The Gatekeepers Chris Whipple, 2017 The first in-depth, behind-the-scenes look at the White House Chiefs of Staff, whose actions--and inactions--have defined the course of our country. Since George Washington, presidents have depended on the advice of key confidants. But it wasn't until the twentieth century that the White House chief of staff became the second most powerful job in government. Unelected and unconfirmed, the chief serves at the whim of the president, hired and fired by him alone. He is the president's closest adviser and the person he depends on to execute his agenda. He decides who gets to see the president, negotiates with Congress, and--most crucially--enjoys unparalleled access to the leader of the free world. When the president makes a life-and-death decision, often the chief of staff is the only other person in the room. Each chief can make or break an administration, and each president reveals himself by the chief he picks. Through extensive, intimate interviews with all seventeen living chiefs and two former presidents, award-winning journalist and producer Chris Whipple pulls back the curtain on this unique fraternity, whose members have included Rahm Emanuel, Dick Cheney, Leon Panetta, and Donald Rumsfeld. In doing so, he revises our understanding of presidential history, showing us how James Baker and Panetta skillfully managed the presidencies of Ronald Reagan and Bill Clinton, ensuring their reelections--and, conversely, how Jimmy Carter never understood the importance of a chief, crippling his ability to govern. From Watergate to Iran-Contra to the Monica Lewinsky scandal to the Iraq War, Whipple shows us how the chief of staff can make the difference between success and disaster. As an outsider president tries to govern after a bitterly divisive election, *The Gatekeepers* could not be more timely. Filled with shrewd analysis and never-before-reported details, it is a compelling history that changes our perspective on the presidency.--Jacket flap.

The Spymasters Chris Whipple, 2021-10-26 Only eleven men and one woman are alive today who have made the life-and-death decisions that come with running the world's most powerful and influential intelligence service. With unprecedented, deep access to nearly all these individuals plus several of their predecessors, Chris Whipple tells the story of an agency that answers to the United States president alone, but whose activities--spying, espionage, and covert action--take place on every continent. At pivotal moments, the CIA acts as a brake on rogue presidents, starting in the mid-seventies with DCI Richard Helms's refusal to conceal Richard Nixon's criminality and continuing to the present as the actions of a CIA whistleblower have ignited impeachment proceedings against Donald Trump. Since its inception in 1947, the Central Intelligence Agency has been a powerful player on the world stage, operating largely in the shadows to protect American interests. For *The Spymasters*, Whipple conducted extensive, exclusive interviews with nearly every living CIA director, pulling back the curtain on the world's elite spy agencies and showing how the CIA partners--or clashes--with counterparts in Britain, France, Germany, Israel, Jordan, Saudi Arabia, and Russia. Topics covered in the book include attempts by presidents to use the agency for their own ends; simmering problems in the Middle East and Asia; rogue nuclear threats; and cyberwarfare--

Black Love Chinonyerem Odimba, 2021-08-05 Meet Aurora and Orion: Sister and Brother. Constellations in time. More than blood. More than just fam. They look after each other in their small London flat, filled with the memories of their parents' Black Love. When that love is threatened, they must confront their own worst fears as they find their way back to each other and to what it means to love whilst Black. *Black Love* by Chinonyerem Odimba, with music by Ben and Max Ringham, is an explosion of form-busting storytelling, combining real-life stories, imagined worlds, and new songs inspired by an R&B heritage. It was premiered in July 2021 in Paines Plough's the Roundabout as a co-production between Paines Plough and Belgrade Theatre in association with tiata fahodzi, co-directed by Odimba and Katie Posner, as part of Coventry City of Culture 2021, before touring the UK.

The Best Camera Is The One That's With You Chase Jarvis,2009-09-18 A beacon of creativity with boundless energy, Chase Jarvis is well known as a visionary photographer, director, and social artist. In *The Best Camera Is The One That's With You*, Chase reimagines, examines, and redefines the intersection of art and popular culture through images shot with his iPhone. The pictures in the book, all taken with Chase's iPhone, make up a visual notebook—a photographic journal—from the past year of his life. The book is full of visually-rich iPhone photos and peppered with inspiring anecdotes. Two megapixels at a time, these images have been gathered and bound into a book that represents a stake in the ground. With it, Chase underscores the idea that an image can come from any camera, even a mobile phone. As Chase writes, “Inherently, we all know that an image isn't measured by its resolution, dynamic range, or anything technical. It's measured by the simple—sometimes profound, other times absurd or humorous or whimsical—effect that it can have upon us. If you can see it, it can move you.” This book is geared to inspire everyone, regardless of their level of photography knowledge, that you can capture moments and share them with our friends, families, loved ones, or the world at the press of a button. Readers of *The Best Camera Is The One That's With You* will also enjoy the iPhone application Chase Jarvis created in conjunction with this book, appropriately named *Best Camera*. *Best Camera* has a unique set of filters and effects that can be applied at the touch of a button. Stack them. Mix them. Remix them. *Best Camera* also allows you to share directly to a host of social marketing sites via www.thebestcamera.com, a new online community that allows you to contribute to a living, breathing gallery of the best iPhone photography from around the globe. Together, the book, app, and website, represent a first-of-its-kind ecosystem dedicated to encouraging creativity through picture taking with the camera that you already have. *The Best Camera Is The One That's With You*—shoot!

