, if it weren't for the talking mice, the telepathic mathematicians, the asbestos supermodels,

and the trained monster-hunter sent by the Price family's old enemies, the Covenant of St. George. When a Price girl meets a Covenant boy, high stakes, high heels, and a lot of collateral damage are almost guaranteed. To complicate matters further, local cryptids are disappearing, strange lizard-men are appearing in the sewers, and someone's spreading rumors about a dragon sleeping underneath the city...
