Tears of My Mother Wendy Osefo,2022-09-20 When star of Bravo's The Real Housewives of Potomac Dr. Wendy Osefo was growing up, her mother was her everything. But when she became a mother herself, everything changed. In this "exquisitely-drawn portrait of the intense bond that only a mother can have with a daughter" (Katie Haufner, author of Mother Daughter Me), Wendy explores how her Nigerian upbringing has affected her life, her success, and her role as a parent. Wendy Osefo's mother, Iyom Susan Okuzu, arrived in the United States from Nigeria with two things: a single suitcase and the fierce determination to make a better life for herself and her future family. And she succeeded: starting out working in a fast-food restaurant and ultimately becoming the director of nursing at a major metropolitan hospital. While Susan may have taken pride in triumphing over every financial and emotional challenge, in Nigerian culture, a parent is only as successful as his or her children. And so her daughter, with gratitude and appreciation for her mother's sacrifices, worked hard to meet every demand Susan made of her. With four advanced degrees and a position at Johns Hopkins University as a professor—as well as being a highly sought-after political commentator, a cherished wife, and a loving mother of three—Dr. Wendy has given her mother bragging rights for life. But at what cost to herself? In Tears of My Mother, the star of The Real Housewives of Potomac describes growing up as a first-generation American, balancing two distinct cultures. And she takes a critical look at the paradox of her mother's parenting: approval conditioned by achievement. As a teenager, Wendy struggled to carve out her own identity while still walking the narrow path of her mother's expectations. Unwavering family loyalty and obedience gave Wendy the road map to making it in America, but it also drove a wedge between mother and daughter, never more so than when she began to build her own family. "A love letter to Dr. Osefo's mother and first-generation immigrants all across America" (Library Journal), this book is for anyone who has faced conflict in the mother-daughter relationship or wondered how much of their own upbringing they want to pass on to the next generation.

The Book of the Duchess Geoffrey Chaucer,2022-08-10 The Book of the Duchess is a surreal poem that was presumably written as an elegy for Blanche, Duchess of Lancaster's (the wife of Geoffrey Chaucer's patron, the royal Duke of Lancaster, John of Gaunt) death in 1368 or 1369. The poem was written a few years after the event and is widely regarded as flattering to both the Duke and the Duchess. It has 1334 lines and is written in octosyllabic rhyming couplets.

With the Heart in Mind Mikaeel Ahmed Smith,2020-07-13 With the Heart in Mind is an inquiry into the nature of the intellect and how classical Islamic theologians understood the nature and function of the intellect. With the Heart in Mind asks readers to consider an alternative understanding of intelligence in which the primary function of the intellect is to know God and lead others to Him as well. The author suggests that by studying the Emotional Intelligence of the Prophet Muhammad (s.a.w.), we improve the quality of our relationships with the people around us and we, like the Prophet (s.a.w.), can become catalysts for change around us. Emotional Intelligence within the author's model of intelligence is a tool by which the message of God is transferred to humanity. With the Heart in Mind reminds us that "To be loved by people is half of intelligence."

Active Hope (revised) Joanna Macy,Chris Johnstone,2022-06-22 The challenges we face can be difficult even to think about. Climate change, war, political polarization, economic upheaval, and the dying back of nature together create a planetary emergency of overwhelming proportions. This revised, tenth anniversary edition of Active Hope shows us how to strengthen our capacity to face these crises so that we can respond with unexpected resilience and creative power. Drawing on decades of teaching an empowerment approach known as the Work That Reconnects, the authors guide us through a transformational process informed by mythic journeys, modern psychology, spirituality, and holistic science. This process equips us with tools to face the mess we're in and play our role in the collective transition, or Great Turning, to a life-sustaining society.
