

Private Coach

Brian Underhill,Jonathan Passmore,Marshall Goldsmith

Coach Yourself to Success, Revised and Updated Edition Talane Miedaner, 2000-11-01 In *Coach Yourself to Success* Talane Miedander shares the same core principles that she applies when personally coaching executives and international business leaders from companies such as AT&T, Chase Manhattan Bank, and Giorgio Armani. Talane shows readers how to tap into their natural motivation and leverage their strengths to achieve the results they desire.

Coach Me! Your Personal Board of Directors Jonathan Passmore, Brian Underhill, Marshall Goldsmith, 2021-12 **COACH ME! YOUR PERSONAL BOARD OF DIRECTORS** An indispensable wellspring of advice from the world's foremost leadership experts In *Coach Me! Your Personal Board of Directors: Leadership Advice from the World's Greatest Coaches*, a team of world-renowned executive coaches and leadership experts delivers a revolutionary collection of contributions from 52 of the globe's leading management thinkers. Each curated piece explores a critical issue in leadership, covering topics like self-awareness, communication, interpersonal relationships, emotional intelligence, delegation, coaching, change management, transition management, execution, and career development. Among the 50 stories included within, readers will find inspirational and practical advice based on real-world leaders who were forced to transform their company's business model, their organization, or themselves to achieve success. Each concise, actionable chapter lets you be a fly on the wall of a successful leader demonstrating a solution to a commonly encountered leadership problem. *Coach Me! Your Personal Board of Directors* also provides: Thorough introductions to self-examination and self-awareness, including maximizing the impact of feedback and proven techniques to ensure your leadership measures up Comprehensive explorations of communication and interpersonal relationship skills, including treatments of authenticity and cultural fluency Practical

discussions of emotional intelligence, including the management of out-of-control feelings and conflict management In-depth examinations of change and transition management, including explorations of the first 100 days as a new leader and how to lead teams through crises Perfect for managers, executives, and business leaders of all kinds, Coach Me! Your Personal Board of Directors: Leadership Advice from the World's Greatest Coaches will also earn a place in the libraries of the coaches, consultants, and other professionals who work with leaders in government, business, and the nonprofit sectors.

Anatomy of a Premise Line Jeff Lyons, 2015-06-05 If a story is going to fail, it will do so first at the premise level. Anatomy of a Premise Line: How to Master Premise and Story Development for Writing Success is the only book of its kind to identify a seven-step development process that can be repeated and applied to any story idea. This process will save you time, money, and potentially months of wasted writing. So whether you are trying to write a feature screenplay, develop a television pilot, or just trying to figure out your next story move as a writer, this book gives you the tools you need to know which ideas are worth pursuing. In addition to the 7-step premise development tool, Anatomy of a Premise Line also presents a premise and idea testing methodology that can be used to test any developed premise line. Customized exercises and worksheets are included to facilitate knowledge transfer, so that by the end of the book, you will have a fully developed premise line, log line, tagline, and a completed premise-testing checklist. Here is some of what you will learn inside: Ways to determine whether or not your story is a good fit for print or screen Case studies and hands-on worksheets to help you learn by participating in the process Tips on how to effectively work through writer's block A companion website (www.routledge.com/cw/lyons) with additional worksheets, videos, and interactive tools to help you learn the basics of perfecting a

killer premise line

Private Lessons Whitney Bartiuk, 2020-08-16 Have you ever heard yourself saying something like, Olivia is such a natural athlete. If she just worked on her timing a little more she'd be a beast at the net! If so, you should probably be teaching private lessons. If you've coached for a couple of seasons, you've got the experience to help. What holds coaches back, though, isn't a lack of interest. It's not knowing where to begin. Why coaches don't offer private lessons: They don't know... Where to hold private lessons. Who would take lessons from them. How much to charge. If they should even charge at all. What drills they would use. And the list goes on and on. Don't worry, I get it. These are the same reasons I put off lessons for a long time, too. But once I got started, man did I love running private lessons! Not only do lessons help athletes grow tremendously in a short amount of time... they're pretty fun for you, too! And if you bring value to your athletes, you can even turn these lessons into a profitable side-hustle (you know, if you want). A few topics covered in this book: The absolute first thing to do before you offer anyone a private lesson. The equipment I recommend (and what impresses players and parents the most). How to price your lessons. Creating rules and policies so you don't get burned. The types of players you'll work with. Best practices for interacting with parents. A template you can use for every lesson. 10 volleyball drills I use in almost every lesson. And that's just scratching the surface! I want you to feel fully prepared, so I share everything I know about running lessons with you. On top of that, I give plenty of examples throughout the book of things I've experienced. My advice isn't just based on concepts and theories... it's based on what I've seen work in the real world. I'm going to be blunt with you. I hope you get this book. Why? Because I believe that we coaches have the power to change our communities. Every lesson is an opportunity to help an athlete develop their skills, feel confident in their abilities, and build up their self-esteem. Knowing

how to get started is the first step towards making that impact. So stop thinking about running lessons. Make the choice to get started! About The Author Whitney Bartiuk is a long time volleyball coach dedicated to helping others succeed. She is the host of the top-rated volleyball podcast Get The Pancake, creator of www.getthepancake.com, and author of *Coaching Volleyball: A Survival Guide For your First Season*.

