Rock Chick Rematch: A Rock Chick Novella Kristen Ashley,2024-04-22 New York Times and USA Today bestselling author Kristen Ashley brings a new story in her Rock Chick series... In high school, Malia Clark found the man of her dreams. Darius Tucker. But life hits them full in the face way before it ever should. Darius makes a drastic decision to keep his family safe and Malia leaves town with a secret. When Malia returns, she seeks Darius to share all, but Darius finds out before she can tell him. At the same time, she finds out just how much Darius has changed in the years she's been away. She just refuses to give up on him. Until he forces her hand. Secrets come between Malia and Darius, at the same time Malia has to worry about weird things going on at the law firm where she works, her kid wants a car and she's stuck in slow-cooker hell. Luckily, her ride or dies have her back. And in the meantime, she might just learn she never should have lost hope in Darius Tucker. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.** Reviews for Rock Chick Rematch: I waited years for this story and it was worth the wait. They're a Match Chloe Liese,2019-08-08 One blazing relational bond formed by two fiery lovers. And a new element just joined the formula. Chemistry calls it covalence. Shakespeare named it the marriage of true minds. Historically speaking, Nairne never liked the impractical notion of marriage, and Zed never thought he'd live to see the day when tying the knot was even an option. After a decade of entanglement in the mafia, Zed's now free to play the game he loves and love the woman who owns his heart. Problem is, the spitfire's been a loner her whole life. Independent, self-reliant, and driven. And she wants nothing to do with marriage, since statistically it fails more than it succeeds, which to her scientific mind is the universally acknowledged definition of an experimental bust. But the elemental pull toward matrimony between the sexy scientist and her dark and handsome soccer star is stronger than Nairne anticipates. Can she risk her heart for her perfect match, even if it's a gamble rather than a sure bet? In the game of life, you win some, you lose some. And They Lived Happily Ever After is theirs for the taking, but for that pesky little word that so often gets overlooked...Lived. Book Three in the Tough Love Series--a suspenseful romance, full of sexy Italians, feisty heroines, a house full of friends and family, and an ending that closes the chapter on these lovers, and paves the way for new ones.

And she's gifting the business to Jake—whether he likes it or not—while she follows her dream of becoming a singer in Nashville. But Jake knows next to nothing about matchmaking, and it's soon clear that he needs an assistant. Spent Matches Roy Moran,Refraction,2015-07-07 *Spent Matches* explores the possibility that a few small paradigm shifts within the church might make the difference between extinction and effectiveness. In fact, taking a clue from the automobile industry, the church might be able to not only halt the rapid decay in attendance but also become an effective tool in achieving Jesus' final command. For instance, the Hybrid car has become the answer to Detroit's environmental and oil crisis issues. Finding the synergy between two technologies, gas and electric has created a new day for the auto industry. Likewise, *Spent Matches* explores how the church can find synergy between two seemingly competing thoughts: an invitation to come and a command to go. The Hybrid metaphor brings energy to the church's mission and an explanation to the age-old argument of Missional versus Attractional methods. Features include: Innovative ideas for growing the church Methods to reach those who may never have attended church Scripture passages that touch on the subject of church growth
