Up a Country Lane Cookbook Evelyn Birkby, 1993 What can Evelyn Birkby possibly do to follow up the success of *aNeighboring on the Air: Cooking with the KMA Radio Homemakers*? She can do what she has done in writing *aUp a Country Lane Cookbook*. *a*For forty-three years she has written a column entitled *Up a Country Lane* for the *aShenandoah Evening Sentinel*. *a*Now she has chosen the best recipes from her column and interspersed them with a wealth of stories of rural life in the 1940s and 1950s, supplemented by a generous offering of vintage photographs. She has created a book that encompasses lost time. With chapters on The Garden, Grocery Stores and Lockers, Planting, and Saturday Night in Town, to name a few, *aUp a Country Lane Cookbook* *a*recalls the noble simplicity of a life that has all but vanished. This is not to say that farm life in the forties and fifties was idyllic. As Birkby writes, Underneath the pastoral exterior were threats of storms, droughts, ruined crops, low prices, sickness, and accidents. Following the Second World War, many soldiers returned to mid-America and a life of farming. From her vantage point as a farm wife living in Mill Creek Valley in southwestern Iowa, Birkby observed the changes that accompanied improved roads, telephone service, and the easy availability of electricity. Her observations have been carefully recorded in her newspaper column, read by thousands of rural Iowans. *Up a Country Lane Cookbook* *a*is, then, much more than a cookbook. It is an evocation of a time in all its wonder and complexity which should be read by everyone from Evelyn Birkby's nearest neighbor in Mill Creek Valley to the city slicker seeking an education. Cook a meal of Plum-Glazed Baked Chicken,

Elegant Peas, Creamed Cabbage, and Seven-Grain Bread, then finish it off with Frosted Ginger Creams with Fluffy Frosting. While the chicken is baking, read Evelyn's stories and think about the world the way it was.

Simplicity and Excellence Deirdre A. Scaggs, Evalina Kremer Settle, 2024-05-07 Born at the turn of the twentieth century in Cynthiana, Kentucky, Elizabeth Cromwell Kremer was a woman who strove for excellence in all things. Ever resistant to the constraints of social conventions, at a time when roughly 20 percent of the US workforce was female, Kremer worked her way up the ranks of the service industry. From the home economics classrooms of the University of Kentucky to the fine dining restaurants of Louisville and New York City, Kremer's tenacity, unconventionality, and dedication helped her build a legacy that celebrated the simplicity of good, traditional Kentucky country cooking. In 1967, after taking a twenty-seven-year hiatus from work to raise her family, Kremer reentered the business world at the age of sixty-five to open a restaurant for Kentucky's newly restored Shaker Village at Pleasant Hill. Under her guidance, what began as a small sandwich shop flourished into the iconic Trustees' Table restaurant at Shaker Village, which continues to attract guests from all over the world. In *Simplicity and Excellence: Elizabeth Kremer from Beaten Biscuits to Shaker Lemon Pie*, authors Deirdre A. Scaggs and Evalina Settle compile the first-ever biography of this incredible woman. Each of Kremer's classic recipes is bookended by charming and inspiring stories of her life, drawn from oral history passed down by Kremer's family and friends as well as archival materials. A gastronomic history like no other, *Simplicity and Excellence* effortlessly paints a portrait of one of the most influential forces behind the preservation of Kentucky's culture through its cuisine.
