

Resume Manager Pro

Anne McKinney

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Resume Writing for Beginners Clark Darsey,2020-01-08 ★★ Buy the Paperback version of this book and get the eBook version included for FREE ★★ The difference between getting a job and not getting a job can be in the resume since it is usually the first thing that the hiring staff will see, and we all know very well how important first impressions are. A resume that is well crafted should reflect you, your skills and your experience in the best possible light. Showing you how to write such a resume is what this book is all about. There are many ways in which you can create a resume, but there are certain nuances which employers are looking for that you want to include in your resume. Just paying a little bit of attention to such details can go a long way in making you stand apart from the crowd in a good way. In this book you can expect to learn about: -All the important parts of a resume -Creating a winning cover letter (with samples) -Including references in your resume -And much more! It is not easy demonstrating all that you want to say about yourself and why you are the perfect fit for the job in an easy, concise and easy-to-read format, but it is necessary to know how to do so since hiring managers only give 15 seconds to each resume (in the best case) before giving up on them and moving onto the other resumes that are trying to capture their attention. If you are ready to start crafting resumes that are sure to capture the hiring manager's attention and lead to job interviews, then scrolling over to the BUY button and clicking it is the first step.

Professional Resumes for Executives, Managers, and Other Administrators David Franklin Noble,1998 Targets top management and offers practical application for using the resume as a key to success. Contains more than 200 new resumes submitted by members of the Professional Association of Resume Writers.

Get your copy of the book today!

No-Nonsense Resumes Arnold G. Boldt,Wendy S. Enelow,2006-11-15 For the first time ever, here's a resume book that clears away the clutter and gets down to the "brass tacks" of what it takes to write and design a resume that will get you interviews and job offers. Authors and professional resume writers Wendy Enelow and Arnold Boldt share their insights, knowledge, and more than 35 years of combined experience to help you prepare a resume that will get you noticed, not passed over. No-Nonsense Resumes begins with a thorough but easy-to-understand explanation of the key elements that are vital to creating an "attention-grabbing" resume, including how to: — Strategically "position" your resume — Showcase your skills and achievements — Format and design a professional-looking resume — Select and integrate key words — Prepare and distribute your electronic resume Subsequent chapters offer specific tips on creating winning resumes for job opportunities in virtually every profession: Administration & Clerical; Accounting, Banking & Finance; Government; Health Care & Social Services; Hospitality Management & Food Service; Human Resources & Training; Law Enforcement & Legal; Manufacturing & Operations; Sales, Marketing & Customer Service; Skilled Trades; and Technology, Science & Engineering. Included in each chapter are sample resumes contributed by leading resume writers and career consultants worldwide.
