Too Much Money Max Rashbrooke, 2021-11-25 Today, someone in the wealthiest 1 per cent of adults – a club of some 40,000 people – has a net worth 68 times that of the average New Zealander. *Too Much Money* is the story of how wealth inequality is changing Aotearoa New Zealand. Possessing wealth opens up opportunities to live in certain areas, get certain kinds of education, make certain kinds of social connections, exert certain kinds of power. And when access to these opportunities becomes alarmingly uneven, the implications are profound. This ground-breaking book provides a far-reaching and compelling account of the way that wealth – and its absence – is transforming our lives. Drawing on the latest research, personal interviews and previously unexplored data, *Too Much Money* reveals the way wealth is distributed across the peoples of Aotearoa. Max Rashbrooke's analysis arrives at a time of heightened concern for the division of wealth and what this means for our country's future.

Sacred Medicine Lissa Rankin, MD, 2024-05 “Sacred Medicine is a book of inclusion. It does not prescribe nor preach nor proselytize: it illustrates, informs, and illuminates.” –From the foreword by Dr. Gabor Maté, author of *When the Body Says No* and *In the Realm of Hungry Ghosts* In 2007, Lissa Rankin left a promising career in medicine to tend to her own health and well-being. Her search to discover why people really get sick and what truly optimizes health outcomes launched a bestselling book, two television specials, and a

revolution in the way we look at mind-body medicine. But so many questions remained for this doctor and skeptic. How is it that some people do everything right and stay sick, while others seem to do nothing extraordinary yet fully recover? How does faith healing work—or does it? What’s behind the phenomenon of spontaneous remission—and is this something we can influence? Can we make ourselves miracle-prone? Certain that, if she looked hard enough, she would find the answers, Dr. Rankin embarked on a decade-long journey to explore these questions and more. The result is *Sacred Medicine*, both a seeker’s travelogue and a discerning guide to the sometimes-perilous paths available to patients when wellness fads, lifestyle changes, and doctors have failed them. In *Sacred Medicine*, you’ll follow Dr. Rankin around the world to meet healers gifted and flawed, go on pilgrimage to sacred sites, investigate the science of healing, and learn how to stay safe when seeking a healer. You’ll receive the wisdom offered by Indigenous cultures for whom healing begins with our sacred connection to Mother Earth, and dive deep into the cutting-edge trauma research that is igniting a medical revolution. Rich with practices and protocols that Dr. Rankin has found particularly effective, *Sacred Medicine* delivers a thoughtful, grounded exploration of questions around how we heal—and a path of hope for those in need.

Two women. Two flights. One last chance to disappear. Claire Cook has a perfect life. Married to the scion of a political dynasty, with a Manhattan townhouse and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, nothing is quite as it seems. That perfect husband has a temper that burns bright and he's not above using his staff to track Claire's every move. What he doesn't know is that Claire has worked for months on a plan to vanish. A plan that takes her to the airport, poised to run from it all. But a chance meeting in the airport bar brings her together with a woman whose circumstances seem equally dire. Together they make a last-minute decision. The two women switch tickets, with Claire taking Eva's flight to Oakland, and Eva traveling to Puerto Rico as Claire. They believe the swap will give each of them the head start they need to begin again somewhere far away. But when the flight to Puerto Rico crashes, Claire realizes it's no longer a head start but a new life. Cut off, out of options, with the news of her death about to explode in the media, Claire will assume Eva's identity, and along with it, the secrets Eva fought so hard to keep hidden. For fans of Lisa Jewell and Liv Constantine, *The Last Flight* is the story of two women—both alone, both scared—and one agonizing decision that will change the trajectory

of both of their lives. Praise for *The Last Flight*: *The Last Flight* is a wild ride: One part *Strangers on a Train*, one part *Breaking Bad*, with more twists than an amusement park roller coaster!