Coaching Up! Inspiring Peak Performance When It Matters Most Jordan Fliegel, 2016-10-03
Connect, engage, motivate, and inspire using top coaching techniques *Coaching Up!* is about inspiring those who matter to you to achieve peak performance. Whether you are a coach, a business leader, a civic activist, a teacher, a counselor, or a parent, this book will offer you a powerful, highly effective way to connect to the people you care about and move them forward toward their best selves. In sports, coaches have developed ways of connecting with their players quickly in the heat of the battle, inspiring them to perform to their fullest potential and leave it all on the field. Interestingly, although these techniques have not been codified, great coaches have independently developed remarkably similar models. This book aligns these techniques and distills their essence into a fundamental skill set that anyone can use to connect with, support, and inspire his or her colleagues, teammates, friends, and family members. At its foundation, great coaching is based on a solid set of techniques that can be applied to all areas of life. Essentially, those skills boil down to forging authentic connections, providing genuine support, and offering concise direction. While our everyday pressures may be less intense than those of a championship, the long-term game is even more important. Why not borrow from the best to develop the skills and abilities to win every day? Inspire and motivate people to higher performance Improve communication in high-stakes situations Be more effective both professionally and socially Getting inside the way great coaching works gives you an

unparalleled glimpse at the core of inspiration. A great coach can make the difference between a mediocre player and a world champion. What would that difference look like if you could inspire every colleague in your business? Everyone who matters to you in your personal life? You can be the source of empowerment and motivation that helps the people around you reach higher, go further, and achieve more. Coaching Up! gives you the game plan—and shows you how to run the plays.

The Elementary Principal's Personal Coach Diana Raney Williams, Essie Hayden Richardson, 2010-06-16 Packed with scenarios, coaching questions, journaling sections, and professional development opportunities, this resource supports elementary principals as they handle the day-to-day challenges of school leadership.

Your 5-Minute Personal Coach Valorie Burton, 2012 Everyone talks about letting their dreams take flight and living their life with purpose...but who has time for something like that? In popular author and speaker Valorie Burton's latest book, readers will learn that change happens one action at a time, one day at a time. Based on Valorie's inspirational e-newsletter column The Coaching Session, Your 5-Minute Personal Coach will spur readers on to real transformation in the five key areas of their lives—professional, financial, relational, physical, and spiritual. It will help readers find harmony, eliminate distractions, fulfill their purpose, clarify their vision, and begin taking steps to fulfill that vision. Readers will learn: the surprising truths about money and happiness; how to say no in a sticky situation; how to love and be loved; how to give God control over their worries; and how to stay focused on solutions, not problems. Intended as a personal companion for the waiting room, on the airplane, or in bed at night, Your 5-Minute Personal Coach challenges readers with coaching questions and specific, doable action steps they can take immediately.

Coach Fellas Kelli Ann Costa, 2017-03-02 The Coach Fellas are known to almost all tourists who

traverse the Irish countryside. Ostensibly bus drivers, they are also the tour guides who provide the crucial component in the branding of “people, place, and pace” upon which Irish heritage tourism depends. Kelli Costa’s ethnography of these highly trained and informed working class men highlights a previously ignored component of the tourism industry. She also demonstrates their importance in providing a visitor-specific vision of heritage that contrasts with the realities of contemporary economic development.

Personal Foul Richard Lieberman, 2005-08-30 “Lieberman reveals a storied football program rife with ethical problems in the hiring of its coaches and the treatment of some of the players themselves.” —Library Journal It was bad enough when popular offensive line coach Joe Moore sued the University of Notre Dame for age discrimination—but matters got much worse when the lawsuit uncovered disquieting evidence of unethical and inappropriate conduct in a football program widely regarded as a model of probity. This is the dramatic story of that explosive lawsuit, which tarnished Notre Dame’s burnished football image. This riveting account begins in November 1996, when Bob Davie is hired as head coach to replace the beloved Lou Holtz. In one of his first, and most fateful, executive decisions, Davie fires sixty-four-year-old Joe Moore because—as Davie puts it—he needs someone younger for the job. Attorney Rick Lieberman takes on Joe Moore’s case and in this absorbing book he describes the trial and the enormous tensions to which litigants like Joe Moore are subject. This is a David and Goliath story in which the Notre Dame attorneys attempt to destroy Joe Moore’s reputation as both a coach and a man. In the process, Davie’s own background comes under close scrutiny as a reporter’s investigation reveals some damning evidence. And as the trial proceeds, Notre Dame’s football program is shown to be rife with legal improprieties and inappropriate behavior involving both coaches and administrators. Anyone interested in sports, in the law, in stories of

