David Young

Power Golf Ben Hogan,2010-11-02 Master golfer Ben Hogan (1912-1997) is widely acknowledged as one of the greatest players in the history of the sport, most notably for his legendary ball-striking ability. There are numerous theories as to what made Hogan's swing so effective and in *Power Golf*, now available in a trade paperback format, he shares a lifetime of championship secrets for improving every phase of the game. Regardless of their level of golfing expertise, readers are guaranteed to see a difference the next time they pick up their club!

Super-power Golf Gary Wiren,Dawson Taylor,1984

Power Golf for Women Jane Horn,1999 One of the biggest obstacles women face in their golf game is the belief that they don't have the strength or power to achieve distance. According to expert golfer Jane Horn, the idea that physical strength has anything to do with it is completely untrue. The problem is a misconception about how power is generated.

The Masters Curt Sampson,1999-03-16 The Masters golf tournament weaves a hypnotic spell. It is the toughest ticket in sports, with black-market tickets selling for \$10,000 and more. Success at Augusta National breeds legends, while failure can overshadow even the most brilliant of careers. But as Curt Sampson, author of the bestselling *Hogan*, reveals in *The Masters*, a cold heart beats behind the warm antebellum façade of this famous Augusta course. And that heart belongs to the man who killed himself on the grounds two decades ago. Club and tournament founder Clifford Roberts, a New York stockbroker, still seems to run the place from his grave. An elusive and reclusive figure, Roberts pulled the strings that made the Masters the greatest golf tournament in the world. His story—including his relationship with presidents, power brokers, and every golf champion from Bobby Jones to Arnold Palmer to Jack Nicklaus—has never been told. Until now. *The Masters* is an amazing slice of history, taking us inside the presidency of Dwight D. Eisenhower, Augusta's most famous member. It is a look at how the new South coexists with the old South: the relationships between blacks and whites, between Southerners and Northerners, between rich and poor—with such characters as James Brown, the Godfather of Soul; the great boxer Beau Jack; and Frank Stranahan, the playboy golfer and the only white pro ever banned from the tournament. *The Masters* is a spellbinding portrait of a tournament unlike any other.

Power Golf Ian Woosnam,Bruce Critchley,1991 This top European professional takes the reader through the bag in this guide to the golden golf swing-- foolproof and repeatable. Black & white photographs.

Filled with more than 100 photos and charts, this volume shows golfers ways to increase their strength and flexibility, the two key factors to a better swing.

Hit it Hard! Mike Dunaway,John Andrisani,1992 Demonstrates how golfers can increase their range of motion to generate more power.

The Michelle Wie Way John Andrisani,2009-10-31 When Michelle Wie became the youngest player to qualify for the LPGA at age 12, she turned heads with her ability to drive the ball with startling distance and accuracy. The buzz about the female Tiger Woods reached a fever pitch upon her decision to turn pro at the age of 16. Dissecting one of the most envied swings in golf today, John Andrisani demonstrates the five keys to mastering Wie's power swing: the grip and setup, powering your backswing, creating a flat spot, improving tempo, and shifting balance to change the dominant side. With detailed, stepby- step photographs from renowned golf photographer Yasuhiro Tanabe, Andrisani breaks down Wie's swing into easy-to-follow instructions.

Breakthrough Power for Golfers David Young,2012 Tom Watson said, My golf swing is a bit like ironing a shirt. You get one side smoothed out, turn it over and there is a big wrinkle on the other side. Then you iron that one out, turn it over and there is yet another wrinkle. Perhaps you can relate. Golf is challenging - but that's why we can't wait to get on the course again. There are no shortcuts to lowering your handicap, but there are proven techniques that will help you play smarter and better. Breakthrough Power for Golfers provides daily tips for improving your game, and it gives you tools for building a successful and rewarding life. For each day of the year, Breakthrough Power for Golfers provides four great quotes, usually from golfers known for their outstanding accomplishments. The first quote is humorous, which will put you in a good mood ready to face life's challenges. The other quotes will help you: 1) build an unshakeable foundation, 2) maintain a competitive edge, 3) pursue and fulfill your dreams, 4) impact others, 5) improve your relationships, and 6) find time for renewal. You can read all four quotes in one minute, so you can squeeze them in before you start your breakthrough day. You can lower your handicap - and live an extraordinary life.

The Tiger Woods Way John Andrisani,2007-12-18 Tiger Woods' swing mechanics--superefficient and fundamentally sound--enable him to consistently drive the ball well over 300 yards, farther than anyone currently on the Tour. In *The Tiger Woods Way*, GOLF Magazine's former senior editor of instruction, John Andrisani, shares his analysis of Tiger's flawless swing technique to help golfers of all levels learn how to increase their driving distances and improve their games. Drawing from his independent study and analysis of Tiger's game, John Andrisani offers detailed, easy-to-follow instructions on Tiger Woods' swing in four simple chapters: Getting Ready for Action Explains Tiger's unique setup position, which borrows key elements from Jack Nicklaus' and Ben Hogan's own techniques. Building Power Shows you how to increase the resistance between your upper and lower body to help you make Tiger's powerful takeaway action your own. Unleashing Power Outlines Tiger's ideal impact body-and-club position to enable you to hit solid shots consistently. Iron Power Reveals the fundamentals of Tiger's iron swing to allow you to hit the ball stiff to the flag.

The Power of Mental Golf Kerry R. Graham, Ricki Linksman, 2016-12-06 Golfers are an interesting breed. And, if you ask Kerry Graham, an LPGA Hall of Fame golf instructor, she will tell you that golfers tell her that her instruction techniques and teaching style have made them believers: Change Your Golf... Change Your Life. Because for many golfers (crazy as it may sound...) golf and life are so connected that when golfers are playing to their potential... all is right with the world. Confidence and consistency are sought by every golfer and this book delivers strategies that can deliver those two key components to better golf and an enhanced enjoyment of the game. In *The Power of Mental Golf* Kerry has teamed up with Ricki Linksman, a woman who has dedicated her life to understanding how our brains work and the pivotal role they play in how we learn--and how we retain what we learn. *The Power of Mental Golf* delivers: * Breakthrough Golf learning System Technology * Strategies for Managing Your Golf Brain * Tips for Learning how to get out of Swing Mechanics Jail * The Real Truth about Club Fitting * Ways to take your Range Game onto the Golf Course * What you need to do to ... Get in the Zone!

Peter Croker's Path To Better Golf Peter Croker, 2002-03-05 In his *Path to Better Golf*, Peter Croker sets out to completely change the way golfers learn to swing the club. He begins by stripping away all the misinformation that golfers have picked up while trying to improve their game. Then he introduces his Push action movement designed to help create a more natural and coordinated swing. The Push Action Swing requires very little practice to perfect and allows golfers to hit the ball more powerfully and accurately with less stress on the back. Croker demonstrates that like hockey and baseball, golf is a hitting game. At the basic level, you need to learn how to hit the ball instead of relying on a technique to do it for you.
