The Rescuers Margery Sharp,2011-12-21 The classic children's fantasy of two mice on a mission to save a Norwegian poet—and the inspiration for the beloved 1977 animated Disney movie. “Miss Sharp's delicate and sophisticated humor is good fun for wise children from age 10 to 100.” —Los Angeles Times Miss Bianca is a white mouse of great beauty and supreme self-confidence, who, courtesy of her excellent young friend, the ambassador's son, resides luxuriously in a porcelain pagoda painted with violets, primroses, and lilies of the valley. Miss Bianca would seem to be a pampered creature, and not, you would suppose, the mouse to dispatch on an especially challenging and extraordinarily perilous mission. However, it is precisely Miss Bianca that the Prisoners' Aid Society picks for the job of rescuing a Norwegian poet imprisoned in the legendarily dreadful Black Castle (we all know, don't we, that mice are the friends of prisoners, tending to their needs in dungeons and oubliettes everywhere). Miss Bianca, after all, is a poet too, and in any case she is due to travel any day now by diplomatic pouch to Norway. There Miss Bianca will be able to enlist one Nils, known to be the bravest mouse in the land, in a desperate and daring endeavor that will take them, along with their trusty companion Bernard, across turbulent seas and over the paws and under the maws of cats into one of the darkest places known to man or mouse. It will take everything they've got and a good deal more to escape with their own lives, not to mention the poet. Margery Sharp's classic tale of pluck, luck, and derring-do is amply and beautifully illustrated by the great Garth Williams.

Tarzan of the Apes Illustrated Edgar Rice Burroughs,2020-09-25 Tarzan of the Apes is a novel by American writer Edgar Rice Burroughs, the first in a series of books about the title character Tarzan. It was first published in the pulp magazine The All-Story in October 1912.[1] The story follows Tarzan's adventures, from his childhood being raised by apes in the jungle, to his eventual encounters with other humans and Western society. So popular was the character that Burroughs continued the series into the 1940s with two dozen sequels.[2] For the novel's centennial anniversary, Library of America published a hardcover edition based on the original book with an introduction by Thomas Mallon in April 2012 (ISBN 978-1-59853-164-0). Scholars have noted several important themes in the novel: the impact of heredity on behavior; racial superiority; civilization, especially as Tarzan struggles with his identity as a human; sexuality; and escapism.

Gender, Metal and the Media Rosemary Lucy Hill,2016-11-04 This book is a timely examination of the tension between being a rock music fan and being a woman. From the media representation of women rock fans as groupies to the widely held belief that hard rock and metal is masculine music, being a music fan is an experience shaped by gender. Through a lively discussion of the idealised imaginary community created in the media and interviews with women fans in the UK, Rosemary Lucy Hill grapples with the controversial topics of groupies, sexism and male dominance in metal. She challenges the claim that the genre is inherently masculine, arguing that musical pleasure is much more sophisticated than simplistic enjoyments of aggression, violence and virtuosity. Listening to women's experiences, she maintains, enables new thinking about hard rock and metal music, and about what it is like to be a women fan in a sexist environment.

Auntie Mame Patrick Dennis,2002-02-05 With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955--and today remains one of the most unforgettable characters in contemporary fiction. Wildly successful when it was first published in 1955, Patrick Dennis' Auntie Mame sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks. It was made into a play, a Broadway and a Hollywood musical, and a fabulous movie starring Rosalind

Russell. Since then, Mame has taken her rightful place in the pantheon of Great and Important People as the world's most beloved, madcap, devastatingly sophisticated, and glamorous aunt. She is impossible to resist, and this hilarious story of an orphaned ten-year-old boy sent to live with his aunt is as delicious a read in the twenty-first century as it was in the 1950s. Follow the rollicking adventures of this unflappable flapper as seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place. Outrageous, hilarious, ribald, sophisticated, slapsatiric. The Denver Post

*Sparkling Cyanide* Agatha Christie,2009-03-17 In Sparkling Cyanide, Agatha Christie seats six—including a murderer—around a dining table set for seven, one year to the day that a beautiful heiress was poisoned in that very room. Six people sit down to a sumptuous meal at a table laid for seven. In front of the empty place is a sprig of rosemary—rosemary for remembrance. A strange sentiment considering no one is likely to forget the night, exactly a year ago, that Rosemary Barton died at exactly the same table, her beautiful face unrecognizable, convulsed with pain and horror. But then Rosemary had always been memorable—she had the ability to

arouse strong passions in most people she met. In one case, strong enough to kill. . . .

The Three Musketeers Alexandre Dumas, Bruce Buchanan, 2010-09-01 Young d'Artagnan has only one ambition – to be a king's musketeer some day. With these dreams, he reaches Paris. Monsieur de Treville makes him a member of the king's guards, and promises that if he proves his worth he can become a musketeer one day. In Paris, d'Artagnan befriends Athos, Porthos, and Aramis, the three musketeers; and also falls in love with the beautiful Constance Bonacieux, Queen Anne's linen maid. But little does he know that Queen Anne would soon fall into trouble with her husband, King Louis XIII, because of her secret lover – which is what the cardinal wants. With Constance begging him to help, and the wicked cardinal and his men chasing him, will d'Artagnan be able to save the queen's honour? Will he ever fulfill his dream of being a musketeer?

**Wondrous Web** Pearl Darling, 2019-10-02 With mob hat on, and hair dyed black, French lady's maid Miss Chantelle Delacourt is undercover for one of the first cases for the Colangle Investigation Agency. Could it be a mission to catch a thief or a murderer, or even serious evidence of fraud? No. It's a case of a missing cat. Surprisingly simple one might think, except that the case brings Chantelle into contact firstly with the odious man that brought her over from France, and secondly with a man that sets her senses on fire like no other man could. His name is Renard and he seems determined to cause havoc for Chantelle's current employer, whilst playing fast and loose with Chantelle's senses. She can barely stop to think. But she knows one thing is certain. That cat won't find itself...
