Intimate Deception Dr. Sheri Keffer, 2018-03-20 Nothing destroys trust like sexual betrayal. Beyond broken vows, a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self-image and self-worth. She must grapple with the fact that the man she thought she knew has lied and deceived her. She may even bear the brunt of shame and judgment when the people around her find out. Drawing from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal, Dr. Sheri Keffer walks women impacted by betrayal through the pain and toward recovery. She explains how the trauma of betrayal affects our minds, bodies, spirits, and sexuality. She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction. And she shows women how to practice self-care, develop healthy boundaries, protect themselves from abuse or manipulation, and find freedom from the burden of shame and guilt.

Each chapter begins with an intuitive verbal explanation of the chapter's central message on why the chapter is important and where it is headed. Chapter Review. Rather than just giving a simple outline of the chapter, all the key concepts in the chapter are covered in a simple, easy-to-follow account. Useful Formulas. Where appropriate, a list of useful formulas from the chapter is provided so that one need not search the text to

find formulas necessary for solving the problems. Example Problems and Solutions. Here, sample problems similar to the problems in the text are provided, along with step-by-step solutions. To provide a guide to solving the problems, each example states the topic that the problem illustrates. Supplementary Exercises. Once the example problems are studied, one's skills can be put to work by solving problems. A variety of exercise types is offered to accommodate various learning styles.
