Captain Crash and the Dallas Cowboys Cliff Harris,2014-09-02 How does it feel to see your name among the Cowboys greats in Texas Stadium's Ring of Honor? What was it like to be recruited by professional scouts? What happened to the guy who hooked Randy White in the back with a wayward fishhook? How did legendary coach Tom Landry motivate his players? How did a waterbed and transcendental meditation help Cliff Harris gain an edge over his opponents? Replete with memories from his college days at Ouachita Baptist and then as a member of the Dallas Cowboys during the "America's Team" era, Cliff answers those questions and more in the updated edition of *Captain Crash and the Dallas Cowboys*. Read about his teammates, his coach, his enemies, training secrets, Super Bowls—of which Cliff played in five, winning two—Pro Bowls, motorcycles, and motorboats. In this book, first published in 2006 and now including a new introduction, Cliff takes us on the wild ride that was his life as a Cowboy free safety and how he got there in the first place. The book also includes great insider stories written by famous fellow players Walt Garrison, Roger Staubach, Lee Roy Jordan, and Charlie Waters. Perfect for the shelf of any Dallas Cowboys fan! Changing the Game John O'Sullivan,2013-08-01 “A powerful guide for both parents and coaches who want kids to have fun, enjoyable, and meaningful youth sporting experiences . . . I highly recommend it!” —John Ballantine, president and co-founder, Kids in the Game The modern-day youth sports environment

has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of thirteen, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids. "Changing the Game is, well, a game changer. It explores in both depth and breadth the youth sports experience, its blood, sweat, and tears. Any parent who wants their children to gain the physical, psychological, emotional, and social benefits of what sport has to offer (and isn't that every parent!) better read this book. It will make you a better sports parent, and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports." —James Taylor, Ph.D., author of *Positive Pushing: How to Raise a Successful and Happy Child*
