The Rough Guide to Sicily Jules Brown,2013-09-26 The Rough Guide to Sicily is the ultimate guide to this fascinating island. From flamboyant Arabo-Norman cathedrals to stunning galleries and the best collection of Greek temples outside Greece, all Sicily's attractions are thoroughly covered. Sicily's natural beauties are also taken care of; including the ascent of Europe's greatest volcano, Etna, hiking trails in the Monti Madonie and the most exquisite beaches of the Aeolian Islands. From Palermo to Taormina, unearth all the best restaurants, bars and cafés, the liveliest nightlife and the most brilliant festivals. The Rough Guide to Sicily provides detailed practical advice on where to stay, from hostels to luxury boutique hotels, how to get around and how to get the best value for money. The guide also includes two full-colour sections, and background information on the art, architecture and history of this most colourful of Mediterranean islands. Accurate maps and comprehensive practical information help you get under the skin of Sicily, whilst stunning photography and a full-colour introduction make this your ultimate travelling companion. Originally published in print in 2011. Make the most of your trip with The Rough Guide to Sicily. Now available in ePub format.

Real-World Reasoning: Toward Scalable, Uncertain Spatiotemporal, Contextual and Causal Inference Ben Goertzel, Nil Geisweiller, Lucio Coelho, Predrag Janičić, Cassio Pennachin,2011-12-02 The general problem addressed in this book is a large and important one: how to usefully deal with huge storehouses of complex information about real-world situations. Every one of the major modes of interacting with such storehouses – querying, data mining, data analysis – is addressed by current technologies

only in very limited and unsatisfactory ways. The impact of a solution to this problem would be huge and pervasive, as the domains of human pursuit to which such storehouses are acutely relevant is numerous and rapidly growing. Finally, we give a more detailed treatment of one potential solution with this class, based on our prior work with the Probabilistic Logic Networks (PLN) formalism. We show how PLN can be used to carry out realworld reasoning, by means of a number of practical examples of reasoning regarding human activities inreal-world situations.

The Care Crisis Emma Dowling,2022-04-05 What is care and who is paying for it? Every one of us will need care at some point in life: social care, healthcare, childcare, eldercare. In the shadow of COVID-19, care has become the most urgent topic of our times. But our care systems are in crisis. Concern for the most vulnerable has been overtaken by an obsession with profits and productivity. How did we end up here? In an era of economic turmoil, lower birth rates and increased life expectancy mean a larger proportion of the population than ever before is of retirement age. As a result, more people need care, and their numbers are rising. Yet, despite the demand, public services continue to be cut and sold off. Those most in need are left to fend for themselves. In this groundbreaking book, Emma Dowling charts the multifaceted nature of care in the modern world, from the mantras of self-care and what they tell us about our anxieties to the state of the social care system. The Care Crisis examines the ways that profitability and care are played off against each other, exposing the impacts of financialisation and austerity. Dowling charts the current experiments in short-term solutions now taking place. In a new afterword, she examines the care crisis through the lens of the Covid-19 pandemic, revealing the devastating consequences of a collision between an ongoing care crisis and the coronavirus.

The Rough Guide to Sicily Rough Guides,2014-05-01 The new-look Rough Guide to Sicily - now in full colour throughout - is the ultimate travel guide to the Mediterranean's most captivating island. Discover the highlights of Sicily through stunning photography, colour coded street maps, and detailed listings of hotels, B&Bs, campsites, restaurants, cafes and bars. Climb the active volcanoes of Etna, Stromboli and Vulcano; laze on unspoilt beaches; dive the waters of Ustica and the Aeolian islands; see the ancient Greek temples of Agrigento, Segesta and Selinunte, and the world's first bikinis at the Roman Villa of Piazza Armerina. Sample the streetfood of Palermo, the markets of Catania and the island city of Siracusa, and follow in the footsteps of TV detective Montalbano, to the glorious Baroque towns of the Val di Noto. Make the most of your time with The Rough Guide to Sicily. Now available in ePub format.

Socio-Cultural Influences on Teenage Pregnancy and Contemporary Prevention Measures Akella, Devi,2018-09-07 Teenage pregnancy is a public health concern that is growing more prevalent in both developed and developing countries. Understanding the problems of teenage motherhood and suggesting relevant preventive strategies and interventions can help break the cycle of poverty, poor education, and risky behaviors that can lead to health and child welfare issues. Socio-Cultural Influences on Teenage Pregnancy and Contemporary Prevention Measures is an essential reference source that discusses the causes and factors responsible for early motherhood, as well as the mental and psychological outlooks of teen mothers. Featuring research on topics such as minority populations, family dynamics, and sex education, this book is ideally designed for healthcare students, medical professionals, practitioners, nurses, and counselors seeking coverage on the issues, reasons, and outcomes of teenage pregnancy, as well as preventive strategies to combat teenage motherhood.

Radio Production Robert McLeish,Jeff Link,2015-09-16 Radio Production is for professionals and students interested in understanding the radio industry in today's ever-changing world. This book features up-to-date coverage of the purpose and use of radio with detailed coverage of current production techniques in the studio and on location. In addition there is exploration of technological advances, including handheld digital recording devices, the use of digital, analogue and virtual mixing desks and current methods of music storage and playback. Within a global context, the sixth edition also explores American radio by providing an overview of the rules, regulations, and purpose of the Federal Communications Commission. The sixth edition includes: Updated material on new digital recording methods, and the development of outside broadcast techniques, including Smartphone use. The use of social media as news sources, and an expansion of the station's presence. Global government regulation and journalistic codes of practice. Comprehensive advice on interviewing, phone-ins, news, radio drama, music, and scheduling. This edition is further enhanced by a companion website, featuring examples, exercises, and resources: www.focalpress.com/cw/mcleish.

