Big Picture Pedagogy: Finding Interdisciplinary Solutions to Common Learning Problems Regan A. R. Gurung,David J. Voelker,2017-10-16 This volume builds on existing pedagogical research and efforts to showcase SoTL across the disciplines (Gurung, Chick, & Haynie, 2009; Chick, Haynie, & Gurung, 2012) but takes this important work in a new direction. In each chapter, interdisciplinary teams of authors address a single pedagogical question bringing each of their home discipline's specific literature and methodologies to the table. The result is a fresh examination of evidence-based practices for teaching and learning in higher education that is intentionally inclusive of faculty from different disciplines.

Launching & Building a Brand For Dummies Amy Will,2022-01-06 Create a strong brand DNA—and watch it grow These days, customers want to have a deeply felt connection to the brands behind the products they're purchasing, which means that if you're starting a business, a strong brand DNA has got to be part of your creative process from day one. And it needs to be more than just an abstract idea: to give your brand life—and a bigger chance of surviving against the competition—you need to have a standout launch strategy and a set plan for growing your brand in a noisy marketplace. She reveals crucial lessons from her personal experience in launching five companies, as well as detailing case studies from some of the strongest brands out there, accompanied by insights and advice from successful founders and branding experts. Stand out on social media Create viral campaigns Build on Customer Loyalty and LongevityDeal with the competition Whether you're thinking of starting a business or are already building up your market share, memorable brand identity will be the key to—and *Launching & Building a Brand For Dummies* one of the secrets of—your future standout success.

Unofficial Guide to Las Vegas 2019 Bob Sehlinger,2018-09-18 Your guide on how to have fun and understand the crazy environment that is today’s Las Vegas With insightful writing, up-to-date reviews of major attractions, and a lot of “local” knowledge, The Unofficial Guide to Las Vegas 2019 has it all. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Las Vegas digs deeper and offers more than any single author could. This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count. With advice that is direct, prescriptive, and detailed, it takes out the guesswork. Eclipsing the usual list of choices, it unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. With The Unofficial Guide to Las Vegas, you know what’s available in every category, from the best to the worst. The reader will also find the sections about the history of the town and the chapters on gambling fascinating. In truth, The Unofficial Guide to Las Vegas, by Bob Sehlinger, emphasizes how to have fun and understand the crazy environment that is today’s Vegas. It’s a keeper.

Social Media Audit Urs E. Gattiker,2012-10-28 Social media has drastically improved the way we can reach target audiences and serve our customers. Like its financial counterpart, the social media audit (SMA) can be described as a formalized review of an organization's social media activities. However, contrary to financial audits, social media audits are not guided by government regulations or a set of professional rules and standards. This book will address social media marketing issues using a cost benefit approach, while presenting a systematic approach to review the organization's social media activities. Using the checklists and templates provided in this book will enable readers to conduct an audit that helps identify target areas for performance improvement and recommendations for how to achieve these objectives. Social media platforms discussed include: Facebook, LinkedIn, Google Plus, Twitter, Tumblr, and Xing.
