Perfect Natasha Friend,2010-01-01 Depicting with humor and insight the pressure to be outwardly perfect, this novel for ages 10-13 shows how one girl develops compassion for her own and others' imperfections. For 13-year-old Isabelle Lee, whose father has recently died, everything's normal on the outside. Isabelle describes the scene at school with bemused accuracy--the self-important (but really not bad) English teacher, the boy that is constantly fixated on Ashley Barnum, the prettiest girl in class, and the dynamics of the lunchroom, where tables are turf in a all-eyes-open awareness of everybody's

relative social position. But everything is not normal, really. Since the death of her father, Isabelle's family has only functioned on the surface. Her mother, who used to take care of herself, now wears only lumpy, ill-fitting clothes, cries all night, and has taken every picture of her dead husband and put them under her bed. Isabelle tries to make light of this, but the underlying tension is expressed in overeating and then bingeing. As the novel opens, Isabelle's little sister, April, has told their mother about Isabelle's problem. Isabelle is enrolled in group therapy. Who should show up there, too, but Ashley Barnum, the prettiest, most together girl in class.

What I Lost Alexandra Ballard, 2017-06-06 What sixteen-year-old Elizabeth has lost so far: forty

pounds, four jean sizes, a boyfriend, and her peace of mind. As a result, she's finally a size zero. She's also the newest resident at Wallingfield, a treatment center for girls like her—girls with eating disorders. Elizabeth is determined to endure the program so she can go back home, where she plans to start restricting her food intake again. She's pretty sure her mom, who has her own size-zero obsession, needs treatment as much as she does. Maybe even more. Then Elizabeth begins receiving mysterious packages. Are they from her ex-boyfriend, a secret admirer, or someone playing a cruel trick? This eloquent debut novel rings with authenticity as it follows Elizabeth's journey to taking an active role in her recovery, hoping to get back all that she lost.
