Restorers of Hope Amy L. Sherman, 2004-11-04 It's easy to get discouraged at the reports of continuing decay in our inner cities and impoverished rural areas. Yet in the midst of the dark realities, some churches are transforming lives and reclaiming communities through effective, holistic ministries. 'Restorers of Hope' tells their stories and identifies the keys to their success. And it goes further by challenging churches to take up Christ's command to love your neighbor and offering specific, practical guidance on how to reach out. By understanding the challenges of persistent poverty - and the opportunities afforded by welfare reform - you and your church will be better equipped to engage in redemptive ministry that presents the gospel as the true solution.
