**Ask a Manager** Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Earth Force** Shemer Kuznits,2019-04-30 On the first day, a mist descended from the heavens blanketing Earth. On the second day, a cryptic message, 'Infusion commencing', appeared in the corner of everyone's eyes. On the third day, the sick were healed and the crippled walked again. On the fourth day, celebration and joy spread across the globe. And on the fifth day, the warping began...There was no warning. A mist descended from the sky, disabling all technology and causing a weird message to appear at the corner of everyone's eye. The situation grew even worse as animals and people started to warp, transforming into terrible monsters that prey on the livings. Within months, human civilization had crumbled. Unable to fight the seemingly-indestructible beasts, the survivors are reduced to cowering in reinforced shelters. Waiting for the end to come. Helpless. All seemed lost until a few brave souls discovered the secret of their new reality: the Tec and how to use it to level up. Together they represent humanity's last best hope for salvation. But they first must find the answers to the mystery of their new existence. Their journey will require them to quickly adapt to alien technology, operate strange spaceships, and even befriend an extra-terrestrial merchant with an Inferiority Complex.
