📖 **THE MINISTRY OF THE WORD, Vol. 22, No. 6** Various Authors, This issue of The Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim, California, April 13-15, 2018. The general subject of this series of messages is Taking Christ as Our Person and Living Him in and for the Church Life. God’s intention in His economy is to work Himself into us not only as our life but also as our person. A wonderful person, Christ as the life-giving Spirit, came into our spirit, regenerated our spirit, and mingled Himself with our spirit, causing our spirit to become our inner man with Christ as the person indwelling our spirit. When we are strengthened with power into our inner man, the Christ in our spirit is able to spread into our heart. Our heart is the acting agent that represents us. As regenerated persons, our inner man is now our real person. Our inner man is now Christ as our person. If we live by the outer man, the old man, it is impossible to have the church life. In order for Christ to be our person, He needs to make His home in our heart; that is, He needs to be able to actually live in our heart. Then we will live Him by walking according to the spirit. When we allow Christ to actually live in our heart, He becomes our person in practice. The most important quality with regard to a leading one is his person, not his capacity, ability, or gift in carrying out a work, serving, or taking the lead. A leading one must have an enlarged heart. Pride, an expression of foolishness, comes from having a narrow heart. A leading one should have an enlarged and loving heart, and he should have a powerful and exercised spirit; that is, he should be dominated, governed, directed, led, and controlled by his spirit. When a leading one has been fully reconciled to God and has been enlarged in heart, he can represent God rightly in His economy. Every day we need to live Christ in and for the church life by walking according to the spirit. If we would live Christ, we must take Him as our person and live one person with Him. The Lord Jesus was the Pioneer, the model, example, and pattern of how all believers should live today. The first God-man lived out another person--the Father. In Jesus we see not only the man but also God living in, through, and as that man. Living Christ and walking according to the spirit are actually one matter. Living Christ requires that we love Him to the uttermost. If we do not love the Lord, we cannot live Him. The practical way to live Christ is to walk according to the spirit. Ultimately, the Bible requires only one thing of us--that we walk according to the mingled spirit. To walk in the spirit is to do everything in our daily life according to the spirit. The central thought of the Bible is that God desires us to live Christ for the building up of the Body of Christ. The Lord’s shepherding in His heavenly ministry is to take care of the church, which is His Body. Christ has incorporated the apostolic ministry into His heavenly ministry in order to shepherd God’s flock, the church, which issues in the Body of Christ. The elders must preach the gospel by the way of shepherding, and they must bring in a revival by the way of shepherding. They must shepherd the saints in everything and in every way for the dispensing of Christ into them. We all need to shepherd people according to the pattern of the Lord Jesus, cherish the saints in the humanity of Jesus, and nourish them in the divinity of Christ. If we all participate in Christ’s shepherding, there will be a revival in the Lord’s recovery. The Reports and Announcements section contains an announcement for a Church Book Service Workshop and an update on the construction of the Woodland Camp training facility in the northeast part of London, England. Also included at the end of this issue is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe.

📖 **Mahjong** Annelise Heinz, 2021-04-05 How has a game brought together Americans and defined separate ethnic communities? This book tells the first history of Mahjong and its meaning in American culture. Click-click-click. The sound of Mahjong tiles connects American expatriates in Shanghai, Jazz Age white Americans, urban Chinese Americans in the 1930s, incarcerated Japanese Americans in wartime, Jewish American suburban mothers, and Air Force officers’ wives in the postwar era. Mahjong: A Chinese Game and the Making of Modern American Culture illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of popularity over the twentieth century. Annelise Heinz narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women’s culture. As it traveled from China to the United States and caught on with Hollywood starlets, high society, middle-class housewives, and immigrants alike, Mahjong became a quintessentially American game. Heinz also reveals the ways in which women leveraged a game to gain access to respectable leisure. The result was the forging of friendships that lasted decades and the creation of organizations that raised funds for the war effort and philanthropy. No other game has signified both belonging and standing apart in American culture. Drawing on photographs, advertising, popular media, and dozens of oral histories, Heinz’s rich and colorful account offers the first history of the wildly popular game of Mahjong.

📖 **THE MINISTRY OF THE WORD, Vol. 2, No. 9** Various Authors, 2017-04-02 This issue of The Ministry contains the first and second of a series of crucial messages given by Brother Lee to the co-workers in Southern California in August 1996 concerning the principles of fruit-bearing and of shepherding the young ones in corporate living. The first principle of fruit-bearing is that it is not by mass production. The second principle of fruit-bearing as seen in John 15 is that each branch bears its own fruit. As branches of Christ, our unique responsibility is to bear fruit. Brother Lee’s burden in the second message is expressed in the following excerpt: “I want to shepherd and disciple you from the Bible so you can see this matter and have a change. I am discipling you to change your concept. The God-man concept is that Christ came to save sinners, especially the top sinners....If we lose this spirit, whether we are elders, co-workers, or serving ones, we are finished. This is the main reason why we are so barren, bearing no fruit for so many years” (p. 24). Our need is to learn of the Lord to shepherd people according to His heart of love. Love covers many sins. To uncover is not love. Covering brings in blessing, but uncovering brings in a curse. The next three messages in this issue are Messages Seven, Eight, and Nine from the Crystallization-study of the Epistle to the Hebrews, which were given in the Living Stream Ministry’s Summer Training of 1998. Message Seven emphasizes the main point of Christ being our High Priest—He ministers God into us. Message Eight stresses the wonderful fact that Jesus as the Apostle came to us with God to share God with us that we might partake of His divine life, nature, and fullness so that we might be formed and constituted into His church, the house of the living God. The subject of Message Nine is the Sabbath rest, which is simply God’s satisfaction in His heart’s desire. When man is on
