The Book of Hallowe'en Ruth Edna Kelley,2018-01-15 Learn the

secrets of the most frightening, fun-filled day of the year! The only day when the forces of darkness are openly celebrated, Halloween comes down to us from the strange, shrouded mists of antiquity, originating in the pagan world and the primitive ceremonies that honor Samhain, the dark, mysterious Lord of the Dead, at a time when the veil between our world and theirs is at its thinnest. The strange and weird customs and beliefs of our ancestors live again, every October 31st, in the only day of the year when it is considered okay to dress in frightening costumes, to go door to door begging, and to feast on fear. A true classic in the literature of pagan lore, you will find this book frightening, fascinating and fun!

Pumpkin Pounder Laura Lovely,2019-10-24 I love redheaded

men. Yes, redheads. Any shade from strawberry to bright sunset to hot-rod red. I love gingers and they love me. I love the way their freckles stand out. I love the way their necks get red when they get hot, sunburned or turned on. I love the way I can spot one in a room and know they're going to be mine. I love them so much, I've earned a nickname: Pumpkin Pounder. (I'm not going to put that on my resume, but it suits me.) The one thing I love as much as redheads is Halloween night in New York City, so when my friend invites me to a wild costume party aboard an old tug boat, I'm ready for anything...especially meeting the perfect guy. The perfect, redheaded guy...with an Irish accent. Problem is, what if I want him for more than one night? -- PUMPKIN POUNDER is a fairytale remix, a reverse Cinderella story inspired by The Nightmare Before Christmas, An Affair to Remember and SATC. Laura Lovely's Fairytale Remixes promise short hot-n-humorous romances inspired by fairytales, mythology and pop culture.
