Mail at the Millennium Edward L. Hudgins,2001-09-25 This book analyzes why the Postal Service needs to be privatized if mail delivery is to be an efficient component of rather than a corroded cog in the communications and information economy. The first section examines the state of the USPS, including its dangerous forays into cyberspace. The second section considers the changing structure of the mail market, including a look at labor problems, fatal flaws with the organization of the USPS, and the probable consequences of competition. The third section explores how to unwind government monopolies and reviews postal reforms in other countries. The fourth section offers actual reform and privatization proposals. Essays by Postmaster General William Henderson, Federal Express founder Frederick Smith, and Pitney Bowes CEO Michael Critelli contribute to making this volume an indispensable guide for charting the future of mail in the new millennium.

The Analyst in the Inner City, Second Edition Neil Altman,2011-08-24 In 1995, Neil Altman did what few psychoanalysts did or even dared to do: He brought the theory and practice of psychoanalysis out of the cozy confines of the consulting room and into the realms of the marginalized, to the very individuals whom this theory and practice often overlooked. In doing so, he brought together psychoanalytic and social theory, and examined how divisions of race, class and culture reflect and influence splits in the developing self, more often than not leading to a negative self image of the other in an increasingly polarized society. Much like the original, this second edition of *The Analyst in the Inner City* opens up with updated, detailed clinical vignettes and case presentations, which illustrate the challenges of working within this clinical milieu. Altman greatly expands his section on race, both in the psychoanalytic and the larger social world, including a focus on whiteness which, he argues, is socially constructed in relation to blackness. However, he admits the inadequacy of such categorizations and proffers a more fluid view of the structure of race. A brand new section, *Thinking Systemically and Psychoanalytically at the Same Time*, examines the impact of the socio-political context in which psychotherapy takes place, whether local or global, on the clinical work itself and the socio-economic categories of its patients, and vice-versa. Topics in this section include the APA's relationship to CIA interrogation practices, group dynamics in child and adolescent psychotherapeutic interventions, and psychoanalytic views on suicide bombing. Ranging from the day-to-day work in a public clinic in the South Bronx to considerations of global events far outside the clinic's doors (but closer than one might think), this book is a timely

revision of a groundbreaking work in psychoanalytic literature, expanding the import of psychoanalysis from the centers of analytical thought to the margins of clinical need.

*The Villa of Dreams* Lucy Coleman, 2020-12-01 'Beautifully written, comforting and utterly uplifting, Lucy Coleman's stories are the perfect tonic when life is a little grey.' Holly Martin Seren Maddison left behind a rainy Britain to follow her dreams and live and work in Lisbon. The vibrancy, the beautiful scenery and the sunshine, made her fall in love and she knew, instantly, that it would be her forever home. International artist Reid Henderson has homes in Lisbon and London. Following his painful divorce, his dream is to turn his luxurious home into an art school and gallery. When Seren and Reid first meet there is an instant attraction, but they are both people who have been hurt, and each have dreams that are so far apart, they aren't even on the same page. Can they enjoy one summer of happiness together, as life bestows a gift of memories to cherish for the rest of their lives? Or is their destiny to chart a path into the future, in a home where dreams can come true? Seren and Reid may be about to discover that love is as much about what you are prepared to give up, as what you are prepared to keep hold of. Let Lucy Coleman transport you away to sun-drenched

Portugal where true love really can conquer all, and home is where the heart is. Perfect for all fans of Trisha Ashley, Holly Martin and Sue Moorcroft. What readers say about Lucy Coleman: 'A new Lucy Coleman novel never fails to brighten up my day.' 'Lucy Coleman is quickly becoming one of my favourite authors... She seems to have a way of making you feel as though you've been transported into her book and you're right there experiencing it all with the characters.' 'A warm and emotional story that will really warm your heart.' 'I love Lucy Coleman's books. She always delivers such real characters, and her stories keep you turning the pages non-stop, but what I love best is the way she whisks you off into another world.'

*Heartbeat* Danielle Steel, 2009-02-25 Bill Thigpen, writer producer of the No.1 daytime TV drama was so busy watching his career soar that he never noticed his marriage collapse. Now, nine years later, living alone in Hollywood, even without his wife and kids, his life and success are still reasonably sweet. Top-of-the-chart ratings, good-natured casual affairs, and special vacations with his two young sons. His life is in perfect balance, he thinks. Adrian Townshed thought she had everything: a job she liked as a TV production assistant and a handsome husband who was a rising star in his own field. In as enviable life they'd worked hard for—the American Dream. Until she got pregnant. Suddenly all she had was chaos. And Steven's ultimatum. Him or the baby. The question was: did he mean it? He did. Bill Thigpen and Adrian Townshed collided in a supermarket. And the very sight of her suddenly makes him want more in his life.... a woman he really loves, a real family again. But does he need the heartache of another man's baby, another wife? Neither does. But they couldn't help it. Danielle Steel touches the Heartbeat of two wonderful people as their friendship deepens into love, as they meet the obstacles that life presents with humor, humanity, and courage.
