Primary Games Book 1 Carol Kidd,2013-10-24 Unlike many other puzzle books, this series offers your early learner total independence to play them without any assistance from you. It is a self-checking puzzle book that gives a child complete freedom to enjoy words he is learning and to check his answers all by himself easily. In Book 1 of Primary Games, your child will find a book in LARGE PRINT that uses lower-cased lettering. Unlike most other game books, this one uses the SAME LIST of spelling words in each set of puzzle games. This means, that after he has played all the puzzles, he will have a sense of mastery for the words he has been using. Here is what you will find in this resource: 1. Using visually attractive picture images beside each spelling word, your child or student will have an illustration of the word he is learning to spell 2. These SAME spelling words are then used in the WORD SEARCH PUZZLE. Each puzzle only incorporates horizontal and vertical letter placement. Backward and diagonal lettering are not used to prevent confusion 3. The ANSWERS to each word search puzzle can be found on the BACK of the puzzle page, making it easy for your child to receive immediate feedback and any necessary help with his efforts 4. Next, the CROSSWORD PUZZLE incorporates the SAME spelling words your child has been playing with; however, instead of clues, the words are listed, making it fun for him to find the numbers and fill in the blanks 5. In the final puzzle game of the set, your child will get to test himself with a Fill-in-the-Blanks game that uses the SAME words he has been learning in the other puzzle games 6. And because of the large print, your child will have plenty of room to practice writing his letters, eliminating the frustration of spaces that are too small Through the use of REPETITION and learning to see the SHAPES of words by using lower-case lettering, your child will experience success and confidence--all without any supervision or help from YOU! And be sure to check out Book 2 of Primary Games for continued fun--for you AND your child!

The Four Seasons ~ Spelling Time ~ Master 150 Spelling Words Through Art and Logic Charity Thayer, Mimi Thayer, 2016-01-21 This is a very creative spelling book for children who have serious problems with spelling! The book is perfect for creative, active and imaginative children who like animals. The activities are fun and they use logic to show children how to teach themselves to spell 150 important words! We teach spelling without flash cards, quizzes or test. We do not ask children to memorize lists. Instead we use art, logic and creativity to help children to remember how to spell all of these essential spelling words. This book is designed for children who can read on a second grade level or higher. Children will use this book to practice reading, writing, spelling, logic, art, drawing, coloring, creating calendars and for writing their own stories and poems. If the child is Dyslexic this book should follow Dyslexia Games Series B. This book uses the Open Dyslexic Font and also gives children the opportunity to color their spelling words. The activities bounce back and forth between coloring, drawing, finding the missing parts of poems and pictures while the students use their imagination. This activity book is designed for children who need right brain stimulation while learning how to read, write and spell. This book teaches spelling through rhyming, whole word visual picturing, logic, copying, coloring, and memory boosting games. If your child struggles with phonics instruction, don't worry! This is the perfect activity book to help teach spelling, reading and writing to students who learn in unique ways and struggle with phonics! This book includes many fun activities like making monthly calendars and making up poems and stories using their spelling words. The artwork in this book is very cute with nature and animals as the theme. The main character is a whimsical little girl. Some little boys may think the book is for girls, although many of the animal friends are boys. If your

child can read and just needs to practice spelling, then you can assign two Do-It-Yourself Pages every day. If your child is a struggling reader you will need to take three minutes per day to read the poem with your child. Finally! Spelling can be a FUN part of your child's education! Here are some words your child will master: Above Again Along Always April Arrives August Autumn Beach Beauty Begin Berries Bloom Brand Breeze Bright This book is excellent for homeschooling students ages 7 to 12, for children with Dyslexia, and for summer bridge activities for grades 2 to 5.
