Perestroika in Paris Jane Smiley,2021-11-02 NATIONAL BESTSELLER • From the Pulitzer Prize-winning and best-selling author: a captivating, brilliantly imaginative story of three extraordinary animals—and a young boy—whose lives intersect in Paris in this feel-good escape” (The New York Times). Paras, short for Perestroika, is a spirited racehorse at a racetrack west of Paris. One afternoon at dusk, she finds the door of her stall open and—she's a curious filly—wanders all the way to the City of Light. She's dazzled and often mystified by the sights, sounds, and smells around her, but she isn't afraid. Soon she meets an elegant dog, a German shorthaired pointer named Frida, who knows how to get by without attracting the attention of suspicious Parisians. Paras and Frida coexist for a time in the city's lush green spaces, nourished by Frida's strategic trips to the vegetable market. They keep company with two irrepressible ducks and an opinionated raven. But then Paras meets a human boy, Etienne, and discovers a new, otherworldly part of Paris: the ivy-walled house where the boy and his nearly-one-hundred-year-old great-grandmother live in seclusion. As the cold weather nears, the unlikely of friendships bloom. But how long can a runaway horse stay undiscovered in Paris? How long can a boy keep her hidden and all to himself? Jane Smiley's beguiling new novel is itself an adventure that celebrates curiosity, ingenuity, and the desire of all creatures for true love and freedom.

Red Dog (film tie-in) Louis de Bernières,2011-04-01 The story of the legend of Red Dog, the most famous red Kelpie in Western Australia. Red Dog is a West Australian, a lovable friendly red kelpie who found widespread fame as a result of his habit of travelling all over Western Australia, hitching rides over thousands of kilometres, settling in places for months at a time and adopting new families before heading off again to the next destination and another family - sometimes returning to say hello years later. While visiting Australia, Louis de Bernieres heard the legend of Red Dog and decided to do some research on this extraordinary story. After travelling to Western Australia and meeting countless people who'd known and loved Red Dog, Louis decided to spread Red Dog's fame a little further. The result is an utterly charming tale of an amazing dog with places to go and people to see. Red Dog will delight readers and animal lovers of all ages. This book inspired the film, Red Dog, which has gone on to become one of Australia's highest grossing films of the past few decades.

Red Dog Bill Wallace,2002-09 Living with his family in the rugged, often dangerous, Wyoming mountains in the 1860's, twelve-year-old Adam finds his courage put to the test when he is left in charge of the household during his stepfather's absence.

The Snow Champion Carol Pugiano-Martin,Norman Bridwell,2006 After the big snowstorm, it's time for a big snowball fight! But T-Bone is not as excited as his friends.

Red Dog Louis de Bernieres,2012-09-12 In 1998, Louis de Bernieres—acclaimed author of Corelli's Mandolin—came upon a bronze statue in a town on Australia's northwestern coast and was immediately compelled to know more about “Red Dog.” He did not have to go far: everyone for hundreds of miles in every direction seemed to have a story about Red Dog. He was a Red Cloud Kelpie, a breed of sheepdog known for its energy and cleverness. But Red Dog was a kind of ultra-Kelpie, energetic and clever enough for an entire breed in himself. Dubbed a “professional traveler” rather than a stray, Red Dog established his own transportation system, hitchhiking between far-flung towns and female dogs in cars whose engine noises he'd memorized and whose drivers he'd charmed. The call of the wild was matched by the call of the supper dish; Red Dog's appetite was as legendary as his exploits. Everyone wanted to adopt him (one group of workers made him a member of their union), but Red Dog would be adopted by—or, more precisely, he would adopt—only one man: a bus driver whose love life quickly began to suffer and who never quite recovered from Red Dog's relentlessly affectionate presence. Independent, clever, sly, stubborn, courageous and foolhardy, impatient with boredom and the boring, Red Dog endeared himself to (almost) everyone who crossed his path. These funny, surprising, and touching stories of his life are certain to endear him to every reader.

Red Dog Rising Jeff Schettler,2009 Red Dog Rising is the riveting true story of Jeff Schettler and his police K-9, Ronin, a bloodhound involved in hundreds of searches, including some of the most heinous child abduction cases in California in the 1990s. They were manhunters trained by the best. However, it is more than a tale of adventure; it is an exploration of trailing dogs. Ultimately though, it is the story of a man and his slobbery, loyal and courageous companion.
