***How to Build a Real Estate Empire*** Marcel Arsenault, John Hamilton, Ben Leeds, Gerald Marcil, 2005-08-01 This book contains the real estate investment histories of four highly successful individuals. Within this publication, the investors describe the paths they took that resulted in the creation of four separate, self-sustaining real estate empires. Self-sustaining means that the companies they started would continue to flourish without the day-to-day input of the founder. To fulfil such a qualification, the founder must have built a company consisting of a group of independent real estate entrepreneurs who are capable of managing and growing the business to the next level of success. The investors contributing to this book have achieved that goal.

**Build a Rental Property Empire** Mark Ferguson, 2016-03 I finally got a chance to purchase and read your book (Build a Rental Property Empire). It was easy to read and practical and pragmatic - and I liked it enough to give a copy to my son who is just starting out with his real estate investing and also to two of my investor clients as closing gifts.-Sharon Learn the best way to invest in rental properties in this 300 plus page book written by real estate investor Mark Ferguson (owns more than 100,000 sqft of rentals). This book gives you the exact details on how to finance, find, analyze, manage, and even sell rental properties. Where other books lack the details on how to actually make money in real estate, this book is all about the details. It is written by someone who has been investing in real estate for over 15 years and is still investing today. If you are having trouble figuring out how to find the right properties, how to finance them, where to buy properties, or how to buy with little cash, this book tells you how to overcome those obstacles. If you can't find your answer in the book, Mark even gives away his email address where you can ask him directly. Mark is a successful rental property owner, fix and flipper and real estate broker. Mark has sold over 1,000 houses as a broker, flipped over 155 houses, and owns his own office Blue Steel Real Estate.
