The Last Good Cowboy Kate Pearce,2017-04-25 Two rodeo stars get a second chance at high school love when they meet again on a California ranch in a romance by the New York Times bestselling author. Ry Morgan has always had a thing for Avery Hayes—one more hope his twin wrecked for him, kissing her at the high school prom while pretending to be Ry. Eight years later, Ry has had enough: he's quitting the pro rodeo circuit, moving home to California to mend fences, and letting his brother clean up his own messes for a change. Reclaiming Avery's stolen kiss is at the top of his agenda. But Avery isn't the girl she used to be. At the height of her rodeo career, a bad fall left Avery lucky to be alive, let alone walking. Between surgeries and fighting off everybody's pity, she hasn't been on a horse since. Ry is strong, confident, and sexy as hell—exactly what she thought she wanted at seventeen. Now, she'll have to protect the safe space she's made for herself—or risk it all for a dream she thought would never come again. “If you love cowboys—and who doesn't—you'll love the Morgans!” --Cora Seton, New York Times bestselling author on *The Reluctant Cowboy*

The Ranch Hand and the Single Dad Jackie North,2021-07-27 If Austin has forgotten what love is, maybe Clay can show him the way. Happy-go-lucky Clay keeps busy with hookups at the local bar after working hard at the ranch. Those hookups used to be fun, but now they leave him empty. Austin is reeling after a difficult divorce. His wife took everything, including full custody of his daughter, Bea, who is only nine. Austin doesn't know where his life is headed, but at least he's got a roof over his head, and a new job as accountant at Farthingdale Ranch. The job is exactly the kind of work he loves. The only problem is he's distracted by Clay, who is gay. Austin is straight. There's no way this can work. A gay m/m cowboy romance with age gap, hurt/comfort, opposites attract, single dad, out for you, midnight rendezvous, friendship between men. A little sweet, a little steamy, with a guaranteed HEA.
