Reveal Meggan Watterson, 2013-04-03 The Wall Street Journal bestselling author of *Mary Magdalene Revealed* Even as a little girl, Harvard-trained theologian Meggan Watterson knew something was missing from traditional religion – the voices of women. She knew these voices had never been silenced, just buried, so she began a pilgrimage to uncover the presence of the Divine Feminine. What she discovered along the way were not only the many stories, images, and voices of the Divine Feminine in world religions – Christianity’s Mary Magdalene, Hinduism’s Kali Ma, Buddhism’s Green Tara – but also her own spiritual voice, the one veiled beneath years of fear and self-doubt. After a revelation at a sacred site of the Black Madonna in Europe, Meggan realized that being spiritual for her was intricately tied to her view of her body. Rather than transcending the body, denying or ignoring it, she found that she must accept her body as sacred. Only then could she truly hear the voice of unfaltering love inside her – the voice of her soul. Watterson soon found that she was not alone, that there are countless women who long for a spirituality that encourages embodiment, that inspires them to abandon their fears but never themselves, and that shows them how to be led by the audacious and fiercely loving voice of truth inside them. No matter where you rest on the spectrum of spirituality – religious or secular, devout believer or chronic doubter, freelance mystic or borderline agnostic – this story is about the desire to shed what’s holding you back. With passion, humor, poetry, and raw honesty, Meggan provides what religion has left out – a way to lift the veils of your own fear and self-doubt to reveal your soul and find the Divine within.

The Big Reveal Jen Larsen, 2021-12-07 A dazzling YA novel about a girl who isn't afraid to be big and sexy and

dance her heart out, and a discussion-provoking exploration of the mixed messages our society gives young women about their bodies and sexuality. Addie is a talented dancer, a true-blue friend, and a fat, fierce, and driven young woman. When she's accepted into the prestigious dance company of her dreams, she thinks nothing can bring her down—until she realizes she doesn't have enough money to go. Refusing to give up, Addie and her friends decide to put on a top-secret, invitation-only burlesque show to raise funds. But word soon gets out, and the slut- and body-shaming begin. Has Addie been resisting the patriarchy, or playing right into its hands? The Big Reveal asks hard-hitting feminist questions while reveling in some of life's greatest joys: chasing your passions, falling in love, and embracing yourself exactly as you are.

How We Fall Melissa Toppen, Pink Ink

Designs, 2017-03-11 It's not always about how we fall- it's about where we end up once we land. I remember the very first time I laid eyes on Cole Lincoln. It still feels like yesterday when he stumbled into my life with his messy brown hair and dark eyes. Even though I was only ten years old at the time, I knew right then and there that he was going to change everything. From that point on Cole and I were always together-inseparable-and I naively believed we'd be best friends forever. But forever didn't last nearly as long as I expected. We grew up and grew apart, life driving the distance between us, but my love for Cole never faltered. Even long after he moved away, leaving me and our little town behind, I still carried a piece of him with me every single day. Because Cole wasn't just my childhood best friend- the boy who knew me better than anyone else in the whole world. He was also my first love- a part of my very core. When a tragic death brings us face to face again after six years, every single memory comes

rushing to the surface. Only this is not the boy I fell in love with all those years ago. The man before me is hardened, intimidating, and so damn sexy I practically melt when those dark eyes meet mine for the first time in six years. And like the first time he walked into my life, I know with complete certainty that everything is about to change. How We Fall is a STANDALONE Romance Novel.

opposition.

The Address Book Deirdre Mask, 2020-04-14 Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazine's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards An entertaining quest to trace the origins and implications of the names of the roads on which we reside. —Sarah Vowell, The New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won’t get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with

fascinating people and histories, *The Address Book* illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.
