Solomon Northup

American Chinatown Bonnie Tsui, 2009-08-11 CHINATOWN, U.S.A.: a state of mind, a world within a world, a neighborhood that exists in more cities than you might imagine. Every day, Americans find something different in Chinatown's narrow lanes and overflowing markets, tasting exotic delicacies from a world apart or bartering for a trinket on the street -- all without ever leaving the country. It's a place that's foreign yet familiar, by now quite well known on the Western cultural radar, but splitting the difference still gives many visitors to Chinatown the sense, above all, that things are not what they seem -- something everyone in popular culture, from Charlie Chan to Jack Nicholson, has been telling us for decades. And it's true that few visitors realize just how much goes on beneath the surface of this vibrant microcosm, a place with its own deeply felt history and stories of national cultural significance. But Chinatown is not a place that needs solving; it's a place that needs a more specific telling. In *American Chinatown*, acclaimed travel writer Bonnie Tsui takes an affectionate and attentive look at the neighborhood that has bewitched her since childhood, when she eagerly awaited her grandfather's return from the fortune-cookie factory. Tsui visits the country's four most famous Chinatowns -- San Francisco (the oldest), New York (the biggest), Los Angeles (the film icon), Honolulu (the crossroads) -- and makes her final, fascinating stop in Las Vegas (the newest; this Chinatown began as a mall); in her explorations, she focuses on the remarkable experiences of ordinary people, everyone from first- to fifth-generation Chinese Americans. *American Chinatown* breaks down the enigma of Chinatown by offering narrative glimpses: intriguing characters who reveal the realities and the unexpected details of Chinatown life that American audiences haven't heard. There are beauty queens, celebrity chefs, immigrant garment workers; there are high school kids who are changing inner-city life in San Francisco, Chinese extras who played key roles in 1940s

Hollywood, new arrivals who go straight to dealer school in Las Vegas hoping to find their fortunes in their own vision of gold mountain. Tsui's investigations run everywhere, from mom-and-pop fortune-cookie factories to the mall, leaving no stone unturned. By interweaving her personal impressions with the experiences of those living in these unique communities, Tsui beautifully captures their vivid stories, giving readers a deeper look into what Chinatown means to its inhabitants, what each community takes on from its American home, and what their experience means to America at large. For anyone who has ever wandered through Chinatown and wondered what it was all about, and for Americans wanting to understand the changing face of their own country, American Chinatown is an all-access pass.

Lost and Living (In) Archives: Collectively Shaping New Memories Annet Dekker, 2017-11-21 An archive is a collection of documents and records that is preserved for historical purposes. As such, an archive is considered a site of the past, a place that contains traces of a collective memory of a nation, a people or a group. Digital archives have changed from stable entities into flexible systems, referred to with the term 'Living Archives'. But in which ways has this change affected our relationship to the past, present and future? Will the erased, forgotten and neglected be redeemed, and new memories be allowed? Will the fictional versus factual mode of archiving offer the democracy that the public domain implies, or is it another way for public instruments of power to operate? 'Lost and Living (in) Archives' shows that an archive is not simply a recording, a reflection, or an image of an event, but that it shapes the event itself and thus influences both present and past.

I'll Give You the Sun Jandy Nelson, 2014-09-16 A New York Times bestseller • One of Time Magazine's 100 Best YA Books of All Time • Winner of the Michael L. Printz Award • A Stonewall Honor Book The radiant, award-winning story of first love, family,

loss, and betrayal for fans of John Green, Becky Albertalli, and Adam Silvera Dazzling. —The New York Times Book Review A blazing prismatic explosion of color. —Entertainment Weekly Powerful and well-crafted . . . Stunning. —Time Magazine “We were all heading for each other on a collision course, no matter what. Maybe some people are just meant to be in the same story.” At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red-red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah’s to tell; the later years are Jude’s. But they each have only half the story, and if they can only find their way back to one another, they’ll have a chance to remake their world. This radiant, award-winning novel from the acclaimed author of *The Sky Is Everywhere* will leave you breathless and teary and laughing—often all at once.

Media Spectacle Douglas Kellner, 2003-08-29 During the mid-1990s, the O.J. Simpson murder trial dominated the media in the United States and were circulated throughout the world via global communications networks. The case became a spectacle of race, gender, class and violence, bringing in elements of domestic melodrama, crime drama and legal drama. According to this fascinating new book, the Simpson case was just one example of what the author calls 'media spectacle' - a form of media culture that puts contemporary dreams, nightmares, fantasies and values on display. Through the analysis of several such media spectacles - including Elvis, The X Files, Michael Jordan, and the Bill Clinton sex scandals - Doug Kellner draws out important insights into media, journalism, the public sphere and politics in an era of new technologies. In this excellent follow up to his best selling *Media Culture*, Kellner's fascinating new volume delivers an informative

read for students of sociology, culture and media.