blatant injustice—and in Notre Dame—will find Personal Foul a fascinating, revealing and memorable read. “A testament to the seedy side of big-money college sports.” —Booklist

Stage-Coach Days In The Bluegrass J. Winston Coleman Jr., 2021-12-14 When Stage-Coach Days in the Bluegrass was first published in 1935 by the Standard Press in Louisville, the New York Times reviewer described this charming work as an interesting example of that very useful class of books, local histories, which so rarely get the attention they deserve. Along with his focus on the development of stage-coach travel, Coleman covers details such as pioneer roads, taverns, travelers' experiences, mail carriers, and the coming of the railroad. This fascinating look at an age gone by is truly a work of regional culture.

The Business and Practice of Coaching: Finding Your Niche, Making Money, & Attracting Ideal Clients Wendy Allen, Lynn Grodzki, 2005-09-17 Building a thriving coaching business is a challenge. An estimated 30,000 coaches have entered the coaching profession during the past five years. Unfortunately, the majority report they are unable to earn a living wage from their coaching services. Competition is high, and the knowledge of how to succeed in the business is often lacking. To survive today, coaches must match their enthusiasm with strong business and marketing expertise. Lynn Grodzki and Wendy Allen are veteran business coaches who understand how to strategically approach the business and the practice of coaching as well as how to mentor new coaches entering the profession. The Business and Practice of Coaching is the first text to combine a coaching approach (step-by-step exercises, direct suggestions, insider's tips, and motivational plans) with solid business information and ideas in order to give new and experienced coaches exactly what they need to prosper in the competitive business of coaching. Grodzki and Allen help coaches succeed by giving them the right information, showing them how to develop an entrepreneurial mind-set, and

demonstrating how to customize a business plan that can spell the difference between accomplishment and collapse. Grodzki and Allen gives each reader the ability to: * Build a coaching business that has relevance to the larger community around it and be aligned with the new realities of the coaching profession. * Refine your coaching skill set to incorporate the five coaching competencies that signal to the public that you are a masterful coach. * Define your innate coaching specialty and target a profitable niche market so you can make a bigger impact as a coach. * Implement the eight best marketing strategies to attract coaching clients (and know the marketing ideas that coaches do best to avoid). * Set and raise your fees the right way, develop multiple streams of coaching income, and build a six-figure business that you can own and sell. * Institute risk management policies that ensure your practice is legally safe, ethically sound, and trouble free. Covering all of the territory from positioning your coaching business, differentiating it from the competition, acquiring basic entrepreneurial skills, and learning from profiles of master coaches The Business and Practice of Coaching offers a wealth of information and accessible, yet expert guidance. Readers will discover how to take advantage of current trends and avoid distracting hype within the quickly changing coaching profession so that the coaching business they build today will be viable tomorrow.

The Athletic \$Cholarship Eligibility Coach Marlynn R. Jones Esquire, 2012-08 IMPLEMENTING THE ELIGIBILITY COACH'S GAME PLAN MAY SAVE YOU THOUSANDS! Knowing one simple mistake can turn a scholarship celebration into a frantic search for \$15,000-\$60,000 to finance the first year of college, Marlynn Jones serves as a personal coach through the maze of legislation involved in acquiring a college athletic scholarship. Eligibility Coach addresses the Top 21 Common Mistakes made during the Certification Process, and answers these important questions: - What is Amateurism

Certification? - What core courses are required for Certification? - How does the sliding scale work? - How to transfer between schools and be eligible to compete? - Are there additional requirements for International Students? Eligibility Coach provides a much needed resource for athletic directors, coaches and counselors to use for student-athletes in preparing them for NCAA and NAIA eligibility certification. This coaching guide needs to be implemented sooner rather than later. Dr. Jason Pappas, Assistant Director of Athletics for Student-Athlete Services, Florida State University The Eligibility Coach helped us understand NCAA regulations and timelines as well as prepared us for both official and home visits. We knew what to expect throughout the process, and what questions to ask. After considering offers in gymnastics from several Division I universities, our daughter accepted a full athletic scholarship and is a Dean's List student competing for the University of North Carolina at Chapel Hill. She was recently admitted to medical school and received a 2012 Post-Graduate Scholarship Award from the Atlantic Coast Conference [ACC]. Darrell and Tedra Brown, Gymnastics Parents in North Carolina If you are looking for a blueprint on how to transition from high school to college athletics, search no further. Eligibility Coach is an easy-to-read how-to guide regarding athletic scholarships that every high school coach, athletic director, and parent must have. Kenny Williamson, Assistant General Manager, Memphis Grizzlies

