The Death of the Internet Markus Jakobsson,2012-07-11 Fraud poses a significant threat to the Internet. 1.5% of all online advertisements attempt to spread malware. This lowers the willingness to view or handle advertisements, which will severely affect the structure of the web and its viability. It may also destabilize online commerce. In addition, the Internet is increasingly becoming a weapon for political targets by malicious organizations and governments. This book will examine these and related topics, such as smart phone based web security. This book describes the basic threats to the Internet (loss of trust, loss of advertising revenue, loss of security) and how they are related. It also discusses the primary countermeasures and how to implement them.

To Wish Upon a Roman Ishabelle Torry,2016-05-31 An ancient Roman general. A modern-day antique dealer. One salacious bargain. Antique dealer Lucy Brady is enamored with the past and spends her days surrounded by vintage goodies and historic baubles. But she never imagined she'd be staring down a living, breathing ancient Roman from her sofa. After inheriting a mysterious locket which comes with an ominous warning, she ignores age old superstition and inadvertently summons a dark and scarred warrior from the 4thcentury. When he demands freedom from her tyrannous bloodline, Lucy is certain she's being pranked, and agrees—with one shocking condition—he becomes her sex slave for two whole weeks. “Although I cannot bring the dead to the living, I can bring the living to the dead.” Entrapped for seventeen hundred years, General Hadrian Marias longs for freedom and the chance to reunite with the reincarnated soul of his long-lost wife. But what he discovers upon being released into the modern world is Lucy—the lavender eyed descendant of the very Celtic witch who'd cursed him centuries before. He should hate her, but something about Lucy soothes his angry soul. So when she offers him the deal of many lifetimes, he can't refuse. Hadrian and Lucy's fierce attraction—and growing bond—puts them at risk of heartache as eras collide and an ancient curse comes to fruition... If you're a fan of time travel, magic, cursed lovers, ancient heroes, and steamy romance, you'll love To Wish Upon a Roman, the first book in the To Wish Upon an Ancient series. Because he doesn’t exist. But when Alice walks into class on her first day at a new school, there he is. Real Max is nothing like Dream Max. He’s stubborn and complicated.
