Napalm & Silly Putty George Carlin,2001-07-01 A hilarious new collection of razor-sharp observations from the

New York Times bestselling author of Brain Droppings. Few comics make the transition from stage to page as smoothly or successfully as George Carlin. Brain Droppings spent a total of 40 weeks on the New York Times bestseller list, and this new one is certain to tickle even more ribs (and rattle a few more cages) with its characteristically ironic take on life's annoying universal truths. In Napalm & Silly Putty, Carlin doesn't steer clear of the tough issues, preferring instead to look life boldly in the eye to pose the questions few dare to ask: How can it be a spy satellite if they announce on TV that it's a spy satellite? Why do they bother saying raw sewage? Do some people cook that stuff? In the expression topsy-turvy, what exactly is meant by turvy? And he makes some startling observations, including: Most people with low self-esteem have earned it. Guys don't seem to be called Lefty anymore. Most people don't know what they're doing, and a lot of them are really good at it. Carlin also waxes wickedly philosophical on all sorts of subjects, including: KIDS--They're not all cute. In fact, if you look at them closely, some of them are rather unpleasant looking. And a lot of them don't smell too good either. DEATH ROW--If you're condemned to die they have to give you one last meal of your own request. What is that all about? A group of people plan to kill you, so they want you to eat something you like? Add to the mix The Ten Most Embarrassing Songs of All Time, The 20th Century Hostility Scoreboard, and People I Can Do Without, and you have an irresistibly insouciant assortment of musings, questions, assertions, and assumptions guaranteed to please the millions of fans waiting for the next Carlin collection--and the millions more waiting to discover this comic genius.

Rising from Ashes: My Dear Emperor, You're Putty in My Hands! Vol.1 Makino Maebaru, 2023-08-31 The Villainess Priestess & The Foolish Emperor Rewrite Their Story! The Wagtail Priestess, Sai, has memories of a previous life, including knowledge about her ill-fated role to be condemned as the "Evil Priestess" in this life. Yet her efforts to resist her cruel destiny as an NPC in an otome game end in vain. Her fiancé is blinded by his love for the Saint, and so is the Order of Holy Knights he commands. Her execution is nigh--until the charming, winged emperor

of the neighboring Orient Empire, Haruka, rescues her from the ashes of her former home. Moved by Haruka's faith in her, Sai swears to dedicate her life to him and accepts his offer to move to his country, where she takes up residence in an uninhabited, derelict property inside the Imperial Palace: the former inner palace. Armed with her powerful magic, extensive knowledge, and memories from her past life, she happily lines up one achievement after another. Exorcism? Product development? Sacred rituals? Leave it to her! She lives a content life, but there's just one thing... "Your Majesty, I think people will misunderstand if you order me to attend you every night. I am merely melting you into a breathless mess with my recovery magic, nothing more!" So begins the tale of a lonely and earnest priestess who creates miracles in her vast, new world, and a beautiful emperor who chuckles in her wake, doting on her every step of the way.

Hey! It's Me, Putty! Mary Lockey,2015-08-12 Emily Jane Putnam, aka Putty, an orphan, lives a peaceful life in a group home in the small village of Garland's Ford in the southern mountains of North Carolina. Though she has intellectual and emotional challenges, Putty possesses a keen eye and open heart when it comes to life and love. Just ask Maggie Stephens, the new rector at St. Francis Episcopal Church. Maggie accepts her first call to a church after being honest with the search committee about her sexuality. While she finds a welcoming parish, she also finds love, thanks to Putty. Though Maggie is the cleric, Putty's purity of heart and her simple understanding of God's love teach Maggie as much as anything she studied in seminary. Or ask Anne Calvert, Putty's elegant neighbor and benefactor. Anne has been widowed for over twenty years. Is her heart ready to love again? Putty says yes! Putty helps revive Anne's activist spirit with the town council of Garland's Ford threaten to close the group home. Ask Sophie, Anne's spitfire of a sister, about Putty's ability to understand life and love. In an effort to help keep the group home open for Putty Sophie lands herself in a bit of hot water when she sells ads to go in the church bulletin. It is Sophie who meets Putty after each monthly fire drill in the group home - holding Putty and comforting her through the terror and torment that the fire drill causes. But even Sophie cannot unlock the secret to Putty's extreme reaction. Finally, ask ER, Maggie's Golden Retriever. Lovable ER (short for Eleanor Roosevelt) becomes Putty's best friend and is with Putty on the day Maggie is brutally attacked. ER is also with Putty at the fire drill when Putty remembers the fire night and the threat to tell no other person what happened. So Putty tells ER. Once you meet Putty and her friends, you will want to move to Garland's Ford. And you

will be welcome and made to feel right at home!