Renegade Rhymes Meredith Schweig,2022-09-07 A close look at how Taiwanese musicians are using rap music as a creative way to explore and reconcile Taiwanese identity and history. Like many states emerging from oppressive political rule, Taiwan saw a cultural explosion in the late 1980s, when nearly four decades of martial law under the Chinese Nationalist Party ended. As members of a multicultural, multilingual society with a complex history of migration and colonization, Taiwanese people entered this moment of political transformation eager to tell their stories and grapple with their identities. In *Renegade Rhymes*, ethnomusicologist Meredith Schweig shows how rap music has become a powerful tool in the post-authoritarian period for both exploring and producing new knowledge about the ethnic, cultural, and political history of Taiwan. Schweig draws on extensive ethnographic fieldwork, taking readers to concert venues, music video sets, scenes of protest, and more to show how early MCs from marginalized ethnic groups infused rap with important aspects of their own local languages, music, and narrative traditions. Aiming their critiques at the educational system and a neoliberal economy, new generations of rappers have used the art form to nurture associational bonds and rehearse rituals of democratic citizenship, making a new kind of sense out of their complicated present.

High Drama John Burgman,Kynan Waggoner,2020-03-03 One afternoon in 1987, two renegade climbers in Berkeley, California, hatched an ambitious plan: under the cover of darkness, they would rappel down from a carefully scouted highway on-ramp, gluing artificial handholds onto the load-bearing concrete pillars underneath. Equipped with ingenuity, strong adhesive, and an urban guerilla attitude, Jim Thornburg and Scott Frye created a serviceable climbing wall. But what they were part of was a greater development: the expansion and reimagining of a sport now slated for a highly anticipated Olympic debut in 2020. *High Drama* explores rock climbing's transformation from a pursuit of select anti-establishment vagabonds to a sport embraced by competitors of all ages, social classes, and backgrounds. Climbing magazine's John Burgman weaves a multi-layered story of traditionalists and opportunists, grassroots organizers and business-minded developers, free-spirited rebels and rigorously coached athletes.

Frankly, We Did Win This Election Michael C. Bender,2021-07-13 THE INSTANT NEW YORK TIMES BESTSELLER! Michael C. Bender, senior White

House reporter for the Wall Street Journal, presents a deeply reported account of the 2020 presidential campaign that details how Donald J. Trump became the first incumbent in three decades to lose reelection—and the only one whose defeat culminated in a violent insurrection. Beginning with President Trump's first impeachment and ending with his second, **FRANKLY, WE DID WIN THIS ELECTION** chronicles the inside-the-room deliberations between Trump and his campaign team as they opened 2020 with a sleek political operation built to harness a surge of momentum from a bullish economy, a unified Republican Party, and a string of domestic and foreign policy successes—only to watch everything unravel when fortunes suddenly turned. With first-rate sourcing cultivated from five years of covering Trump in the White House and both of his campaigns, Bender brings readers inside the Oval Office, aboard Air Force One, and into the front row of the movement's signature mega-rallies for the story of an epic election-year convergence of COVID, economic collapse, and civil rights upheaval—and an unorthodox president's attempt to battle it all. Fresh interviews with Trump, key campaign advisers, and senior administration officials are paired with an exclusive collection of internal campaign memos, emails, and text messages for scores of never-before-reported details about the campaign. **FRANKLY, WE DID WIN THIS ELECTION** is the inside story of how Trump lost, and the definitive account of his final year in office that draws a straight line from the president's repeated insistence that he would never lose to the deadly storming of the U.S. Capitol that imperiled one of his most loyal lieutenants—his own vice president.

