Quantum of Nightmares Charles Stross, 2022-01-13 It's a brave new Britain under the New Management. The Prime Minister is an eldritch god of unimaginable power. Crime is plummeting as almost every offense is punishable by death. And everywhere you look, there are people with strange powers, some of which they can control, and some, not so much. Hyperorganised and formidable, Eve Starkey defeated her boss, the louche magical adept and billionaire Rupert de Montfort Bigge, in a supernatural duel to the death. Now she's in charge of the Bigge Corporation, just in time to discover the lethal trap Rupert set for her long ago . . . Wendy Deere is investigating unauthorized supernatural shenanigans. She swore to herself she wouldn't again get entangled with Eve Starkey's bohemian brother Imp and his crew of transhuman misfits. Yeah, right. Mary Macandless has powers of her own. Right now she's pretending to be a nanny in order to kidnap the children of a pair of famous, Government-authorized adepts. These children have powers of their own, and Mary Macandless is in way over her head. All of these stories will come together, with world-bending results... 'For all of Stross's genuine ability to spook and dismay, The Laundry Files are some of the most tremendously humane books I've ever read' Tamsyn Muir, author of *Gideon the Ninth*

I-CONnect-Clough Center 2019 Global Review of Constitutional Law Richard Albert, David Landau, Pietro Faraguna, Simon Drugda, 2020-11-25 Welcome to the fourth edition of the I-CONnect-Clough Center Global Review of Constitutional Law. We were unsure whether the worldwide public health emergency would permit its publication. We are therefore immensely grateful to our dedicated team of collaborators for making this possible. The Global Review was born in 2017, with the publication of the 2016 Global Review. Our articulated goal at that time remains the same today: to offer readers systemic knowledge about jurisdiction-specific constitutional law that has previously been limited mainly to local networks. The Global Review seeks to increase the base of knowledge upon which scholars and judges can draw; we do this by making public law developments around the world available to all in an easily digestible format. Our ambition is to make our vast world smaller, more familiar, and more accessible. This year the Global Review features over 70 jurisdictions. We continue to grow, slowly but steadily. With the help of our current roster of contributors and with new interest from our readers and others, we hope every year to continue to expand our coverage of the world.

A Cargo of Women Babette Smith, 2008-10-01 Intrigued to discover a convict ancestor in her family tree, Babette Smith decided to investigate her life and the lives of the 99 women who were transported with her on the ship *Princess Royal* in 1829. Piece by piece she reveals the story of her ancestor the indomitable Susannah Watson who, trapped in the crowded filthy slums of Nottingham, stole because she could not bear to see her children starving'. Separated forever from her husband and four children, she was transported to Australia for 14 years. She endured the convict system at its worst, yet emerged triumphant to die in her bed aged 83 singing *Rock of Ages*'. Babette Smith reconstructs the lives of the women from the *Princess Royal* from fragments of information in shipping lists, official records, newspapers and court transcripts. Her research overturns stereotypes of women

convicts as drunken whores and criminals. Caught in an England convulsed by change, they become the unwitting and unwilling pioneers of a new land. Many proved to be resourceful and resilient, taking advantage of the opportunities offered by a new society. First published two decades ago, *A Cargo of Women* became a bestseller and remains one of the most valuable accounts of convict life in Australia. This new edition includes further information about the women from the Princess Royal and new illustrations. 'Smith comes as close as any historian has come to reconstructing the complex experience of a convict woman an absorbing story.' - Kay Daniels, Australian Historical Studies

Dead in the Family Charlaine Harris, 2011-03-29 In the tenth novel in the #1 New York Times bestselling series—the inspiration for the HBO® original series *True Blood*—Sookie Stackhouse learns that not even her psychic abilities can help her solve all the problems in Bon Temps, Louisiana... After enduring torture and the loss of loved ones during the brief but deadly Fae War, Sookie Stackhouse is hurt and she's mad. Just about the only bright spot in her life is the love she thinks she feels for vampire Eric Northman. But he's under scrutiny by the new vampire king because of their relationship. And as the political implications of the shifters' coming-out are beginning to be felt, Sookie's connection to one particular Were draws her into the dangerous debate. Also, unknown to her, though the doors to Faery have been closed, there are still some fae on the human side—and one of them is angry at Sookie. Very, very angry.

Confessions of the World's Best Father Dave Engledow, 2014 As seen on CBS Sunday Morning · A hilarious pictorial parody of a clueless father and his adorable daughter In an attempt to create an image that his new daughter would one day appreciate, Dave Engledow took a photo in which he's cradling eight-week-old Alice Bee like a football and doctored it to look like he's squirting breast milk into a World's Best Father mug. Friends and family clamored for more. After Dave's humorous attempts to capture the sleep-deprived obliviousness of being a first-time dad went viral, he and Alice Bee found themselves bona fide Internet and television celebrities. Merging a Norman Rockwell aesthetic with a darkly comic sensibility, Dave pairs each side-splittingly funny image with a log entry describing the awkward situation that the World's Best Father has found himself in. Hilarious and heartwarming, *Confessions of the World's Best Father* is a celebration of the early years of parenthood.

Mallard Fillmore-- Bruce Tinsley, 1995 Mallard Fillmore lampoons everything from political correctness to Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.

America Brainwashed! Billie Gorham, 2020-09-24 When I was in South Africa, the children in the public schools were singing, Jesus loves me. When I told them that we in America could no longer do that, one of the high school girls asked me two questions: Is that true? and Why did you let it happen? That is what I am wondering as I write this book. How did this happen in America? Why did we allow it to happen? What are we going to do about it?

When You Only See One Set of Footprints Darlene Jackson, 2012-03-01 As I was called, like Abraham, to leave my father's house and follow Christ, my journey would take me and my children to many places which God has caused us to Triumph in Christ Jesus. I was told to share my story and write the things I've seen and heard and lived through so others can know they too can do the same when they put ALL of their Trust in the Holy God of Israel. *When You Only See One Set of Footprints* is like an open letter to all Living Epistle, for my life has seen everyday living and living for Christ. To give people hope no matter where you are, He can be there, also to show my children and others what Faith looks like despite what people think it ought to look like, to give people hope and encouragement to follow God to the end. This was also a walk for the destroying of Generational Curse so my children (Donelle, Nathifa, Monae, Dominique, Nakeya, Simone), and now my grandson

(Nook, Nook), would not have to encounter because I have gone before them to destroy all curses in their path. To bring about transparency in this walk and to show We can come through all things through Christ who strengthens us, so may all be encouraged as well as inspired to continue in the faith and to fight the good fight of faith and know you fight not alone, for you too can see there were only one set of footprints. God Bless.

Psychoneuroimmunology Robert Ader,David L. Felten,Nicholas Cohen,1991 The first edition of Psychoneuroimmunology collated the information then available that implicated neural and endocrine processes in the modulation of immunity in an attempt to identify and define a new field of study. This edition documents the past ten years of research and provides evidence of behavior-neural-endocrine-immune interactions.

Beat the Players Bob Nersesian,2006-07 This book should be read by everyone who sets foot in a casino --- average casino patrons, skilled players, casino employees, and anyone else. It should be required reading for police officers, regulators, other public officials, and attorneys who may represent any of the aforementioned. Bob Nersesian is an attorney who represents victims of casino wrongdoing against patrons. In an enjoyable writing style, he takes a look at the often too-cozy relationship between casinos, police, and regulators. He discusses specific cases and dispenses sound, practical advice that patrons, casinos and public officials would be wise to heed. Cases discussed include Nevada and other jurisdictions.