Rattletrap Car Phyllis Root, Jill Barton, 2004-04-01 Various disasters threaten to stop Poppa and the children from getting to the lake in their rattletrap car, but they manage to come up with an ingenious solution to each problem.

The Trainable Cat John Bradshaw, Sarah Ellis, 2016-09-13 A New York Times Bestseller I have to hand it to Bradshaw and Ellis: Once you suss out their basic cat-training philosophy, their methods totally work. --Slate We often assume that cats can't be trained, and don't need to be. But in *The Trainable Cat*, bestselling anthrozoologist John Bradshaw and cat expert Sarah Ellis show that cats absolutely must be trained in order to enrich the bond between pet and owner. Full of training tips and exercises--from introducing your cat to a new baby to helping them deal with visits to the vet--*The Trainable Cat* is the essential cat bible for cat owners and lovers. I doubt you'll find a more well-informed or scientific book on cats that better shows you how feline thinking works. --Times (UK)

Our New Kittens Theo Heras, 2018-11-09 These two young brothers have waited weeks to welcome their new kittens, and they are determined to do a good job taking care of them. They help their new pets explore their food and water dishes, their litter boxes, and a comfy bed, trying to keep quiet and gentle so the kittens will feel safe. But one important question remains: What will they name these newest members of their family? Narrated by the elder brother, *Our New Kittens* is a warm, accessible story for young children learning about the responsibility of pet ownership. Theo Heras' text is informative without being didactic, while Alice Carter's sweet illustrations model age-appropriate pet care.

Guinness World Records 2015 Gamer's Edition Guinness World Records, 2014-11-11 Now in its eighth edition, Guinness World Records Gamer's Edition is the ultimate guide to videogames. With all-new design and photography, the fresh-

Read about the latest hardware developments in the battle of the eight-generation consoles, and explore the most exciting news stories across all the major gaming genres.

Crossword Lists Anne Stibbs, 2005

Bruno, Chief of Police Martin Walker, 2009-03-24 The first installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno. Meet Benoît Courrèges, aka Bruno, a policeman in a small village in the South of France. He's a former soldier who has embraced the pleasures and slow rhythms of country life. He has a gun but never wears it; he has the power to arrest but never uses it. But then the murder of an elderly North African who fought in the French army changes all that. Now Bruno must balance his beloved routines—living in his restored shepherd's cottage, shopping at the local market, drinking wine, strolling the countryside—with a politically delicate investigation. He's paired with a young policewoman from Paris and the two suspect anti-immigrant militants. As they learn more about the dead man's past, Bruno's suspicions turn toward a more complex motive. Enjoyable.... Martin Walker plots with the same finesse with which Bruno can whip up a truffle omelette, and both have a clear appreciation for a life tied to the land. —The Christian Science Monitor A nice literary pairing with the slow-food movement.... [It is] lovely...to linger at the table. —Entertainment Weekly A wonderfully crafted novel as satisfying

as a French pastry but with none of the guilt or calories. —Tuscon Citizen's Journal

The Story of the Good Little Boy Mark Twain,

The Marketing of Children's Toys Rebecca C. Hains, Nancy A. Jennings, 2021-04-13 This book offers rich critical perspectives on the marketing of a variety of toys, brands, and product categories. Topics include marketing undertaken by specific children's toy brands such as American Girl, Barbie, Disney, GoldieBlox, Fisher-Price, and LEGO, and marketing trends characterizing broader toy categories such as on-trend grotesque toys; toy firearms; minimalist toys; toytetics; toys meant to offer diverse representation; STEM toys; and unboxing videos. Toy marketing warrants a sustained scholarly critique because of toys' cultural significance and their roles in children's lives, as well as the industry's economic importance. Discourses surrounding toys—including who certain toys are meant for and what various toys and brands can signify about their owners' identities—have implications for our understandings of adults' expectations of children and of broader societal norms into which children are being socialized.

Twelve Years a Slave Solomon Northup, 2024-01-04

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best

remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Spanish: An Essential Grammar Peter T. Bradley, Ian MacKenzie, 2004-04-16 Spanish: An Essential Grammar is a concise and user-friendly reference guide to the most important aspects of Spanish. It presents a fresh and accessible description of the language that combines traditional and function-based grammar. The book sets out the complexities of Spanish in short, readable sections, and explanations are clear and free from jargon. The Grammar is the ideal reference source for the learner and user of Spanish. It is suitable for either independent study or for students in schools, colleges, universities and adult classes of all types. Features include: * clear distinctions between the essential and basic aspects of Spanish grammar and those that are more complex * full use of authentic examples * easy to understand explanations of areas that customarily pose problems for English speakers * detailed contents list and index for easy access to information.

