Send Superintendent West John Creasey,2015-05-01 With vital Cold War talks at risk, Roger West of the Yard must out-think the FBI if he is to save Ricky Shawn. A frightened ten year old, Ricky has been kidnapped as a pawn in a ruthless game with drugs, crushed bodies, and mayhem all trailing back to his fate. West must move fast to save him, and yet an enormous shock lays ahead as he proceeds.

An Inspector Calls Michael White, 2017-01-26 Charlie Horse has very set ideas of just how his pub should be run. No food (apart from crisps and nuts) and very definite ideas about what kind of customers are welcome in his hostelry. Unbeknown to Charlie however, there is something very odd indeed going on in The Bucket and Shovel, and for just this once, Charlie is going to be the last person to find out. Because very shortly, an inspector is going to call...Please note this is a short story and is quite difficult to categorise - there are slight elements of fantasy (although it has a contemporary setting) as well as a smattering of mystery, and also is intended to have a slight Pratchettesque feeling to it. This short story is also available in the Paul McCartney's Coat and Other Stories collection, along with nine other tales, and is available to purchase separately.

The Chief Inspector's Statement Maurice Procter, 1966-01-01

Inspector Tae Peter Wadsworth, 2016-04-27 Skin Deep - the second novel in the Inspector Tae series - is not for the squeamish or faint-hearted! It covers a subject we all would like to believe does not exist - out of sight, out of mind - even by the medical profession itself. But in real life the subject

has implications for all of us.

Brass in Pocket Stephen Puleston,2014-05-08 It is the middle of the night ...The road is deserted ...A killer is waiting ... Two traffic officers are killed on an isolated mountain pass in North Wales. Inspector Drake is called to the scene and quickly discovers a message left by the killer - traffic cones in the shape of a No 4. The killer starts sending the Wales Police Service lyrics from famous rock

songs. Are they messages or is there some hidden meaning in them? Does it all mean more killings are likely? When a politician is killed Drake has his answer. And then the killer sends more song lyrics. Now Drake has to face the possibility of more deaths but with numbers dominating the case Drake has to face his own rituals and obsessions. Finally when the killer threatens Drake and his family he faces his greatest challenge in finding the killer before he strikes again.

Payback, When Duty Calls Harvey Cleggett, 2013 Homicide Detective Inspector Michael Ballard is vigorously resisting retirement; not wishing to walk away from continuing to serve society by investigating and solving complex criminal cases. The brutal murder of a factory owner has him and his partner applying their 'old school' policing skills to hunt down the killer. But while Ballard is hunting the killer - is the killer hunting him? An absorbing murder mystery set in the often violent world of modern day law enforcement.

An Inspector Calls Geraldine Ryan, 2012 Three stories... In An inspector calls, the staff at Primrose Park Community College didn't relish the arrival of the martinet Hayden Staples: school inspector. But

could his visit incite murder? In Looking after jopo, Cate agrees to look after her teenage neighbour's baby - only to find herself on the wrong side of a thuggish loan shark. And in A village affair, Grandmother Grace always finds adventure on her travels and a visit to her lonely daughter is no exception... --Publisher description.
