Take Back Your Power Deborah Liu,2022-08-09 You can't make the world fair, but you can take back your power. As a woman in Silicon Valley who worked her way to the top of the corporate ladder--she's a former VP at Facebook and the current president and CEO of Ancestry--Deborah Liu knows firsthand the challenges and obstacles in the workplace that keep the deck stacked against women in the workplace . . . and the ways to overcome them. For every woman who grew up competing on the uneven playing field, who is told she is too aggressive, assertive, dramatic, or emotional, this book is the battle cry you need to learn to thrive within the system that exists today, even if it's not the one we wish it were. Take Back Your Power presents both hard data and Liu's personal experiences from twenty years as a woman leader in the male-dominated tech industry to help you: Find your voice, learn how to ask, and achieve what you want in a system that isn't fair and wasn't created for you Debunk the negative connotations of power and harness it for your own success Discover how to be heard, seen, and taken more seriously at work by getting out of your own way Overcome the lie that success is only achieved alone by finding the four types of allies you need to reach your goals Become a great leader without losing yourself in the process You have the power to change the future of work for yourself--and for women everywhere.

Supreme Conqueror Bill Donahue,2010-08-22 Jesus' strategy for victory was countercultural. The Bible describes him as a conquering hero--but a hero who had to die first. In our world, conquering heroes achieve victory by force, not submission; with power, not weakness; with superior weapons and troops, not alone and empty-handed. Jesus conquered through weakness, submission and death. Jesus is the Supreme Conqueror, and in the pages of this

guide by Bill Donahue, you can explore the results of Jesus' victory for yourself. The Jesus 101 Series engages both mind and heart. The sessions bring a fresh perspective on who Jesus is, how he interacted with people in Scripture and how he relates to us. The discussion questions are designed particularly to help a group to learn from each other but also provide an interesting context for individual reflection. As you discover the ways Jesus fulfills our lives, you may fall in love with him again--or for the first time.

Principalities and Powers Jamie Pitts,2013-07-12 Evaluations of John Howard Yoder's legacy have proliferated since his death in 1997. Although there is much disagreement, a broad consensus is forming that his theology was, on the one hand, focused on the social and political meaning of the New Testament accounts of Jesus Christ and, on the other hand, sociologically reductive, hermeneutically tendentious, and ecclesiologically ambiguous. This book proposes a revision of Yoder's theology that maintains its broadly sociological emphasis but corrects for its apparent problems. In specific, adjustments are made to his social theory to open it to spiritual reality, to hone its analytical approach, and to clarify its political import. His preferred framework for social criticism, the theology of the principalities and powers, is examined in the context of his wider work and its critics, and then synthesized with concepts from Pierre Bourdieu's influential reflexive sociology.

With these down-to-earth principles, Jimmy Evans gives you a map to navigate your new life. He explains how to: -Connect with God - Relate to other Christians -See the Bible as relevant -Understand church customs -Find freedom from past hurts
