The Amazon Rainforest Adventure Monty J.

McClaine, 2018-11-15 “Eoww!” Sparkle, Holly, Jack and Charlie heard the most horrible yell... come from deep in the amazon rainforest. All four of the Relves, otherwise known as The Rescue Elves, stopped in their tracks and ran to see what made that gut-wrenching sound! The next thing they knew, a swarm of angry looking monkeys raced towards them, chittering and chattering loudly. Terrified but ready to protect themselves, the Relves were shocked when one monkey slowed to say the Monkey King was caught underneath Santa’s sleigh, which the rescue elves used for, well, rescuing practice. As always Sparke does her part as a fast-thinking, passionate leader, Jack as the lovable, slightly round and clumsy one, Holly as the calm, cool, arty one and Charlie as the

up-and-coming son of Father Time and Mother Earth. Together the four elves usually work as a well-oiled machine, but will this time be different? Will they be able to save the injured Monkey King in time?