The Power of Negative Thinking Benjamin Schreier,2009-04-20 Benjamin Schreier is suspicious of a simple equation of cynicism with quietism, nihilism, selfishness, or false consciousness, and he rejects the notion that modern cynicism represents something categorically different from the classical outlook of Diogenes. He proposes, instead, that cynicism names the difficult position of not being able to recognize the relevance of democratic social norms in the future and yet being nonetheless invested in the power of these norms to determine cultural identity and to regulate social practices. In his readings of Henry Adams's Education, Willa Cather's The Professor's House, F. Scott Fitzgerald's The Great Gatsby, and Nathanael West's Miss Lonelyhearts, the author affirms that cynicism is an important and under-appreciated current in mainstream modern American literature. He finds that, far from the simple selfishness or apathy for which it is so often dismissed, the cynicism in these texts is suffused by a desire for the certainty promised by norms such as national teleology, ethnic identity, and civic participation. But without faith in the relevance of these regulating terms, cynics lack ready accounts of America and of their place in it. Schreier's focus is not only on the cynical characters in the texts but also on the textual and epistemological strategies used to render normative narratives recognizably legitimate in the first place. In his refusal to historicize cynicism away with generalized claims about American society, Schreier argues instead that cynicism stages an unanswerable challenge to the specific expectations through which normative accounts of history become visible. The Power of Negative Thinking makes a vital and wide-ranging contribution to our understanding of American literature, intellectual and cultural history, philosophy, ethics, and politics. Schreier's close reading and his vigorous theoretical

examination of analytical first principles combine to make a book that is valuable not only to the study of methodology but also to the scrutiny of the very assumptions the humanities bring to the exploration of the way we think.

Mountain Pathways ,1912

The Commonalities of Global Crises Christian Karner,Bernhard Weicht,2016-05-26 Bringing together contributions from an international group of social scientists, this collection examines diverse crises, both historical and contemporary, which implicate market forces, widening inequalities, social exclusion, forms of resistance, and ideological polarisation. The Commonalities of Global Crises offers carefully researched case studies which stretch across large geographical distances- from Egypt to the US and from northern, central, eastern and southern Europe to South America- and covers timely issues including human rights, slavery, care, migration, racism, and the far right. The volume demonstrates that such different settings and diverse concerns are characterized by a common tension in which the crises that unfold around pressures of widening marketization and commodification are met by the (re)building or re-assertion of various communities, and competing politics of solidarity and nostalgia.

Annual Report of the Board of Education Massachusetts. Board of Education,1919

The Unfortunates Sophie McManus,2015-06-02 In this brilliant social satire of life among the 1 percent of the 1 percent (The Washington Post), Sophie McManus presents a contemporary American tragedy of breathtaking scope. The Unfortunates is the story of a wealthy family coming to terms with how their privilege and entitlement means nothing in the face of an uncaring universe. A larger-than-life heiress to a rubber baron’s fortune, once known for her cruel wit as much as for her tremendous generosity, Cecilia Somner is now in opulent decline. Afflicted with a rare disease and touched by mortality for the first time, her gilded, bygone values collide with an unforgiving present. Now, along with her troubled son, George, and his working-class wife, Iris, CeCe must face the Somners’ dark legacy and the corrupting nature of their fortune. As the family struggles to cope with their rising misfortunes, the secrets and lies between matriarch, son, and daughter-in-law grow entangled. CeCe’s condition topples her world, giving her a glimpse at how the rest of society deals with disaster, changing her perspectives on medical marijuana, physical and mental illnesses, housing crises, and LGBTQ families. But her realizations come too late as the Somners are besieged by a startling turn of events as unforgettable as it is unexpected. While no riches can put things right for the unfortunate Somners, when all is lost they learn what life beyond the long, shimmering shadow cast by their dynasty may become. A strong, gripping debut (Entertainment Weekly), The Unfortunates is a hilarious and heartbreaking novel about a prominent family on the edge of ruin and a meditation on love as delusional obsession, as transformation, and ultimately as a coming to grace. A modern-day Edith Wharton.—RON CHARLES, The Washington Post McManus is a talented, intelligent writer, and the story is as well-paced as a good thriller.—MOIRA HODGSON, The Wall Street Journal A wonderfully precise and subtle?not to mention unexpectedly moving?take on the assumptions and beleaguerments that go with great wealth.—DAPHNE MERKIN, The New Yorker Shortlisted for the Center for Fiction First Novel Prize and Longlisted for the National Book Critics Circle's John Leonard Prize A Washington Post Notable Book of the Year and a New York Times Book Review Paperback Row Pick Named a Must-Read by Entertainment Weekly, Time, New York Observer, Time Out (New York), Bloomberg Businessweek, Travel + Leisure, and Paste magazine

fugly Mimi Jean Pamfiloff,101-01-01 A USA Today Bestselling Contemporary Romance from Author Mimi Jean Pamfiloff UGLY IS IN THE EYE OF THE BEHOLDER... My name is Lily Snow. I am twenty-five years old, and despite being born with an unattractive face, I have never doubted who I am: smart, driven, and beautiful on the inside. Until I met Maxwell Cole. He’s handsome, excessively wealthy, and the owner of Cole Cosmetics. It’s been my dream to work for this man for as long as I can remember. The good news is he wants to hire me. The bad news is he wants me for all the wrong reasons. Ugly reasons. In exchange, he’s offered me my dreams on a silver platter. The job. The title. A beautiful future. But this man is as messed up and ugly as they come on the inside. I’m not sure anyone can help him, and he just might take my heart down with him.
