Red Line P. J. Crowley,2016-12-15 Over the past quarter century, four consecutive American presidents—two Democrat, two Republican—have spent more time, diplomatic capital, and military resources on Iraq than any other country in the world. Much as the Vietnam syndrome cast a long shadow over American security policy in the decades after the end of the Vietnam War, Iraq provides the commanding narrative for this generation of American leaders. In this book, former Deputy Secretary of State P. J. Crowley, one of America’s most insightful national security commentators, unpacks the legacy of American triumphs and failures in Iraq . He argues that presidents have fallen victim to the Iraq Syndrome—the disconnect between politics, policy, strategy, and narrative—that has hampered America’s foreign policy in the Middle East and hotspots throughout the world. In order to maintain America’s global leadership role, Crowley argues that the next president must realign American’s national security politics, policies, strategies, and narrative for the long term.

Farraday Country: Contemporary Romance Boxed Set: Books 8-11 Chris Keniston,2018-12-06 Welcome to Farraday Country, a heartwarming contemporary twist on 7 Brides for 7 Brothers. Complete with swoon worthy heroes this bestselling series set in cattle-ranching West Texas is filled with all the friends, family and fun that fans have come to expect from USA TODAY Bestselling author Chris Keniston. This collection includes books 8-11 of the series. HANNAH: Tuckers bluff isn’t done playing matchmaker for the Farradays. Welcome to Hannah, book 8 in the Farraday Country series. For Hannah Farraday, working at her family's new equine center is a dream come true. Each of her cousins has found their happily ever after, but she's not looking for Prince Charming. Especially not one who rides into town and knocks her boots over tea kettle. Dallas police officer Dale Johnson plans to leave Texas in the dust. What should have been a pit stop in Tuckers Bluff is turned on its head when a chance encounter with a beautiful woman on horse back leaves him playing knight in shining armor. Can fairytales come true when reality and dreams collide? IAN: For Texas Ranger Ian Farraday, nothing beats catching bad guys, except family time in Tuckers Bluff. When fate steps in and brings him face-to-face with one curvy—and unforgettable—damsel in distress, all it takes is a stray puppy and a few missing cows to turn his ranch vacation upside down. Attending a wedding isn't supposed to land Kelly Morgan in jail. Lucky for her, the Farraday men are always ready to save the day—especially one long, tall Texan. Too bad the embarrassing mishap turns out to be the least of her worries. After all, every woman needs a knight in shining armor once—or twice—in a lifetime. JAMISON: Do you love the Farradays, the Ladies Afternoon Social Club, the mysterious dogs and their pups, Sisters, and so much more happening in Tuckers Bluff? Then you won’t want to miss Jamison, the next matchmaking escapade, as he tumbles into love with everyone's friend and favorite café owner, Abbie. KEEPING EILEEN: Ready for the next romance and latest shenanigans in Tuckers Bluff? Love Aunt Eileen and the Ladies Afternoon Social Club? Can't get enough of the mysterious dogs? Then join the Farraday clan as the arrival of a stranger in town spins their world topsy-turvy: Once upon a time, Eileen Callahan walked away from love to mother her sister’s children. Since that day, life on the Farraday ranch has been good. Very good. That is, until a silhouette in the doorway brings her former dreams back to life. Torn between past and present, will choosing her future be the hardest thing Eileen’s ever done? Praise for Farraday Country: My kind of read! Spend an afternoon with a great romance story, a feisty heroine, and one unforgettable hero. It is perhaps obvious to state that terrorists cannot plan and carry out attacks in the United States if they are unable to enter the country. Yet prior to September 11, while there were efforts to enhance border security, no agency of the U.S. government thought of border security as a tool in the counterterrorism arsenal. Indeed, even after 19 hijackers demonstrated the relative ease of obtaining a U.S. visa and gaining admission into the United States, border security still is not considered a cornerstone of national security policy. We believe, for reasons we discuss in the following pages, that it must be made one.