My Personal Best John Wooden, Steve Jamison, 2004-05-14 NATIONAL BESTSELLER For John Wooden's millions of fans--a heartfelt and revealing self-portrait about the people and events that shaped his life Sports Illustrated declared: There has never been a finer coach in American sports

than John Wooden. Nor a finer man. ESPN selected him as the Greatest Coach of the 20th Century. From his birth on an Indiana tenant farm, to All-American honors at Purdue, to his historic record-setting UCLA dynasty, John Wooden is a towering figure in 20th-century sports, and his experience and wisdom an American treasure. In *My Personal Best*, Coach Wooden tells how he did it and the lessons he learned on his remarkable journey. Pairing never-before-seen photos from Coach Wooden's private collection with his personal stories and affirmations, this book encompasses the dramatic arc of Wooden's larger-than-life achievements and experiences. As he did in his perpetual bestseller *Wooden*, Coach offers a wealth of biographical details, personal reflections, and a lifetime of lessons. His millions of fans will cherish this definitive pictorial history of a living sports legend. John Wooden is a living legend because he practiced what he preached--the code of ethics which created America's strength. --Phil Jackson, head coach, Los Angeles Lakers Most of what I know, what's made me a smart man, has come from John Wooden. --Kareem Abdul-Jabbar, Naismith Basketball Hall of Famer A man of John Wooden's accomplishments and integrity would stand out in any era, but now, almost three decades after he coached his last game, he is in some ways an even more striking figure. --Bob Costas

ECMT Round Tables International Coach Transport Report of the Seventy-Second Round Table on Transport Economics Held in Paris on 26-27 March 1987 European Conference of Ministers of Transport, 1987-12-01 This Round Table features three reports on international coach service: one from Italy, one from the Netherlands and one from Sweden.

From Therapist to Coach David Steele, 2011-02-02 Praise for *From Therapist to Coach* This book is very practical and helpful to the therapist who wants to make a change and feels a bit overwhelmed with the possibilities. The section on choosing a niche was illuminating and very

exciting to me. I found it helpful to have the training options outlined so clearly, and the marketing section was extremely useful as well. —Shelley R. Cohen, LCSW, Beverly Hills, CA This book has sparked a renewed passion for my work as I have struggled the past couple of years with how to incorporate coaching into my psychotherapy practice. I knew there must be a way to do it but lacked the 'how to.' Based on his years of experience and real insight, David Steele supplies the necessary tools to do so effectively as well as invaluable strategies to help avoid the pitfalls. Without hesitation, I highly recommend this as a book that you will return to time and time again as a handbook for your private practice as a therapist/coach. —Sharon O'Farrell, MIHA, Navan, Ireland A hands-on guide to helping therapists make the transition to a successful coaching practice Written for therapists by a therapist, From Therapist to Coach provides a convenient road map for professionals considering expanding or transitioning their practice to coaching. Drawing from his experience in providing relationship coach training to over 5,000 therapists, David Steele takes a practical approach to building a successful coaching business through traditional and creative strategies such as marketing, getting clients, choosing a niche, and much more. Here, therapists will find: A look at the differences between therapy and coaching Examples and insights that therapists can easily (and sometimes humorously) relate to Details on setting fees; enrolling clients; maximizing private practice income; finding training; and much more A focus on creative group services and business models suited to the various specialties and niches of personal coaching Guidance on how much to bill for services With insight on the mistakes and pitfalls to avoid along the way, From Therapist to Coach is rich with examples, providing tips and practical steps to help clinicians in private practice move forward in their journey towards professional satisfaction.

The Hypnotic Coach John Koenig, 2011-09-01 Hypnosis combined with personal coaching

creates dramatic life changes. A how-to for coaches, therapists, hypnotists and people wanting rapid personal change.

Therapist Into Coach Vaughan Smith, Julia, 2006-12-01 This book considers what coaching is, the routes by which people have become coaches, the coaching client, coaching methods and the issues within running a mixed practice. This includes a thorough exploration of the points of difference between therapeutic and coaching models, including the nature of interventions, mind set of the coach and the structuring of the process.