Rigged David Shimer, 2021-10-05 The definitive history of the covert struggle between Russia and America to influence elections, why the threat to American democracy is greater than ever, and what we can do about it. This is the first book to put the story of Russian interference into a broader context.... Extraordinary and gripping (The New York Times Book Review). Russia's interference in the 2016 elections marked only the latest chapter of a hidden and revelatory history. In *Rigged*, David Shimer tells the sweeping story of covert electoral interference past and present. He exposes decades of secret operations—by the KGB, the CIA, and Vladimir Putin's Russia—to shape electoral outcomes, melding deep historical research with groundbreaking interviews with more than 130 key players, from leading officials in both the Trump and Obama administrations to CIA and NSA directors to a former KGB general. Throughout history and in 2016, both Russian and American operations achieved their greatest success by influencing the way voters think, rather than tampering with actual vote tallies. Understanding 2016 as one battle in a much longer war is essential to comprehending the critical threat currently posed to America's electoral sovereignty and how to defend against it. Illuminating how the lessons of the past can be used to protect our democracy in the future, *Rigged* is an essential book for readers of every political persuasion.

Fatty Fat Fat Katie Greenall, 2020-09-17 Ever feel like your body takes up too much space in a world that doesn't want to make any room? Katie is fat. Pretty much always been fat, and will be fat forever. **FATTY FAT FAT** is a funny, frank and provocative solo show about living in a body the world tells you to hate. Leave your diet books at the door.'A funny, tender, poignant and important show which doesn't tie the story up in a neat bow because life isn't about convenient happy endings. Greenall has created a piece of art that will live with you long after you leave the room' Catherine Renton, The Wee Review'Greenall is not just performing a show, she's performing a radical act; one that sticks a middle finger up to society's expectations, puts fat bodies front and centre, and does the 'Cha Cha Slide' while she's at it.' Katharine Gemmell, The List'In today's society, her voice is needed so desperately and I couldn't recommend this piece enough. I laughed throughout but left knowing that things need to change - and that we all need to be part of the solution.' Esme Leitch, Feminist Fringe

American Pravda James O'Keefe, 2018-01-16 The one real difference between the American press and the Soviet state newspaper Pravda was that the Russian people knew they were being lied to. To expose the lies our media tell us today, controversial journalist James O'Keefe created Project Veritas, an independent news organization whose reporters go where traditional journalists dare not. In *American Pravda*, the reader is invited to go undercover with these intrepid journalists as they infiltrate political campaigns, unmask dishonest officials and expose voter fraud. A rollicking

adventure story on one level, the book also serves as a treatise on modern media, arguing that establishment journalists have a vested interest in keeping the powerful comfortable and the people misinformed.

Hooky Míriam Bonastre Tur,2021-09 When Dani and Dorian missed the bus to magic school, they never thought they'd wind up declared traitors to their own kind! Now, thanks to a series of mishaps, they are being chased by powerful magic families seeking the prophesied King of Witches and royals searching for missing princes. But they aren't alone. With a local troublemaker, a princess, and a teacher who can see the future on their side, they might just be able to clear their names...but can they heal their torn kingdom?

Strategic Integrated Marketing Communications Larry Percy,2023-03-03 This book provides a disciplined, systematic look at what is necessary to the planning and implementation of an effective Integrated Marketing Communications (IMC) programme. Throughout, attention is paid to balancing theory with practical application, how to successfully implement theory for effective communication. Step-by-step, knowledge and understanding builds through the book, starting by laying a foundation to provide context, looking at the role of IMC in building brands and strengthening companies. The book then considers what goes into developing and executing effective messages, and how to ensure that they are consistent and consistently delivered, regardless of media. A detailed, practical overview of the strategic planning process is provided, illustrated by numerous examples and cases, along with 'desktop' tools and worksheets for developing and implementing an IMC plan. The 4th edition of this classic textbook has been fully updated throughout, and includes: Updated and expanded coverage of digital media, including issues relating to privacy and media strategy New sections on setting campaign budgets, brand architecture, target audience action objectives, social marketing communication, and such practices as gamification and experiential marketing Extended content on international advertising and shared cultural values The introduction of a channels-based typology of marketing communication Updated international examples and case studies throughout. A comprehensive and accessible guide to the steps of planning and developing an effective IMC campaign, this book should be core reading for students studying Integrated Marketing Communications, Strategic Communications, Principles of Advertising, Media Planning and Brand Management.

When The Long Trick's Over Morgan Lloyd Malcolm, 2022-02-25 I'm doing this for her because this was my sister's dream. This isn't my natural habitat. I wouldn't normally choose this. But she would have. Two sisters. One dream. The hardest open-water swim in the world. This triumphant play from Olivier Award-winning writer Morgan Lloyd Malcolm moves forwards and backwards in time across the 21 miles between Dover and Calais as a young swimmer harnesses her mind and body to make the crossing. Tackling what it means to grieve, both physically and mentally, When The Long Trick's Over encapsulates the fact that love persists whatever the distance and however perilous the journey is to the other side. And that, sometimes, it means swimming against the tide and against the things that hold you back: the old memories and oil tankers, jelly fish and Jelly Babies. This edition was published to coincide with the world premiere production by HighTide and the New Wolsey Theatre, February 2022.
