**The Freedom Writers, Erin Gruwell**

30 Before 30 Marina Shifrin, 2018-07-24 A charming, relatable and hilarious collection of essays documenting a young woman's attempt to accomplish thirty life goals before turning thirty. Something was nagging Marina Shifrin. As a freshly minted adult with student loan payments, a barely hospitable New York apartment, a “real” job she hated that paid her enough to get by if she also worked two other jobs, something needed to change. Over a few bottles of Two Buck Chuck, Marina and her friend each made lists of thirty things they’d do before the age of thirty. The first thing on Marina’s list was, “Quit My Shitty Job.” So she did, and just like that the List powered her through her twenties. In 30 Before 30, Marina takes readers through her list and shares personal stories about achieving those goals. Ranging in scope from the simple (Ride A Bike Over the Brooklyn Bridge, Donate Hair) to the life-changing (Move to A Different Country, Become internet Famous), each story shows readers that we don’t all have it figured out, and that’s okay. But for Marina, she did become internet famous (a viral video of her quitting her job after moving to Asia has nearly 19 million views on You Tube) and now writes for Comedy Central’s hit show @Midnight, is also an in-demand stand up, and had a very popular Modern Love column published in the New York Times. None of that would have happened if she didn’t start her list that night. Thank you, Two Buck Chuck. Told with humor and heart, 30 Before 30 will entertain, motivate, and challenge readers to get out of their comfort zones and live their best lives.

**Beckett, Lacan and the Mathematical Writing of the Real** Arka Chattopadhyay, 2019-01-01 Beckett, Lacan and the Mathematical Writing of the Real proposes writing as a mathematical and logical operation to build a bridge between Lacanian psychoanalysis and Samuel Beckett's prose works. Arka Chattopadhyay studies aspects such as the fundamental operational logic of a text, use of mathematical forms like geometry and arithmetic, the human obsession with counting, the moving body as an act of writing and love, and sexuality as a challenge to the limits of what can be written through logic and mathematics. Chattopadhyay reads Beckett's prose works, including *How It Is*, *Company*, *Worstward Ho*, *Malone Dies* and *Enough* to highlight this terminal writing, which halts endless meanings with the material body of the word and gives Beckett a medium to inscribe what cannot be written otherwise.

**The Freedom Writers Diary (20th Anniversary Edition)** The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom*

Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.
