Finnish Dictionary & Phrasebook Ville Kataja,2003 This compact dictionary and phrasebook features a concise, easy-to-use grammar guide, a pronunciation table, and a handy reference section that provides the reader with the basics of the Finnish language. Also included is an introduction to the country's history as well as useful tips and practical information on how to navigate one's way through the streets, shops and restaurants of Finland.

Finnish Vocabulary Book Pinhok Languages,2022-05-01 Finnish vocabulary book + Finnish dictionary This Finnish vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Finnish-English as well as English-Finnish dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Finnish learning resource is a combination of Finnish vocabulary book and a two-way basic Finnish dictionary: Part 1 - Topic based Finnish vocabulary book: This is the main part of the book and represents a list of chapters each containing Finnish vocabularies for a certain topic. The Finnish vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Finnish dictionary: The index in the second half of the book can be used as a basic Finnish dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Finnish-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Finnish words and directly find the English translation How to use this Finnish vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Finnish dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Finnish translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Finnish dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Finnish and comes in particularly handy at times when there is no internet to look up words and phrases.
