**Haiti** Ron Haviv,Simon Winchester,2010-06 A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The

visual testimony to the events of the the first days after the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

**Unbreakable Hearts II** Earl "Dusty" Trimmer, 2021-09-29 Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America's history. He brings it all home with his down-to-earth style and considerable knowledge. In *Unbreakable Hearts*, Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy's amazing resolve. He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars. Always defending their country to remain free became an art. In Chapter 7, Dusty describes the Vietnamese women fighters as Hellcats. My own experience with the formidable Vietnamese Viet Cong women's skills and expertise closely mirrors Dusty's. Hooch girls could plant booby traps in a GI's hooch with a skill and savvy they were forced to learn during decades of on-the-job training in continuous wars with unwelcomed invaders. My own Military Police experience after leaving the infantry revealed these incidents vividly. In later chapters, Dusty moves into our own veterans' profound resolve and toughness. North Vietnam's famed General Giap called us an honorable enemy. One could suggest from this writing that our enemy taught us well. We did things in the Vietnam War the average person would have to go to the movies to believe. After reading Trimmer's descriptions, I must conclude that indeed this book could be one for the movie industry. Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions. After reading this fine work and reflecting on my own experiences, I cut away a little more of the pain. Pride swells for having served with all of these wonderful veterans of the Vietnam War. Pain for our terrible losses. For myself, these experiences culminated in wisdom I would otherwise have failed to achieve. God bless Dusty for telling

our story. Forward march, Brothers!

**Grid Down Reality Bites** Bruce Hemming, Sara Freeman, 2011-08-01 Three small groups of people trying to stay sane and survive in a world controlled by chaos--Cover, p. [4].

*Condemned Property?* Dusty Earl Trimmer, 2013-11 A stark look at Vietnam Veterans, the War and how We let Them down. This is a Call To Duty for everyone to thank your Veterans today, and a reminder to the media and politicians to value every soldier as if they were their own sons and daughters. Without a nation's support, soldiers cannot survive. - Brian Williams; Major, U.S. Army Veteran of Operation Iraqi Freedom (Iraq) and Operation Enduring Freedom (Afghanistan) Dusty Earl Trimmer's *Condemned Property* is an extremely personal and comprehensive outline of multiple aspects of the Vietnam War. While written primarily for the benefit of his fellow veterans, he has captured the essence of those multiple aspects of the war for all readers. From his experiences in the jungle of Vietnam to dealing with his own post-traumatic stress (PTSD) and physical ailments, returning to the hostile environment of the population, betrayal by the government in accepting its role of caring for and compensating those affected veterans, *Condemned Property* presents a journey from pre-war innocence to today's political circumstance. *Condemned Property* is in the spirit of the philosopher George Santayana's saying, Those who cannot remember the past are condemned to repeat it. - William E. Cornell Jr.; Author President, Cornell & Associates Dusty, this is such a great book. Your memories and stories are very moving and I am sure that writing this book has been a great catharsis for you. I applaud you for having the courage to actually put it in a written format (after actually writing it in your head for all these years!). These stories need to be told. This book needs to be published. - LaDonna Herrera; President/CEO Marketing Ideas & Designs Dusty Earl Trimmer came down to see me in Columbus, Ohio in March 1968, just a couple days before he was scheduled to leave for Vietnam. I was at Ohio State University and living in the Delta Chi

