One Coach's Journey from East to West Vladimir Zaglada,2010-12-31 ONE COACHS JOURNEY FROM EAST TO WEST: HOW THE FALL OF THE IRON CURTAIN CHANGED THE WORLD OF GYMNASTICS Until the fall of the Soviet Union the West and the Communists were engaged not only in a heated arms race but a race for Olympic gold, and Moscow poured tremendous resources into the effort, attracting some of the country's greatest minds. Author Vladimir Zaglada provides a look inside some of the Soviet Unions gymnastics think tanks, such as the Moscows Lenin Institute. One Coach's Journey from East to West also introduces us to some of the brilliant and colorful figures that have advanced the art of gymnastics and examines how the flood of coaching talent into the West has shifted the balance of power. The force of this flood has been somewhat impeded by cultural and language barriers, which are also discussed in the book. Hot topics such as the relentless increase in the difficulty level of artistic gymnastics are also discussed and a number of technical issues are covered, complete with illustrations. Zaglada provides a rare look inside the world of Soviet gymnastics at its height and provides information never before published in English. Did the machinery that cranked out Soviet gymnastics champions allow for a happy childhood? Why has the balance of power in gymnastics shifted in America's favor but will Russia retake the throne? The rigid line between amateurs (who are true professionals in almost all senses of the word) and professionals is the amateur in amateur gymnastics sacred? Is there an ideal physique for women's gymnastics? How much of current American coaching practice can be traced back to Soviet sports institutes? Ever heard of the profile system? What is the difference between an Arabian, an Onodi, and a Mostepanova? Why a few basic terms are constant sources of confusion. How effective was the system of incentives for Soviet gymnasts and coaches? How did the nomenklatura system of privileges and patronage impact Soviet gymnastics?

A Coaching Life Gary Blair,Rusty Burson,2017-01-27 “It’s still difficult to describe the scene after the final buzzer sounded, because the moment was just so damned surreal,” writes head coach Gary Blair following the conclusion of the title game of the 2011 NCAA Division I women’s basketball tournament. “So many things happened that I will never forget . . . kissing my wife on the floor of Consecro Fieldhouse . . . looking toward the stands, where my grandson was . . . flashbulbs popping as the Aggie Band played triumphantly . . . our players and coaches wildly celebrating the biggest win in women’s basketball history at Texas A&M . . . tears streaming down the faces of former players . . . I remember thinking that I wished I could somehow stop time.” This memory and countless others form the greatest treasure of Coach Blair’s life, as he makes clear in this engaging, inspiring memoir, written with veteran sports journalist and author Rusty Burson. Indeed, as Blair says, “What I cherish the most are the memories of these players and coaches.” Beyond the trophies, beyond the impressive won-lost record compiled over more than four decades of coaching, beyond even the ungrudging professional respect he has achieved among his peers in a fiercely competitive occupation, Gary Blair values the images, moments, and memories collected during a life spent doing what he loves most: coaching and mentoring young women on the basketball court. In A Coaching Life, Coach Blair offers readers a “freeze-frame” view of a storied career. He serves up more than a few of his favorite memories with wit, grace, and humility. In the process, he invites readers to reflect on life’s wins and losses and, most importantly, what both have to teach us.
