*The Last Lecture* Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.  
Remembering Smithfield Jim Ignasher,2009-06-01 The legend of John Noforce- whose puzzling death may have been the result of a Native American Romeo and Juliet saga- 1676's bloody Nipsachuck massacre and the scandalous downfall of the poor farm and asylum are a few of the tales that linger among historic Smithfield's fields and forests. Once home to 'Apple King' Thomas K. Winsor and Arthur C. Gould, frustrated inventor of Rhode Island's first and only aircraft rest stop, this storied town has known both triumph and tragedy. Local author Jim Ignasher's expertly woven collection of vignettes speaks to the ever-enduring spirit of Smithfield's people. From illegal ice cream peddlers to a mysterious traveler killed by his own pet rattlesnake, the roots of this vibrant community extend far beyond its celebrated apple orchards