Fraternity House. At the time I thought that I was a little something just because I was pledge class president and a member of the Ohio State wrestling team...that was before I received letters from Nam, from Dusty...before he earned his many military medals/accolades. Then I saw how small I was in comparison...and how small some of my buddy All-Americans at other universities were in comparison to what Dusty and his Nam-mates were doing. I have known Dusty Earl Trimmer, who is the author of *Condemned Property? Soldiers of the Vietnam War* for over forty years. If I could only use three words to describe him, they would be: passionate, fearless, and straightforward. This description and more is why I recommend his book as must reading for anyone...veteran and non-veteran alike that wants greater insights into the truths about the Vietnam War, it's devastating aftermath, and how combat soldiers and those who love them are coping with both...today. I have read it twice. It will move you, teach you, motivate you and it may change you because you read it. - Gary Ockunzzi; Lifelong Friend Korean DMZ Conflict Veteran, U.S. Navy *Condemned Property?* was an eye opening and emotional read for my entire family. Never having been exposed to the raw truths of the Vietnam War, it was heart wrenching to learn of the ultimate sacrifice made by Vietnam Combat Vets to protect OUR freedom, the horror and trauma they endured, their strong bond of brotherhood, sheer determination to survive and lack of respect by our citizens upon their return. We owe a debt of gratitude to the author for putting pen to paper to create a powerfully true vision of the life of a Combat Infantry Warrior in the Vietnam War and his continued fight for survival today. - Cheryl Strenk, Wife & Mother

**Jing Jingle Bells**, 2015-09 Create an exhilarating, feel-good experience for singers and audiences alike with this bright arrangement of the seasonal classic paired with a clever original melody. The optional accompaniment puts the final tinsel on the tree and guarantees fun for all at your next holiday concert.

**A Holiday Roundelay** ,2013-09 Joyous noels resound in this bright, festive holiday celebration from gifted composer Victor Johnson. Contrasting legato sections add to the musical interest and help to spell success in this excellent programming choice for young and developing choirs.

**Average Is Over** Tyler Cowen,2013-09-12 Renowned economist and author of Big Business Tyler Cowen brings a groundbreaking analysis of capitalism, the job market, and the growing gap between the one percent and minimum wage workers in this follow-up to the New York Times bestseller The Great Stagnation. The United States continues to mint more millionaires and billionaires than any country ever. Yet, since the great recession, three quarters of the jobs created here pay only marginally more than minimum wage. Why is there growth only at the top and the bottom? Economist and bestselling author Tyler Cowen explains that high earners are taking ever more advantage of machine intelligence and achieving ever-better results. Meanwhile, nearly every business sector relies less and less on manual labor, and that means a steady, secure life somewhere in the middle—average—is over. In *Average is Over*, Cowen lays out how the new economy works and identifies what workers and entrepreneurs young and old must do to thrive in this radically new economic landscape.

**Rogue Economics** Loretta Napoleoni,2008 Respected economist and journalist Loretta Napoleoni shows how the world is being reshaped by dark economic forces creating victims out of millions of ordinary people whose lives have become trapped inside a fantasy world of consumerism. A world built by organisations both private and public which have accumulated vast fortunes and enormous political influence by regulating, containing and manipulating the market to their own advantage.

*Payback Time!* Earl Dusty Trimmer,2015-05-31 Dusty Earl Trimmer's *Condemned Property* is an extremely personal and

comprehensive outline of multiple aspects of the Vietnam War. While written primarily for the benefit of his fellow veterans, he has captured the essence of those multiple aspects of the war for all readers. From his experiences in the jungle of Vietnam, to dealing with his own post-traumatic stress (PTSD) and physical ailments, returning to the hostile environment of the population, betrayal by the government in accepting its role of caring for and compensating those affected veterans.

*Blue Sky God* Don MacGregor, 2012-07-27 *Blue Sky God* interprets some new scientific theories with blue sky thinking to bring radical insights into God, Jesus and humanity, drawing also on some deep wells from the past in the writings of the early Christians. In an accessible style, it looks at science research and theories in areas such as quantum physics and consciousness, epigenetics, morphic resonance and the zero point field. From there, seeing God as the compassionate consciousness at the ground of being, it draws together strands to do with unitive consciousness and the Wisdom way of the heart. Throughout, it seeks to encourage an evolution in understanding of the Christian message by reinterpreting much of the theological language and meaning that has become 'orthodoxy' in the West. In doing so, it challenges many of the standard assumptions of Western Christianity. It outlines a spiritual path that includes elements from all of the world's great religions, is not exclusive, and yet has a place of centrality for Jesus the Christ as a Wisdom teacher of the path of transformative love. ,