Anagram Solver Bloomsbury Publishing, 2009-01-01 Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with

the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Of the Dignity or Meanness of Human Nature David Hume, THERE are certain sects, which secretly form themselves in the learned world, as well as factions in the political; and though sometimes they come not to an open rupture, they give a different turn to the ways of thinking of those who have taken part on either side. The most remarkable of this kind are the sects, founded on the different sentiments with regard to the dignity of human nature; which is a point that seems to have divided philosophers and poets, as well as divines, from the beginning of the world to this day. Some exalt our species to the skies, and represent man as a kind of human demigod, who derives his origin from heaven, and retains evident marks of his lineage and descent. Others insist upon the blind sides of human nature, and can discover nothing, except vanity, in which man surpasses the other animals, whom he affects so much to despise. If an author possess the talent of rhetoric and declamation, he commonly takes part with the former: If his turn lie towards irony and ridicule, he naturally throws himself into the other extreme. I am far from thinking, that all those, who have depreciated our species, have been enemies to virtue, and have exposed the frailties of their fellow creatures with any bad intention. On the contrary, I am sensible that a delicate sense of morals, especially when attended with a splenetic temper, is apt to give a man a disgust of the world, and to make him consider the common course of human affairs with too much indignation. I must, however, be of opinion, that the sentiments of those, who are inclined to think favourably of mankind, are more advantageous to virtue, than the contrary principles, which give us a mean opinion of our nature. When a man is prepossessed with a high notion of his rank and character in the creation, he will naturally endeavour to act up to it, and will scorn to do a base or vicious

action, which might sink him below that figure which he makes in his own imagination. Accordingly we find, that all our polite and fashionable moralists insist upon this topic, and endeavour to represent vice as unworthy of man, as well as odious in itself.

Technical Agile Coaching with the Samman Method Emily Bache, 2021-01-25 Samman Technical Coaching is an approach to Agile training that focuses on technical questions concerning how code is written. It is a highly effective way of increasing agility in your software development organization. The first part of the Samman method involves the coach working in an ensemble with development teams, programming in their production codebase. This hands-on mentoring is accompanied by daily learning hour sessions for mastering particular techniques. In this book you will discover how to put Samman into practice, improve your coding procedures and how you collaborate. It is a practical guide for aspiring and experienced coaches looking for fresh ideas and new ways of teaching Agile. It is both challenging and fun for developers and coaches alike.

Guitar Talk Joel Harrison, 2021-09-07 Secrets of master guitarists, revealed in conversation. Guitar Talk offers interviews with many of the most creative guitarists of our time. This new book presents these conversations, between Joel Harrison and Nels Cline, Pat Metheny, Fred Frith, Bill Frisell, Julian Lage, Elliott Sharp, Michael Gregory Jackson, Ben Monder, Anthony Pirog, Henry Kaiser, Mike and Leni Stern, Vernon Reid, Mary Halvorson, Nguyễn Le, Rez Abbasi, Ava Mendoza, Liberty Ellman, Brandon Ross, Wayne Krantz, Dave Fiuczynski, Wolfgang Muthspiel, Miles Okazaki, Sheryl Bailey, Rafiq Bhatia, and Ralph Towner—twenty-seven great guitarists in all. An enormous range of approaches and sounds exist in the modern guitar. The instrument can howl, scrape, scratch, scream, sing, pluck, and soothe. What stands out in this book is not so much the instrument itself, rather the wonderful and idiosyncratic personalities of these bold souls, their sometimes wild, often

zigzagging, and ultimately profound journeys toward beauty, meaning, and excellence in their work. We find out that jazz icon Bill Frisell won a high school band contest playing R&B tunes, beating out future members of Earth Wind and Fire. We learn which of Nels Cline's compositions he wishes to have played at his funeral. Michael Gregory Jackson recounts painful episodes of racism as he stretched between the chasm of avant jazz, rock, and blues in the 1980s. Many more revelations, amusements, and philosophies abound.

Gimme Some Sugar Sawyer Bennett, 2019-06-11 Larkin Mancinkus prides herself on making the town of Whynot, North Carolina just a little sweeter. As owner of Sweet Cakes Bakery, Larkin gets all the town gossip – the sugar, the spice, and the everything not so nice. So when she finds herself on the tip of everyone's tongue thanks to an encounter with a mysterious and handsome stranger, she learns the true meaning of 'if you can't stand the heat, get out of the kitchen.' Deacon Locke has spent his life traveling the world with no particular destination in mind. But when he rolls into Whynot on his Harley, he just knows there is something different about this town. What he doesn't know is that out of all the places he's traveled and all the people he's met, the gorgeous bakery owner might just entice him to put down some solid roots. Come on down to see what's cookin' between Larkin and Deacon!
